The Gospel of Nicodemus: Gesta Salvatoris University of Toronto. Centre for Medieval Studies, 1979 **The Gospel of Nicodemus** Hack Chin Kim, 1973 The Gospel of Nicodemus H. C. Kim, 1973 *The Gospel of Nicodemus* Hack Chin Kim, 1973 *The Devil's Rights and the Redemption in the Literature of Medieval England* C. William Marx, 1995 A study of the theory of the devil's rights in relation to medieval theology of the redemption as this is treated in the popular literature of medieval England Nidrstigningar Saga Dario Bullitta, 2018-01-18 The Evangelium Nicodemi or Gospel of Nicodemus was the most widely circulated apocryphal writing in medieval Europe It depicted the trial Passion and crucifixion of Christ as well as his Harrowing of Hell During the twelfth century renaissance some exemplars of the Evangelium Nicodemi found their way to Iceland where its text was later translated into the vernacular and known as Ni rstigningar saga Dario Bullitta has embarked on a highly fascinating voyage that traces the routes of transmission of the Latin text to Iceland and continental Scandinavia He argues that the saga is derived from a less popular twelfth century French redaction of the Evangelium Nicodemi and that it bears the exegetical and scriptural influences of twelfth century Parisian scholars active at Saint Victor Peter Comestor and Peter Lombard in particular By placing Ni rstigningar saga within the greater theological and homiletical context of early thirteenth century Iceland Bullitta successfully adds to our knowledge of the early reception of Latin biblical and apocryphal literature in medieval Iceland and provides a new critical edition and translation of the vernacular text Ritual Boundaries Joseph E. Sanzo, 2024-04-02 A free ebook version of this title is available through Luminos University of California Press's Open Access publishing program Visit www.luminosoa.org to learn more In *Ritual Boundaries* Joseph E Sanzo transforms our understanding of how early Christians experienced religion in lived practice through the study of magical objects such as amulets and grimoires Against the prevailing view of late antiquity as a time when only so called elites were interested in religious and ritual differentiation the evidence presented here reveals that the desire to distinguish between religious and ritual insiders and outsiders cut across diverse social strata The magical evidence also offers unique insight into early biblical reception exposing a textual world in which scriptural reading was multisensory and multitradeational As they addressed sickness demonic struggle and interpersonal conflicts Mediterranean people thus acted in ways that challenge our conceptual boundaries between Christians and non Christians elites and non elites and words materials and images Sanzo helps us rethink how early Christians imagined similarity and difference among texts traditions groups and rituals as they went about their daily lives The Mirror of Death Kristof K. P. Vanhoutte, 2024-04-01 How porous is the border between life and death How do the dead influence the living and in what way What can Heaven Hell Purgatory and the two Limbos tell us of our contemporary world today In *The Mirror of Death* Kristof K P Vanhoutte explores the hermeneutical potential of the regions in the hereafter After an exciting voyage through the emergence of the afterlife and of the constancy of death's presence in the history of humanity Vanhoutte shows through the study of the nature

Life Hereafter Paul Crittenden, 2020-10-24 In this book Paul Crittenden offers a critical guide to the problematic origins of biblical teaching about the afterlife and the way in which it was subsequently developed by Church authorities and theologians Origen Augustine and Thomas Aquinas in particular In the post Reformation era the focus falls on the challenges set by modern secularism The tradition encompasses a body of interconnected themes an apocalyptic war in which the Kingdom of God triumphs over Satan's powers of darkness salvation in Christ the immortality of the soul and finally the resurrection of the dead and the last judgment ratifying an afterlife of eternal bliss for the morally good and punishment in hell for wrongdoers The critique questions these beliefs on evidential ethical and philosophical grounds The argument overall is that what lies beyond death is beyond knowledge The one fundamental truth that can be distilled from the once compelling body of Christian eschatological belief for believers and unbelievers alike is the importance of living ethically
