Reviews and rates the best recordings of country artists and groups provides biographies of the artists and charts the evolution of country music *Matthew* Robert Horton Gundry,1994 This commentary demonstrates Gundry's conviction that Matthew relied on the Gospel of Mark and the document Q Furthermore Gundry argues for a combination of historical data and theological embellishments in passages such as those that present the birth of Jesus the Sermon on the Mount and Peter's walking on the water Into the Rabbit Hole Michael Warren,2005-10 Ronald Reagan once said If anyone is afraid to stand up to clients the government and employers teachers or virtually any authority than know that all you are doing is feeding the crocodile hoping that he will eat you last Into The Rabbit Hole takes you on a journey into the state of your own mind and the mind of the beast that has deceived you Going in the hole your path will cross with the entities that you have trusted in that guide your life Religious deception sacred bloodlines the cult mind secret societies government deception and our true origins as a species are recurring themes It is time that society awakens to the truth of their real existence and how they can escape from the hole Into The Rabbit Hole is your first step into the true reality you seek An intellectually challenging and stimulating read for all seekers of truth Once you have had a glimpse of what's in the hole the age old question of What Is Truth will be self evident **Divinity in mortality; or, the Gospel's excellency and the preacher's frailty: represented in a sermon on 2 Cor. iv. 7 preached at the funerals of Mr R. Goddard, etc** Nathaniel HARDY (Dean of Rochester.),1659 **The Works of the Rev. Isaac Watts, D.D.** Isaac Watts,1812 The Works of the Rev. Isaac Watts D.D. in Nine Volumes Isaac Watts,1812 **The Sermons and Practical Works of Isaac Watts** Isaac Watts,1805
The Miscellaneous Writings of Matthew Henry ... Matthew Henry,1811 **Tropologia** Benjamin Keach,1856 **The Reformation of the Heart** Sarah Apetrei,2024 This groundbreaking study offers fresh insight into the relationship between radical theology and gender radicalism in the seventeenth century English Revolution Examining published works and previously unexplored archival material Sarah Apetrei shows the transformative role that women played in religious reform during the period *The Beautiful Soul of John Woolman, Apostle of Abolition* Thomas P. Slaughter,2024-09-04 A biography of the famous eighteenth century Quaker whose abolitionist fervor and spiritual practice made him a model for generations of Americans John Woolman 1720-72 was perhaps the most significant American of his age though he was not a famous politician general or man of letters and never held public office A humble Quaker tailor in New Jersey he became a prophetic voice for the entire Anglo American world when he denounced the evils of slavery in Quaker meetings then in essays and his Journal first published in 1774 In this illuminating new biography Thomas P Slaughter goes behind those famous texts to locate the sources of Woolman's political and spiritual power Slaughter's penetrating work shows how this plainspoken mystic transformed himself into a prophetic unforgettable figure Devoting himself to extremes of self purification dressing

only in white refusing to ride horses or in horse drawn carriages Woolman might briefly puzzle people but his preaching against slavery rum tea silver forced labor war taxes and rampant consumerism was infused with a benign confidence that ordinary people could achieve spiritual perfection and this goodness gave his message persuasive power and enduring influence Placing Woolman in the full context of his times Slaughter paints the portrait of a hero and not just for the Quakers social reformers labor organizers socialists and peace advocates who have long admired him He was an extraordinary original an American for the ages The Extensive Library of the Hon. Samuel W. Pennypacker Samuel Whitaker Pennypacker,1907 **Germantown and the Germans** Edwin Wolf, II,1983-02 *Blown by the Spirit* David R. Como,2004-01-05 This study explores the intersection of politics religious thought and religious culture in pre revolutionary England using hitherto unknown or overlooked manuscripts and printed material to reconstruct and contextualize a forgotten but highly significant antinomian religious subculture that evolved at the margins of the early seventeenth century puritan community By reconstructing this story *Blown by the Spirit* offers a major revision of current understanding of Puritanism and the puritan community In the process the author illuminates the obscure and tangled question of the origins of civil war radicalism thereby helping to explain the course consequences and ultimate failure of the English revolution Wisdom's Journey Steven Rozenski,2022-07-15 Steven Rozenski reopens old discussions and addresses new ones concerning late medieval devotional texts particularly those showing continental and German influences For many Martin Luther's translation of the Bible into German has come to define the spirit of the Protestant Reformation But there existed a host of devotional and mystical writings translated into the vernacular that had more profound impacts upon lay religious practices and experiences well into the seventeenth century Steven Rozenski explores this devotional and mystical literature in his focused study of English translations and adaptations of the works of Henry Suso Catherine of Siena and Thomas Kempis and the common devotional culture manifested in the work of Richard Rolle In *Wisdom's Journey* Rozenski examines the forms and strategies of late medieval translation of early modern engagement with Continental medieval devotion and of the latter's literary afterlives in English speaking communities Suso's Rhineland mysticism the book shows found initial widespread influence translation and adaptation followed by a gradual decline Catherine of Siena's Italian spirituality saw continued use and retranslation in post Reformation recusant communities paralleled by vehement denunciation by English Protestants and Thomas Kempis's *Imitation of Christ* attained a remarkably consistent expansion of popularity translation and acceptance among both Catholic and Protestant readers well into the nineteenth and twentieth centuries *Wisdom's Journey* traces this path as it reshapes our understanding of English devotional and mystical literature from the 1400s to the 1600s illuminating its wider European context before and after the Reformations of the sixteenth century Written primarily for scholars in medieval mysticism Reformation studies and translation studies the book will also appeal to readers interested in medieval studies and English literature more broadly Thomas Goodwin on Union with Christ Jonathan M. Carter,2022-04-21

Thomas Goodwin has been described as the forgotten man of English theology and though known by some as a pioneer of congregationalism and a prominent member of the Westminster Assembly the true significance and scope of his life's work has only recently been discovered. Historical reassessment has uncovered that the majority of Goodwin's treatises were intended to form a grand project defending Reformed soteriology in the 1650s against new threats as well as traditional opponents. Examining Goodwin's notion of union with Christ in relation to mystical indwelling, transformation, justification, and participation, this study demonstrates the central role of union with Christ in Goodwin's soteriology. The application of salvation he contended must be founded on real union with Christ, i.e. mystical union forged by Christ's indwelling, in order to advance a trinitarian federal high Reformed soteriology in which redemption from sin is set within a Reformed scheme of Christocentric deification. This in-depth analysis makes a fresh contribution to recent controversy over union with Christ in the post-Reformation period.

The Works of the Reverend and Learned Isaac Watts, D.D. Isaac Watts, 1810
