**Stewards of God** Milo Kauffman, 2001-12-28 The great promises of God in his word to his faithful stewards are by no means idle words nor exaggerations God is still waiting to open the windows of heaven and pour out his blessings Kauffman examines the implications of the Bible s teachings regarding the proper stewardships of our lives our abilities and our possessions His emphasis is much broader than money but he makes a vigorous plea for increased giving and assures the reader of new blessings from God Is it fair for one family to have more food than they can eat more money than they can

spend more clothes than they can wear and more houses than they can live in while other families have no food to eat no money to spend only rags to wear and no roof over their heads Christian stewardship demands that we share and that we teach others to share Energy crises depletion of natural resources and the hunger in the world call into question the morality of affluence If humanity is to survive we must become better stewards Those who read this book will develop a new appreciation for God's generosity to us and a new sense of responsibility for making the best use of his gifts *Presbyterian Survey*, 1912 **Effective Workers in Needy Fields by W.
