The Olivier Sisters Sarah Watling, 2019-05-08 Margery Brynhild Daphne and Noel Olivier were well educated socially privileged precocious striking scandalous engaging and so closely knit that they were the objects of fascination and admiration both during their lives and long after Here Sarah Watling offers a group portrait of the sisters as they lived and negotiated the turbulent changes of the first half of the twentieth century each one devoted to the other but choosing and pursuing her own extraordinary path After a childhood spent in colonial Jamaica where their father was governor the sisters became members of the Neo Pagan group that gathered around the poet Rupert Brooke in Cambridge and helped orchestrate that group's encounters with Bloomsbury Drawn first to Brynhild's oft remarked upon beauty Brooke ultimately fell in love with the schoolgirl Noel complicating the sisters' relationships for years to come Noel would go on to become a medical doctor during World War I Daphne to set up the first Steiner school in England Watling brings the Olivier sisters from the margins to the main stage of history providing a window onto early feminism wartime progressive politics twentieth century medicine's relationship with women and post war culture A Who's Who cast of famous figures of the period rotates through the book including George Bernard Shaw H G Wells C S Lewis and Rudolf Steiner as well as members of the Bloomsbury group including Virginia Woolf and John Maynard Keynes but at the heart of it is a portrait of sisterhood in all its complexities and in all its personal and political guises This is the first book to focus on the Oliviers themselves and to do their rich story full justice

The Crichton Boys Simon Fenwick, 2021-02-25 In 1945 Eddy Sackville West Desmond Shawe Taylor and Eardley Knollys writers for the New Statesman and a National Trust administrator purchased Long Crichton House an old rectory with no electricity and an inadequate water supply In this improbable place the last English literary salon began Quieter and less formal than the famed London literary salons Long Crichton became an idiosyncratic experiment in communal living Sackville West Shawe Taylor and Knollys later joined by the literary critic Raymond Mortimer became members of one another's surrogate families and their companionship became a stimulus for writing for them and their guests Long Crichton's visitors book reveals a Who's Who of the arts in post war Britain Nancy Mitford Benjamin Britten Laurie Lee Cyril Connolly Somerset Maugham E M Forster Cecil Beaton Vita Sackville West and Harold Nicolson who were attracted by the good food generous quantities of drink and excellent conversation For Frances Partridge and James Lees Milne two of the twentieth century's finest diarists Long Crichton became a second home and their lives became bound up with the house Yet there was to be more to the story of the house than what critics variously referred to as a group of hyphenated gentlemen aesthetes and a prose factory In later years the house and its inhabitants were to weather the aftershocks of the Crichton Down Affair the Wolfenden Report and the AIDS crisis The story of Long Crichton is also part of the development of the National Trust and other conservation movements Through the lens of Long Crichton archivist and writer Simon Fenwick tells a wider story of the great upheaval that took place in the second half of the twentieth century Intimate

and revealing he brings to life Long Crichton's golden gossip years and in doing so unveils a missing link in English literary and cultural history

Shakespeare in Bloomsbury Marjorie Garber, 2023-09-26 The untold story of Shakespeare's profound influence on Virginia Woolf and the rest of the Bloomsbury Group For the men and women of the Bloomsbury Group Shakespeare was a constant presence and a creative benchmark Not only the works they intended for publication the novels biographies economic and political writings stage designs and reviews but also their diaries and correspondence their gossip and small talk turned regularly on Shakespeare They read his plays for pleasure in the evenings and on sunny summer afternoons in the country They went to the theater discussed performances and speculated about Shakespeare's mind As poet as dramatist as model and icon as elusive life Shakespeare haunted their imaginations and made his way through phrase allusion and oblique reference into their own lives and art This is a book about Shakespeare in Bloomsbury about the role Shakespeare played in the lives of a charismatic and influential cast including Virginia and Leonard Woolf Vanessa Bell Clive Bell Roger Fry Duncan Grant Lytton Strachey John Maynard Keynes and Lydia Lopokova Keynes Desmond and Molly MacCarthy and James and Alix Strachey All are brought to sparkling life in Marjorie Garber's intimate account of how Shakespeare provided them with a common language a set of reference points and a model for what they did not hesitate to call genius Among these brilliant friends Garber shows Shakespeare was in effect another if less fully acknowledged member of the Bloomsbury Group

