*The Lady Travelers Guide to Happily Ever After* Victoria Alexander, 2019-08-27 Before there was a Lady Travelers Society there was just one lady traveler Some marry for love Some marry for money But Violet Hagen s quick wedding to irresponsible James Branham heir to the Earl of Ellsworth was to avoid scandal Though her heart was broken when she learned James never wanted marriage or her Violet found consolation in traveling the world at his expense finding adventure and enjoying an unconventional independent life And strenuously avoiding her husband But when James inherits the earldom it comes with a catch Violet To receive his legacy he and Violet must live together as husband and wife convincing society that they are reconciled It s a preposterous notion complicated by the fact that Violet is no longer the quiet meek woman he married But then he s not the same man either Chasing Violet across Europe to earn her trust and prove his worth James realizes with each passing day that a marriage begun in haste may be enjoyed at leisure And that nothing may be as scandalous or as perfect as falling hopelessly in love Especially with your wife Kenneth Charlotte Mary Yonge, 1887

But their restaurant has a secret that's bursting at the seams and if Effie doesn't keep it her job will vanish into the foggy Maine air. In the second Lady Travelers Society romantic misadventure Victoria Alexander delivers on all counts. Inventive, imaginative and intriguing. Stephanie Laurens' 1 New York Times bestselling author. She must secure her future. A lady should never be obliged to think of matters financial. But when Lady Wilhelmina Bascombe's carefree extravagant lifestyle vanishes with the demise of her husband her only hope lies in retrieving a family treasure, a Renaissance masterpiece currently in the hands of a cunning art collector in Venice. Thankfully the Lady Travelers Society has orchestrated a clever plan to get Willie to Europe leading a tour of mothers and daughters and one curiously attentive man. He must reclaim his heritage. Dante Augustus Montague's one passion has long been his family's art collection. He's finally tracked a long lost painting to the enchanting Lady Bascombe. Convinced that the canvas had been stolen he will use any means to reclaim his birthright including deception. But how long before pretend infatuation gives way to genuine desire? Now they're rivals for a prize that will change everything. Willie and Dante know they're playing with fire in the magical moonlit city. Their common quest could compromise them both or lead them to happily ever after.

Alexander's adventurous, sensible and self-assured older women, her energetic exploration of the turn of the 19th century European setting and her madcap social plotting continue to delight in the second installment of the Lady Travelers series. *The Lady Travelers Guide to Scoundrels & Other Gentlemen* Victoria Alexander, 2017-05-23

Alexander spins pure fun in the first full-length installment of her Victorian-era Lady Travelers Guide series. Readers will savor every page. Publishers Weekly starred review: Really, it's too much to expect any normal man to behave like a staid accountant in order to inherit the fortune he deserves to support the lifestyle of an earl. So when Derek Saunders's favorite elderly aunt and her ill-conceived and possibly fraudulent Lady Travelers Society loses one of their members, what's a man to do but step up to the challenge? Now he's escorting the world's most maddening woman to the world's most romantic city to find her missing relative. While India Prendergast only suspects his organization defrauds gullible travelers, she's certain a man with as scandalous a reputation as Derek Saunders cannot be trusted any farther than the distance around his very broad shoulders. As she struggles not to be distracted by his wicked smile and the allure of Paris instead of finding a lost lady traveler, India just may lose her head, her luggage, and her heart. A delightfully humorous romantic adventure, Alexander enhances the missing person's mystery with wonderful descriptions of London and Paris, but best of all is her cast of characters: three charming elderly ladies, two companions, an independent spinster, and a swoon-worthy hero. Add to this several laugh-out-loud escapades and a surprising ending, and you have the fun read of the season. RT Book Reviews: 4 stars. A brilliant and charming tale. Fresh Fiction.
