The Handy Bible Dictionary and Concordance Merrill Chapin Tenney, Alexander Cruden, 1983      *The Good News: One Man's Journey Through the Bible* Charles M. Miller, 2025-07-29 The work in this book was put together as a devotional to the deeply felt and wonderful study of God's Word the Bible In it through my many sources I have arranged well over fifty topics or subjects if you will along with the chapters and verses in the Bible that reflect the Bible's view concerning these topics As a devotional my book is arranged for you to pick whichever topic or group of topics that interests you My ultimate purpose in putting together this book is to help EVERYONE and ANYONE in THEIR UNDERSTANDING of THE WORD OF GOD the Bible Yes from the most sinful person to the most devoted from the most intellectual to the least capable of understanding Yes from the strong to the weak my purpose is to help ANYONE and EVERYONE to read and understand the Bible Bless you all

**Hurlbut's Handy Bible Encyclopedia** Jesse Lyman Hurlbut, 1908      **Ye Search the Scriptures** Watchman Nee, 2009-09-26 The Bible is the inspired word of God Every child of His must know it by heart The Bible records the many things God did for us in the past and the many words He spoke It also registers the many ways by which He led people in former days It is therefore imperative for us to study the Scriptures if we would desire to know how richly and extensively God has provided for us The speaking of God to us today is based upon the words He has already spoken His speaking through us today is also built upon what He has once before uttered Hence we need to store the word of God richly in our heart before we can hear God's speaking today and before we can be used as ministers of His word The aim in our compiling this volume is to supply some prerequisites and principal methods of studying the Scriptures to those who have a heart to know the Bible May God bless the readers as well as this book      **Uncovering God's Word** Women of Faith, 2016-06-07 For many of us reading the Bible much less studying it is daunting The language is archaic the stories are violent and it's difficult to know the takeaways But the truth is the Bible is critical because it is the means by which we know God experience His love and understand what He expects from us In *Uncovering God's Word* you will explore practical ways to dive into the content of Scripture and apply it to your life You will examine what the Bible says about itself why it is important to know it by heart and how it reveals what is truly important in life You will also see why reading the Bible on a daily basis is fundamental for you to mature in Christ and develop your relationship with God The *Women of Faith Bible Studies* provide intriguing insights into topics that are relevant to women's lives today Each guide includes twelve weeks of study down to earth illustrations and reflections to help you move the truth from your head to your heart A leader's guide for use with small groups is also included      **Knowing God's Word** Women of Faith, 2005-04-13 Many women find reading the Scriptures to be a daunting prospect let alone actually studying them Questions arise Is studying the Bible different from reading it Why do we study God's Word How do you study God's Word *Knowing God's Word* will prepare women to approach the Bible with confidence and excitement Reaching an audience across racial socio economic denominational and age boundaries these guides will enhance

**Renewing my Mind**, *Unleashing God's Word in Youth Ministry* Barry Shafer, 2009-05-26 Whether Bible studies are a regular part of your ministry or you re thinking about how to bring Bible study into your ministry in a more significant way chances are that you want to help your students enter into God s word in a way that challenges them and changes their lives That s a goal worth working towards but sometimes you will feel like it s a goal that you may never reach Unleashing God s Word in Youth Ministry is designed to help you develop a Bible study approach that engages students on a deeper level even if you re an avid curriculum user or someone who creates all your own discipleship materials from scratch As you devour the wisdom Barry Shafer brings from decades of student ministry and engage in your own study of God s Word you ll discover that Bible study for your students can be taken to a whole new level In the pages of this book you ll Get beyond the typical Bible discussions and learn to confidently engage students in an in depth search of God s Word Teach teens how to study the Bible on their own Be invigorated in your own personal

Evans,2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years      The Sincere Milk Eldermarge,2019-09-17 Those who like to read will agree for decades that the Holy Bible has been the 1 best seller everywhere books are sold The whole world has a love hate relationship going on with this ancient masterpiece It is loved by many who readily and eagerly testify of its life changing Good News Gospel For centuries many have died for it On the other side of the spectrum you have those who vehemently detest and protest its very existence They are those who might kill others because of it The content of the Holy Bible has drawn a virtual line in the sands of time Many have been known to set out determined to prove the fallacy of its content or at best call them old wives tales only to end up as apologists themselves No matter what your present position you will find the unusual contents of this little perhaps insignificant book will cause you to reconsider your position Selah Stop and think about it      Plants Of The Bible Harold N. **on the Selection of Books** Frederic Beecher Perkins, 1877      **The Invisible Things of God** Duke Hammond, 2022-04-06

The Bible doesn't merely suggest it states very clearly that the invisible ways of God's working can be clearly seen. Really, what invisible things of God have you seen? My suspicion is more than you realize. It's not that your eyes can't see. The problem is your mind isn't open. Those who don't see God at work around them aren't blind. They are simply attributing what they see around them to other causes. They may profess themselves to be wise. God calls them fools. For the wrath of God is revealed from Heaven against all ungodliness and unrighteousness of men who hold the truth in unrighteousness because that which may be known of God is manifest in them, for God hath shewed it unto them. For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead, so that they are without excuse. Because that when they knew God, they glorified him not as God; neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools. Romans 1:18-22. My prayer is that you won't be
