

Handmaid to Theology

An Essay in Philosophical Prolegomena

Winfried Corduan

with a foreword by Norman Geisler

Handmaid To Theology

Winfried Corduan

Handmaid To Theology:

Handmaid to Theology Winfried Corduan, 2009-07-01 A most needed and creative beginning in theological prolegomena says Norman L Geisler of Handmaid to Theology In this work the long neglected use of philosophy in evangelical theology is overcome Philosophical Prolegomena does not in this case constitute an introduction to theology preliminary material of which one must dispose before delving into the actual content of divine revelation Instead it constitutes a handmaid to theology the philosophical categories that necessarily help to shape each doctrine In addition to demonstrating the inevitable reliance of theology on certain philosophical concepts the author pleads for a clear distinction between biblical theology and systematic theology within the evangelical tradition Particularly helpful says Geisler is the emphasis on the need to use biblically compatible concepts in order to construct a systematic theology After two introductory chapters What Is Prolegomena and Prolegomena The Starting Point the author devotes two chapters to the doctrine of man as many to the doctrine of revelation three to the doctrine of God and a final chapter to the doctrine of regeneration This book turns over new ground in theological prolegomena concludes Geisler Its pace setting insights could and I hope will signal a return to a proper harmony between philosophy and biblical theology in the practice of systematic theology among evangelicals

Christian Theology Alister E. McGrath, 2011-01-14 Alister McGrath's Christian Theology An Introduction is one of the most internationally acclaimed and popular Christian theology textbooks in use today This 5th edition has been completely revised and now features new and extended material numerous additional illustrations and companion resources ensuring it retains its reputation as the ideal introduction to Christian theology Fully updated 5th edition of the bestselling textbook incorporating expanded material numerous student features and new illustrations Features new sections on Copernicanism and Darwinism Includes extended discussions of Augustine's doctrine of creation Trinitarian theologies of religion and the relation of Christianity to other faiths May be used as a stand alone volume or alongside the Christian Theology Reader 4th edition for a complete overview of the subject Retains the chapter structure of the 4th edition ensuring comparability with earlier editions and courses based on these Accompanied by a revised instructor's website featuring expanded resources including study questions and answers visit www.wiley.com/go/mcgrath for more details and to register for access *The Science of God* Alister E. McGrath, 2004-01-01 How do science and theology interact What can be gained by exploring Christian theology using the insights of the natural sciences Can a synergy be found Is there a defensible natural theology within the scope and framework of a revealed God

Religion in The Handmaid's Tale Colette Tennant, 2019-09-03 Margaret Atwood's *The Handmaid's Tale* captivates readers with its disturbingly prescient vision of the future and haunting insights into the world as we know it Religion especially elements of the Christian faith pervades every inch of the world as Atwood imagines it Gilead's leaders use perverse forms of Christianity to sustain their authority and privilege making understanding religion an integral part of understanding Gilead In the face of the inextricable role of religion in the novel

readers are left to puzzle out religious references and allusions on their own From the significance of names to twisted uses of religion to the origins of the Ceremony this book answers all the questions you might have about religion in this prophetic novel For anyone who s ever googled a biblical precedent or religious phrase after encountering Atwood s dystopia this essential guide explains it all and gives readers a fascinating look into the novel and its world Read it and understand The Handmaid s Tale like never before

Fundamental Theology Gerald O'Collins,2001-06-26 This book is an updated investigation of the central themes of fundamental theology revelation hermeneutics faith and its formulations and the role of authoritative teaching in the Church In a clear and balanced manner Gerald O Collins sums up the best of Roman Catholic teaching since Vatican II Students and others who are reflecting on the nature of their Christian belief will find this book invaluable The unique quality of this work however is its foundation in human experience Before he probes the theological issues O Collins lays down a groundwork for understanding experience It is not an attempt to turn fundamental theology into a subjective science but it is a recognition that the reality of God always intersects with self conscious human beings While it does not touch all of the themes of fundamental theology the book does provide in depth treatment of revelation tradition and inspiration

The Handmaid's Tale and Philosophy Rachel Robison-Greene,2018-12-04 In The Handmaid s Tale and Philosophy philosophers give their insights into the blockbuster best selling novel and record breaking TV series

