

During the rest of the week, Dad and I talked about the experience. I told him it was the most exciting thing I'd ever done, and he admitted the same. I felt like a man and ready for my date with Sarah.

Saturday night came around. Mom was out with friends, and Dad was home, knowing that tonight was the night for my first fuck. Having Dad in the house made me feel more comfortable and also proud in a way.

I went over to Sarah's house and picked her up. I met her parents and the two of us went out for dinner. I invited her back to my house. Dad was watching TV and I made the introductions. Sarah mentioned that she had met my dad earlier when she had visited her dad on a job site. I was getting anxious and I knew Dad felt the same, so Sarah and I went upstairs to my bedroom. We both got naked and I continued to play with her, feeling every inch of her beautiful body.

I spread her legs wide open and started to eat her pussy, just like Dad did to Mom. I also finger-fucked her at the same time. I kept looking over to the door to see if Dad was there, and finally he was, standing there, completely naked, with a raging hardon. Damn! Knowing this made me even more excited to fuck Sarah. I also noticed another person at the door. I couldn't believe it! It was Sarah's father, naked with my dad. What was going on?! Both my own dad and my girlfriend's father were watching me fuck. I was confused, but realized it was OK and I just had to relax. I figured that my dad and Sarah's father had been planning this for some time. At that moment, Sarah looked up at me, smiled, and said, "So is my dad here yet?" I smiled and laughed a nervous laugh, saying, "Just look at the door." At that moment, both of our dads entered the room, naked and sporting full
