Gourlay Girls:

The Gourlay Girls Caitlin McBride, Hugh McAllister, Margaret Thomson Davis, 2001-06-22 In Glasgow at the beginning of the 1930s the lives of two very different families are about to be changed forever by a tragedy that seems to defy explanation In their splendid home in the West End everything seems perfect in the comfortable privileged lives of bestselling novelist Nicholas Cartwright his beautiful wife Virginia and their two children Until one dreadful day when their world is touched by tragedy and they find themselves struggling to come to terms with a mystery that will haunt them for years to come Meanwhile in the run down tenements of Springburn the Gourlay family are battling to make ends meet The Depression has hit Glasgow hard Erchie Gourlay is unemployed and only the long hours his daughters spend sewing and dressmaking keeps the spectre of poverty at bay The future looks bleak for the Gourlays until the arrival of a destitute young girl on their doorstep brings them new hope for a better life An enthralling tale of two families The Gourlay Girls captures the unique atmosphere of Glasgow in the 1930s from the spectacular Empire Exhibition to the coming of the Second World War *The Gourlay Girls* Margaret Thomson Davis, 2000 Opening in 1931 this novel is the sequel to *THE CLYDESIDERS* and once again is set in Glasgow where Virginia and her husband Nicholas Cartwright live with their children Richard and Wincy **The Dark Duchess** Wendy Moran, 2022-08-01 In the kingdom of Drachenberg there lived a compassionate Duke and his lovely Duchess The Duchess lived happily with the Duke as her husband and Princess Dahlia as her best friend As several years pass by the Duke falls ill and on one sunny day he quietly passes away The duchess alienates Princess Dahlia and the other royals She turns to dark magic in hopes of obtaining a cure for her heartache but she only grows more vacant each day and her heart slowly withers away One night she has an idea she would create five little monsters to destroy the happiness of the people in her kingdom She wants everyone to be a miserable as she had become The Duchess sends her monsters out to steal precious items that belong to the peasants of Drachenberg Everything is going according to the Duchess s plan for a brief moment When Princess Dahlia meets Prince Draven a young man who looks identical to the Duke it enrages the Duchess Consumed with jealousy she only wants to steal one more thing The heart of the princess Her monsters do as she says until they realize they are heartless But if the monsters want hearts they must set everything right They become determined to show everyone the truth about monsters monsters are created not born It s a dark tale of love and loss of repentance and forgiveness of magic and above all of monsters **From Colonial to Modern** Michelle J. Smith, Kristine Moruzi, Clare Bradford, 2018-04-13 Through a comparison of Canadian Australian and New Zealand texts published between 1840 and 1940 *From Colonial to Modern* develops a new history of colonial girlhoods revealing how girlhood in each of these emerging nations reflects a unique political social and cultural context Print culture was central to the definition and redefinition of colonial girlhood during this period of rapid change Models of girlhood are shared between settler colonies and contain many similar attitudes towards family the natural world education employment modernity and race yet as the authors argue these

texts also reveal different attitudes that emerged out of distinct colonial experiences Unlike the imperial model representing the British ideal the transnational girl is an adaptation of British imperial femininity and holds for example a unique perception of Indigenous culture and imperialism Drawing on fiction girls magazines and school magazine the authors shine a light on neglected corners of the literary histories of these three nations and strengthen our knowledge of femininity in white settler colonies
