**Is God Fair? What About Gandhi?** Michael Riley; James William, 2011-07-08 Our book will introduce you to a troubled man who came to Jesus by night His name Nicodemus After years of trying it became evident that he could not render perfect obedience It was as if he reached out to Jesus saying I m stuck in my ways and traditions I still harbor sin in my heart It would be easier for me to re enter my mother s womb a second time than for me to genuinely change The world shares this reality and tries to salve its wounds too often in very destructive ways The Rolling Stones recorded 1997 a song entitled Saint of Me The heartache in it is palpable Saint Paul the persecutor Was a cruel and sinful man Jesus hit him with a blinding light Then his life began And could you stand the torture And could you stand the pain Could you put your faith in Jesus When you re burning in the flames And I do believe in miracles And I want to save my soul And I know that I m a sinner I m gonna die here in the cold I said yes I said yeah I said yeah oh yeah oh yeah You ll never make a saint of me Where does the power to change come from This question made plain by Nicodemus and lamented by the Stones has but one answer and this book provides it We believe that God will one day abolish the hopelessness and despair these words portray After accomplishing this God will prove that He is more than fair to every person The Gospel with its message of grace and peace will finally be seen for what it is God s ultimate right to restore all mankind We give you the reader solid reasons for believing all of these assertions
