**The Indian Rebellion, 1857-1859** Kaushik Roy, 2024-12-30 The Indian Rebellion 1857 1859 A Military History in the Global Context focuses on the military dimension of this conflict in which Indian rebels waged both conventional and unconventional warfare against the British In the summer of 1857 British rule almost disintegrated in north India due to the rebellion of the Indians in the Bengal Army The military mutiny was followed by large scale peasant uprising But by mid 1859 the Indian Rebellion collapsed with the military defeat of the rebels This book is the first one based on archival sources both from India and the United Kingdom dealing with the military history of the mid nineteenth century Indian Rebellion The volume wrestles with the questions of why and how the British won ipso facto and why and how the rebels lost The book also situates the military experience of the mid nineteenth century Indian subcontinent within a global context Besides traditional themes like strategy tactics technology command and logistics the topics introduced by new military history such as experiences of war impact on society and the construction of identities are addressed throughout The Indian Rebellion 1857 1859 is essential for students and researchers of military history modern Indian history and British Imperial history

*The History of the Indian Mutiny of 1857-58: Vol 4* Sir John Kaye, Colonel Malleon, 2013-01-07 Volume IV of VI Best edition of the standard work with analytical index in Vol VI Contemporary review from the Athenaeum It only be remarked that Colonel Malleon wields his pen with so much skill that while giving a realistic account of all important operations passing over no really noteworthy act of talent or heroism and acutely criticising everything which demands criticism he abstains from overlaying his narrative with details which would have increased the bulk of his book beyond all reason Another characteristic of Colonel Malleon is that he never hesitates to condemn conduct of which he disapproves or to draw attention to errors which he conceives were committed whatever the rank or position of those who are the objects of his criticism The result is that many of the actors in the drama will find their laurels somewhat injured while others who from official prejudice have not yet received full credit for their exploits obtain from the author due praise for their services The rewards given for the Mutiny were liberal but it is distressing to find that some of them were undeserved while on the other hand many able and gallant men have received no recognition at all There are many highly placed officials whose fame is sadly tarnished by the frank truthful criticisms of the fearless uncompromising author of the book before us

the Boston Athenaeum Boston Athenaeum,1878      *Cult of a Dark Hero* Stuart Flinders,2018-06-14 In September 1857 a member of a religious sect killed himself on hearing the news that the object of his devout observance Nikal Seyn had died Nikal Seyn was in fact John Nicholson the leader of the British assault that recovered Delhi at the turning point of the Indian Rebellion of 1857 What was it about Nicholson that prompted such devotion not just from his religious followers but from the general public And why is he no longer considered a hero The man called The Lion of the Punjab by his contemporaries and compared to General Wolfe of Quebec and even to Napoleon has in recent times been dubbed an imperial psychopath and a homosexual bully Yet his was a remarkable tale of a life of adventure lived on the very edge of the British Empire of a man who was as courageous as he was ruthless as loyal to his friends as he was merciless to those who crossed him But it is also the story of how modern attitudes to race and Empire have changed in the years since he died Previously unpublished material including the diaries of contemporaries and personal letters helps build a new perspective on Nicholson s personality The book considers his sexuality and ambivalent attitude towards religion It traces his murderous thoughts towards the Chief Commissioner of the Punjab John Lawrence and reveals that remarkably the Nikal Seyni cult continued into the 21st century This is the first book length biography of Nicholson for over 70 years A new account of the Irish soldier who became an Indian God an examination of the cult of a dark hero is long overdue      **The Foreign Quarterly Review** ,1858      **Calcutta Review** ,1858      **The Calcutta Review** ,1858      *Catalogue of the Printed Books in the Library of the Faculty of Advocates* Faculty of Advocates (Scotland).
