[Handbook of Scientology](#) James R. Lewis, 2017-01-05 The *Handbook of Scientology* brings together a collection of fresh studies of the most persistently controversial of all contemporary New Religions In recent years increasing scholarly attention has been directed at the Church of Scientology resulting in a small tsunami of new scholarship We have finally reached a point in time where a book on Scientology need not restrict itself to basics Thus for example the historical chapters in the present volume are not really aimed at providing elementary facts on Scientology's background but rather focus on understanding how the Church of Scientology developed over the years In short the *Handbook of Scientology* will provide a wealth of new information on a topic that one might otherwise have thought exhausted Contributors are Matthew Charet