The Humanist Movement in Modern Britain Callum G. Brown, David Nash, Charlie Lynch, 2022-12-15 Humanists have been a major force in British life since the turn of the 20th century Here leading historians of religious non belief Callum Brown David Nash and Charlie Lynch examine how humanist organisations brought ethical reform and rationalism to the nation as it faced the moral issues of the modern world This book provides a long overdue account of this dynamic group Developing through the Ethical Union 1896 the Rationalist Press Association 1899 the British Humanist Association 1963 and Humanists UK 2017 Humanists sought to reduce religious privilege but increase humanitarian compassion and human rights After pioneering legislation on blasphemy laws dignity in dying and abortion rights they went on to help design new laws on gay marriage and sex and moral education Internationally they endeavoured to end war and world hunger And with Humanist marriages and celebration of life through Humanist funerals national ritual and culture have recently been transformed Based on extensive archival and oral history research this is the definitive history of Humanists as an ethical force in modern Britain

Arthur Koestler David Cesarani, 1999 Arthur Koestler best known for his world famous novel *Darkness at Noon* stands as a cultural beacon in the post 1945 world Along with Sartre Camus and Orwell he helped to shape the ideas of today This major reassessment based on groundbreaking and comprehensive research sets Koestler's life and thoughts against the tumultuous century he chronicled and explores fully for the first time the continuing drama of his private life as a lover a husband and a Jew David Cesarani paints an explosive portrait of Koestler that bridges the gulf separating public and private life contrasting the work of a genius against the

backdrop of his tormented soul and brutal private life In England Cesarani's revelations led to the removal of Koestler's bust at the University of Edinburgh so strong were the feelings roused by his dissection of Koestler as a thinker and as a man A central European Jew born in 1905 Koestler was molded by his times Uprooted by war and revolution and hounded by prejudice he struggled to make sense of a world on the edge of apocalypse His search for meaning identity and belonging swept him up in the raging ideological torrents of his times Zionism Communism anti Communism and both hard scientific and esoteric mystical pursuits and culminated in an idiosyncratic and deeply personal ideological position that has confused and eluded critics and commentators Equally restless in his personal relationships Koestler made and broke friendships and marriages His violent affairs with women were legendary but until now the shocking details of his private life were hidden from view by loyal friends and obscured by the Olympian prose of his autobiographical writing Cesarani is the first to make unrestricted use of Koestler's private papers He also draws on previously secret documents held by the KGB and FBI which expose the depth of Koestler's involvement in the Communist Party and later his relations with the CIA Once a Communist Koestler eventually rejected Marxism and led the intellectual counterattack that culminated in the fall of the Berlin Wall His speculations on human nature and the future of mankind in the atomic age were stamped upon a generation that lived in the shadow of the bomb But alongside his brilliance and charm was a darker side fully plumbed here for the first time which led ultimately to the tragic dual suicide with his third wife Cynthia in 1983 With Arthur Koestler *The Homeless Mind* David Cesarani has ensured Koestler's place in the pantheon of the intellectual giants of the twentieth century as surely as his forceful provocative and groundbreaking study is guaranteed to reignite the controversy that swirled around Koestler in his life and his death in his work and his actions *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004

Bloomsbury and France Mary Ann Caws, Sarah Bird Wright, 2000 Bloomsbury on the Mediterranean is how Vanessa Bell described France in a letter to her sister Virginia Woolf Remarking on the vivifying effect of Cassis Woolf herself said I will take my mind out of its iron cage and let it swim Complete heaven I think it Yet until now there has never been a book that focused on the profound influence of France on the Bloomsbury group In *Bloomsbury and France* Art and Friends Mary Ann Caws and Sarah Bird Wright reveal the crucial importance of the Bloomsbury group's frequent sojourns to France the artists and writers they met there and the liberating effect of the country itself Drawing upon many previously unpublished letters memoirs and photographs the book illuminates the artistic development of Virginia and Leonard Woolf Clive Bell David Garnett E M Forster Lytton Strachey Dora Carrington and others The authors cover all aspects of the Bloomsbury experience in France from the specific influence of French painting on the work of Roger Fry Duncan Grant and Vanessa Bell to the heady atmosphere of the medieval Cistercian Abbaye de Pontigny the celebrated meeting place of French intellectuals where Lytton Strachey Julian Bell and Charles Mauron mingled with writers and critics to the relationships between the Bloomsbury group and Henri Matisse Pablo Picasso Gertrude Stein Andre Gide Jean Marchand and many others Caws and

Wright argue that Bloomsbury would have been very different without France that France was their anti England a culture in which their eccentricities and aesthetic experiments could flower This remarkable study offers a rich new perspective on perhaps the most creative group of artists and friends in the 20th century **City State** David Kynaston,2010-08-06 An engaging account of the rise and dominance of the City of London arguably the most important phenomenon of British history in the last 300 years The City today is the most dynamic and world beating sector of the British economy Increasingly it is the City that calls the shots More than ever governments and industry are constrained in their conduct by the fear of the judgement of the financial markets This book looks back over the past 20 years and examines the extraordinary rise of this economic entity that is the City of London **The Guardian Index** ,1990 The Canada Year Book Canada.
