Line of Fire Edward Butts, 2009-08-03 Across Canada peace officers put their lives on the line every day From John Fisk in 1804 the first known Canadian policeman killed in the line of duty to the four RCMP officers shot to death in Mayerthorpe Alberta in 2005 renowned true crime writer Edward Butts takes a hard hitting compassionate probing look at some of the stories involving the hundreds of Canadian law enforcement officers who have found themselves in harm's way Some like the four RCMP officers who perished in the Northwest Territories on the

Lost Patrol of 1910 died in horrible accidents while performing their duties Others such as the Mounties involved in the manhunts for Almighty Voice and the Mad Trapper of Rat River found themselves in extremely dangerous violent situations One thing is certain about all of these peace officers they displayed amazing courage and never hesitated to make the ultimate sacrifice for their fellow citizens The Last to Die Robert J. Hoshowsky,2007-04-30 Although they committed separate crimes Arthur Lucas and Ronald Turpin met their deaths on the same scaffold at Toronto s Don Jail on December 11 1962 They were the last two people executed in Canada but surprisingly little was known about them until now This is the first book to uncover the lives and deaths of Turpin a Canadian criminal and Lucas a Detroit gangster The result of more than five years of research The Last to Die is based on original interviews hidden documents trial transcripts and newspaper accounts Featuring crime scene photos and never before published documents this riveting book also reveals the heroic efforts of lawyer Ross MacKay who defended both men and Chaplain Cyril Everitt who remained with them to the end What actually happened the night of the hangings is shrouded by myth and rumour This book finally confirms the truth and reveals the gruesome mistake that cost Arthur Lucas not only his life but also his head *A Passion for Justice* J. Patrick Boyer,2008-07-29 This richly detailed biography illustrates how a determined Canadian seeking justice created an enduring legacy Through vigorous battles Jim McRuer s passion for justice was translated into laws that daily touch and protect the lives of millions today James Chalmers McRuer was not easy to get along with or even much liked by many lawyers who dubbed him Vinegar Jim Yet countless others saw him as heroic inspirational a man above and apart from his times His resolute focus on justice changed the lives of married women with no property rights children without legal protection aboriginals caught in the whipsaw of traditional hunting practices and imposed game laws and prisoners locked away and forgotten Environmental degradation and those causing it murderers stock fraud artists and Cold War spies all came within the ambit of J C McRuer s sharp legal mind and passion for justice Upon turning 75 McRuer embarked on his most important work of all becoming Canada s greatest law reformer and remaining active into his 90s *American Book Publishing Record* ,1998 Blood and Shadows: Canada's Darkest Crimes and Tragedies Robert J Dornan,2025-02-16 History remembers the victories the heroes and the milestones But beneath every nation s triumphs lies a shadowy undercurrent of tragedy crime and loss stories that shaped the past just as much as progress did Blood and Shadows Canada s Darkest Crimes and Tragedies dares to explore these forgotten chapters unveiling the chilling heartbreaking and often overlooked events that have left an indelible mark on the country s history From the deadly wreck of the RMS Atlantic in 1873 to the horror of Cole Polytechnique this collection delves into sixty of Canada s most harrowing moments These are not just distant echoes of the past they are stories of real people real suffering and the resilience that emerged from darkness For readers who crave the hidden truths behind a nation s history this is the first in a groundbreaking series that exposes the tragedies and crimes that have shaped societies around the world For Canadians this book serves as a powerful reckoning a reminder that the country

s polite reputation masks a past as complex and tumultuous as any other Uncover the crimes and catastrophes that history books avoid See Canada s past through a lens of truth not myth Understand how tragedy has shaped national identity This is not just a book about the past it s an invitation to look deeper to question and to remember History is more than victories It s time to shine a light into the shadows *Toronto Neighbourhoods 7-Book Bundle* Mark Osbaldeston,F.R.
