(Routledge Revivals) Austin E. Quigley, 2015-08-11 Modern plays are strikingly diverse and as a result any attempt to locate an underlying unity between them encounters difficulties to focus on what they have in common is often to overlook what is of primary importance in particular plays to focus on their differences is to note the novelty of the plays without increasing their accessibility In this study first published in 1985 Austin E Quigley takes as his paradigm case the relationship between the world of the stage and the world of the audience and explores various modes of communication between domains He asks how changes in the structure of the drama relate to changes in the structure of the theatre and changes in the role of the audience Detailed interpretations of plays by Pinero Ibsen Strindberg Brecht Ionesco Beckett and Pinter question principles about the modern theatre and establish links between drama structure and theatre structure theme and performance space *Modern Drama in Theory and Practice: Volume 1, Realism and Naturalism* J.
