Gospel Jesus:

The Authentic Gospel of Jesus Geza Vermes, 2004-09-30 There can be no doubt that Jesus a religious genius as Geza Vermes describes him lived and taught in Palestine some 2000 years ago The influence he has had is incalculable How though can we distinguish between the doctrines shaped to the needs of the burgeoning Christian church and the original views laid out by Jesus himself How can we dig back through the additions misinterpretations and confusions of later writers and two millennia of tradition to get back to the authentic gospel of Jesus In his new book Vermes subjects all the sayings of Jesus to brilliantly informed scrutiny The result is a book of unique value and novelty scraping aside the accretions of centuries to come as close as we can hope to be to the true Jesus

Why John Wrote a Gospel Tom Thatcher,2012-11-01 Nineteen hundred years ago someone called the Beloved Disciple told stories about Jesus and his days on earth including reports of what Jesus did and said These stories had been told for decades but then someone took the stories and wrote them down turning them from oral tradition into the book we know as the Gospel of John Scholars have long concentrated on the content of this Fourth Gospel analyzing how it differs from the Gospels of Matthew Mark and Luke and wondering how the different Gospels relate to the Jesus of history Thatcher builds on all this previous scholarship to ask new and exciting questions Why was this Gospel written Why would these followers of Jesus turn the oral stories into written Gospel In exploring the reason for writing the Fourth Gospel Thatcher focuses on how stories and written texts operate to reflect and to create memory with in groups of people He uncovers how early Christians strove to remember Jesus in the decades after his ministry and how Christians came into conflict with one another about which memories were best With this interest in the social memory of early Christians Thatcher provides original insights into the Gospel of John and shows new answers to old questions Writing in an engaging and accessible style Thatcher uses numerous diagrams and modern parallels to show how Gospel texts shape the memory and identity of Christian communities not only in the ancient world but today as well **A Theology of John's Gospel and Letters** Andreas J. Köstenberger,2009

Luebbert,2011-02 JESUS FOR THE 21ST CENTURY THE UNIFIED GOSPEL Do you want Peace and Prosperity Do you want Security and Happiness Do you want Hope and Love Readers of the 21st century are looking for such spiritual social and cultural values in themselves in other people and in a wide variety of other places The Bible reveals truths about the values you may be seeking The example of

Jesus and his teachings in the gospels may provide the answers to many of your questions and problems. There are four gospels in the Bible, each telling the story of Jesus. Some episodes are included in each gospel which are omitted by one or more of the other three gospels. Some details included in one gospel are not found in the telling of the same episode in the other gospels. Therefore, this editor has sought to combine the four gospels with all the details and nuances of all four into a single narrative without adding to or omitting any event, dialogue, or comment which the four evangelists wrote. *The Jesus of the Gospels* Andreas Köstenberger, 2020-03-31. A reader-friendly guide to the life and teachings of the Jesus of the Gospels. The Jesus of the Gospels brings together the best elements of a survey of the Gospels and a commentary on the Gospels to help readers know Jesus and understand the good news. Drawing on decades of experience teaching and writing on the Gospels, Andreas Köstenberger presents a holistic portrait of Jesus by leading readers through an in-depth study of Matthew, Mark, Luke, and John. Each chapter explores one gospel account, beginning with a short introduction that highlights the gospel's individual distinctives, followed by an outline of the book. Köstenberger breaks each gospel into short sections explaining the meaning and how it sheds light on Jesus and His mission. Numerous sidebars, maps, and diagrams highlight supplemental information, and regular Recap sections summarize key points. For those interested in further study, footnotes point to useful resources. In addition to helping readers follow the storyline and theology of each gospel, Köstenberger also emphasizes practical application, showing readers how to apply what they're learning to their lives. Ideal for those who are new to the study of the Gospels and for instructors looking for an accessible introduction based on solid scholarship, *The Jesus of the Gospels* offers readers and students the riches of the Gospels and a deeper knowledge of Jesus and the good news. **The Two Gospels - Paul & Jesus** Donald Werner, 2017-08-22. While the modern-day Christian Church follows the Gospel of Paul, it wasn't always so. The early church followed the Gospel of Jesus. There are two Gospels. I doubt that many people realize that there are two Gospels and they are polar opposites. The church jumps through hoops and does all it can to synchronize Paul's teachings with Jesus' teachings, but it failed. When you read in this book the comparison of the two Gospels, you will see why they are incompatible. They are so incompatible that they can't both exist in the church, so the church has rejected Jesus' Gospel in favor of the Paul's Gospel of lawlessness. The second half of the book deals with Paul. Many love Paul and his teachings and embrace them in place of Jesus' teachings. Others see Paul as an anti-Christ figure teaching a Gospel that is the opposite of the Gospel Jesus taught. I lay out the facts, and you will have to decide for yourself. **Knowing the Gospel** Lola S. Richey, 2011-12-12. *Knowing the Gospel: The Good News of Jesus Christ Made Simple* is an inspirational and accessible Bible-based primer on Jesus Christ and His message and teaches how a reader in the twenty-first century can achieve salvation through this most important first-century figure. This book answers simple questions like: What is the Gospel? Who is God? Who is Jesus? What is a Christian? How to become saved? What is salvation? Is there life after death? In *Knowing the Gospel*, readers are introduced to the Good News of the four Gospels, which tell of Jesus' identity and historical times through the lens of

both Old Testament and New Testament writings Readers learn about sin and repentance through the story of the Apostle Paul who turned from persecuting Jesus followers to following Him himself While sin is inevitable readers will be heartened to learn that faith and trust in Jesus will lead them to eternal life in Him as Christians The book concludes with a joyous invitation to salvation
