## **Gospel Perspectives:**

Gospel Perspectives, Volume 5 David Wenham, 2004-03-29 In their search for the historical Jesus scholars have rightly focused their attention on the evidence of the four canonical gospels but they have often given insufficient attention to the importance of other early Christian writings This volume by an international team of authors writing under the auspices of the Tyndale House Gospels Research Project seeks to shed light on the gospels from outside the gospels It includes essays on Paul's use of the Jesus tradition the evidence of other New Testament writers the Gospel of Thomas the apocryphal gospels the apostolic fathers and on Jewish and classical traditions The essays break new ground in various respects and the volume as a whole which is concluded by Dr Richard Bauckham with an article on the problems and prospects of studying non canonical gospel traditions should prove a significant stimulus to ongoing research in this neglected area

Apostles including an extensive review of scholarship over the past fifty years provides a valuable resource for the study of this controversial first century Christian document     Gospel Perspectives R. T. France, David Wenham, 1981     The Historical Reliability of the Gospels Craig L. Blomberg, 2014-05-06 For over twenty years Craig Blomberg's The Historical Reliability of the Gospels has provided a useful antidote to many of the toxic effects of skeptical criticism of the Gospels He offers an overview of the history of Gospel criticism Thoroughly updated edition with added footnotes and two new appendixes     **The Miracles in the Gospels** Keith Warrington, 2015-10-22 The first comprehensive scholarly survey of all the Gospel miracles for nearly fifty years In this magisterial study Keith Warrington paints a rounded picture of Jesus as a miracle worker by exploring each of the miracles in the Gospels in their literary and historical setting He demonstrates that while the miracles are historically authentic there are several reasons for their presence in the Gospels other than simply to identify Jesus as a miracle worker They are also intended to function as vehicles of teaching expressing aspects of the mission and person of Jesus providing lessons for his would be disciples and adding theological value for each Gospel's original audience     **Five Views on the Gospel** Michael Horton, Scot McKnight, David A. deSilva, Julie C Ma, Shively T.J Smith, 2025-06-03 Five Views on the Gospel presents five different perspectives on the question What is the gospel Presenting a variety of contemporary and tradition based perspectives each contributor answers key questions about the nature of the gospel Questions contributors address include What is the gospel What is the context for understanding the New Testament teaching about the gospel What are the primary biblical texts that you believe express the gospel and how do you understand them What are people called to do with the gospel and what are the benefits promised by the gospel How can the definition and proclamation of the gospel be contextualized and made relevant today What example of an inadequate gospel and a false gospel can you offer What does it mean to live a life worthy of the gospel The CounterPoints format provides a unique opportunity for each contributor to set forth their own understanding of the gospel to interact with competing perspectives and for the editors to sum up points of agreement and disagreement and a path forward in the debate Positions and Contributors include The Reformation Gospel Michael Horton The King Jesus Gospel Scot McKnight The Wesleyan Gospel David A deSilva The Pentecostal Gospel Julie C Ma A Liberation Theology Gospel Shively T J Smith The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion     *Theology and Philosophy* Ingolf U. Dalferth, 2001-10-13     **A Mystical Portrait of Jesus** Demetrius Dumm, 2001 The poetic and symbolic nature of John's gospel betrays the weakness of historical critical and other scientific methods of scriptural exegesis Although valuable for the insights they do provide scientific methods are not sensitive to the spiritual dimensions of biblical revelation Father Dumm therefore offers something more than the traditional chapter and verse commentary Understanding that all of the gospels

were written after the resurrection and consequently that the passion narrative greatly influenced how the earlier chapters were composed Father Dumm gives more prominence to the climax of the career of Jesus his passion death and resurrection By beginning at the end Father Dumm uncovers the guiding principle of this gospel In the process he makes some surprising discoveries about the dangers of religious ritual but finds remedy for these dangers in the importance of personal mystical experience within the context of a believing community Chapters are The Hour has Come Testifying to the Truth Love Gives all Love Conquers all Love One Another Abide in Me as I Abide in You That They May be One Conversion Baptism Eucharist Enlightenment and Eternal Life Demetrius Dumm OSB is a monk of St Vincent s Archabbey Latrobe Pennsylvania A professor of New Testament for almost fifty years he is the author of several books and has given numerous retreats and workshops designed to allow scholarship to bear fruit in the spiritual life of the nonscholar **Example Stories** Jeffrey

Tucker,1997-01-01 This study challenges the popular notion that four parables in the Gospel of Luke the Good Samaritan the Rich Fool the Rich Man and Lazarus and the Pharisee and the Toll Collector are example stories A wealth of scholars views on the example stories are scrutinized with Adolf Jnlicher s pivotal definition receiving special attention The various criteria used to distinguish between parable and example are assessed from both a literary and a rhetorical perspective in order to ascertain what if any formal features are peculiar to the example stories Tucker shows that attempts to differentiate the example stories from other narrative parables attributed to Jesus in the Synoptic Gospels are largely unsuccessful The result is that these four parables in the Gospel of Luke can be seen for what they really are *Perspectives on the Ending of Mark* Maurice Robinson,Darrell L. Bock,Keith Elliott,Daniel Wallace,2008-11-01 The debate continues among today s leading Bible scholars about the conspicuous exclusion of twelve verses 16 9 20 in the gospel of Mark from some early Greek manuscripts

*Retelling Scripture* Ruth Sheridan,2012-01-06 The last century of scholarship on the Old Testament citations in the Gospel of John has concentrated almost exclusively upon source critical or redaction critical issues with the aim of determining the Christological import of the citations The current book brings a narrative rhetorical methodology to bear upon the seven explicit Scriptural citations in the Gospel s Book of Signs 1 19 12 50 that are prefaced by a distinct introductory formula 1 19 12 15 These citations are each addressed to or imply a particular textual audience namely the Jews This book argues that as such the citations do not merely have Christological significance but function at the narrative level to encourage an ideal reader to construct a particularly negative characterization of the Jews **Criteria for Authenticity**

**in Historical-Jesus Research** Stanley E. Porter,2004-12-10 Historical Jesus research continues to captivate the interests of scholars Recently there has been renewed discussion of the criteria for authenticity This study traces the history of this type of research especially in terms of authenticity criteria **Experiencing Scripture as a Disciple of Jesus** Dave
