Handguns And Small Arms Factfinder:

Handguns and Small Arms Peter Gray, 1997-11 This small book provides an insight into the evolution of small arms through history It cannot of course be an in depth study of all firearms but concentrates on those guns which have come to be seen as landmarks in the development of small arms with those handguns rifles sub machine guns general purpose machine guns that are generally accepted as being of particular interest Includes matchlock flintlock blunderbuss Derringer Colt 45 SA Lancaster pistol Lee Enfield rifle Mauser rifle Colt 1911 Tommy Gun Colt Python Smith Wesson 44 Uzi Stalking rifle AK47 many more Glossary Color illustrations **International Encyclopedia of Military History** James C. Bradford, 2004-12 With its impressive breadth of coverage both geographically and chronologically the International Encyclopedia of Military History is the most up to date and inclusive A Z resource on military history From uniforms and military insignia worn by combatants to the brilliant military leaders and tacticians who commanded them the campaigns and wars to the weapons and equipment used in them this international and multi cultural two volume set is an accessible resource combining the latest scholarship in the field with a world perspective on military history **Hutchinson Factfinder** Edith M. Horsley, 1986 *The Hutchinson Factfinder* Brian Hutchinson, 1999 Presents information on science technology history religion the arts sports the countries of the world and other subjects **Chambers History Factfinder**, 2005 Chambers History Factfinder is the perfect reference for anyone who has an interest in history Comprehensive and highly accessible informative and entertaining it presents a wide ranging chronology of significant world events from prehistoric times to the present day providing detailed timelines for major events such as the American Civil War along with interesting related quotes and facts It also includes hundreds of useful and often amusing lists of people and events from U S presidents and decisive battles to the tallest historical figures and the strangest laws of the past

Sociology John E. Farley, Michael W. Flota, J. Scott Carter, 2024-09-30 This best selling textbook returns for an eighth edition with material on the most fundamental issues in sociology today The authors continue their tradition of focusing on the big picture with an emphasis on race class and gender in every chapter building on the seventh edition s discussion of reproductive justice after the revocation of Roe v Wade social movements such as Black Lives Matter and MeToo a discussion of the COVID 19 pandemic and Donald Trump and Joe Biden The text frames sociological debates around the major theoretical perspectives of sociology and focuses on capturing students imaginations with cutting edge research and real world events The hallmark of the book continues to be clear writing that helps students understand the intricacies of the discipline like no other textbook on the market New to the eighth edition Thinking outside the box or inside it Selected chapters contain thematically linked boxed inserts aimed at bringing analytical and expository focus to certain issues as follows Sociological Insights These boxes focus on how sociology can help us better understand a variety of issues and how examples from everyday life can help us to understand sociological principles illustrating how topics are carefully linked to

that material Global Sociology One of the most pronounced social changes of the past century has been globalization a transition from the dominance of nation states and national economies to global interactions These boxes examine how social change moves around the world Sociological Surprises One common criticism of sociologists is that we sometimes expend a great deal of effort to prove things that are obvious On the contrary the reality is that what we find often goes against what people commonly believe and even against what sociological researchers expect to find These boxes focus on such unexpected findings analyzing why the social reality turns out to be something different from what is expected Understanding Race Class and Gender These boxes give added emphasis to the book s focus on race class and gender inequality In every issue that sociologists study race class and gender play a key role and these boxes provide students with clear and concrete examples of how this occurs Student Life These boxes which discuss student life from a sociological viewpoint show how sociology is relevant to students in their everyday lives covering race relations to dating to paying for college and draws out their sociological implications Putting Sociology to Work These boxes focus on application How can sociology be used to solve a social problem or to make an important decision West's Hawaii Reports ,2006