The Handmaid's Tale The story involves a future breakaway state in New England beset by environmental disaster and a plummeting birth rate in which the few remaining fertile women are conscripted to have sex and bear children to the most powerful men all justified and rationalized by religious fundamentalism Among the questions raised by this riveting and harrowing story The Handmaid's Tale displays the connection between sex and power What light does this story shed on sex and power in our own society The divinity of the feminine is associated with the female capacity to give birth Is this association inherently exploitative In the story the revolution rapidly rebranded people by changing their names and placing them into functional groups with specific titles How important is change in language to the suppression of individual freedom The Handmaid's Tale sees everything through the eyes of one character How is it possible to construct a self and an identity at odds with the definition which the culture attempts to impose In oppressive societies even the most oppressed do show some freedom of choice What is the limit of autonomy in a repressive society ruled by a fanatical ideology Our present ethics of sex relies heavily on the notion of consent but in the world of The Handmaid's Tale there is little scope for consent How is the power of consent constricted by the broader social conditions The feminist idea of Care Ethics can be used to critique various gender relationships How does Care Ethics evaluate our own society and the society depicted in The Handmaid's Tale The society portrayed in the story is marked by fierce religiosity yet the Christian God presumably disapproves of its brutal exploitation and oppression What is the relation between a loving Deity and the literal interpretation of scriptural passages Among many dystopian stories what makes The Handmaid's Tale particularly memorable and what purpose is served by the contemplation of imaginary dystopias Suicide is common in The Handmaid's Tale and contemplating the possibility of suicide is even more common Can life be worth living if the political and religious structure is thoroughly malign Beneath the theocratic preaching there is the practical suggestion that everything is being arranged for the good of society and therefore of everyone Who gets to decide and enforce what is in society's best interests

Handmaid Caroline N. Mbonu, 2010-09-01

A project of women's advancement in society and church life engages a multi disciplinary and interdisciplinary approach in its quest for social transformation In recent decades governments particularly in Africa have employed various political economic and other social modi operandi in their attempt to advance women's participation more fully in society The discussions on these pages seek to contribute to the women's discourse with insights from the theology and culture more specifically from name designation The expression what is in a name falls flat on its face in most African cultures as well as the cultures that produced the Bible In these traditions a name is not merely a convenient collocation of sounds by which a person could be identified Rather a name represents a story and can express something of the essence of that which is named The power inherent in the way names are constructed and interpreted both in terms of the Handmaid in the New Testament and more directly in the Igbo culture contribute to the strengthening of patriarchy Such construal potentially exclude women from full participation in social processes and in so doing deprive society as a whole of the synergy of human

potential The discussion of Mary as Handmaid centers on the role of women in Catholic theology so she becomes the vehicle for examining the role of the second class citizen assigned to women in the Church then and now Drawing from textual and oral history the book reinterprets in a liberative manner female names both from Igbo tradition as well as Chinua Achebe's *Anthills of the Savannah* Thus the freight that a name designation carries makes imperative the exploration of its redemptive significance *An Introduction to Theology* Alfred Cave,1886 *The Book of Genesis* Ronald Hendel,2019-09-10 During its 2 500 year life the book of Genesis has been the keystone to important claims about God and humanity in Judaism and Christianity and it plays a central role in contemporary debates about science politics and human rights The authors provide a panoramic history of this iconic book exploring its impact on Western religion philosophy literature art and more

Theology Alister E. McGrath,2017-09-12 This fourth edition of the international bestseller is the ideal introduction for those who are new to Christian theology In this revised and expanded edition the author introduces readers to the central ideas and beliefs the key debates and the leading thinkers of Christianity Throughout the aim is to bring clarity and brevity to the central ideas of theology both traditional and contemporary The text comprehensively covers the individual doctrines that form the Christian belief system weaving together these doctrines their history and the intellectual nuance behind them into an inter connected web All major Christian denominations are explored as are their differences and shared customs and beliefs This rich tapestry results in a clear view of Christianity providing a coherent vision of the religion in its main forms

An Introduction to Dogmatic Theology Revere Franklin Weidner,1888
