R Sandford

Eight Sacred Horizons The Religious Imagination East And West:

Eight Sacred Horizons Vernon Ruland, 1985 *Hermeneutics and Hindu Thought: Toward a Fusion of Horizons* Rita Sherma, Arvind Sharma, 2008-05-21

The advent of Hindu Studies coincides with the emergence of modern hermeneutics. Despite this co emergence and rich possibilities inherent in dialectical encounters between theories of modern and post modern hermeneutics and those of Hindu hermeneutical traditions such an enterprise has not been widely endeavored. The aim of this volume is to initiate such an interface. Essays in this volume reflect one or more of the following categories:

- 1 Examination of challenges and possibilities inherent in applying Western hermeneutics to Hindu traditions
- 2 Critiques of certain heuristics used historically to understand Hindu traditions
- 3 Elicitation of new hermeneutical paradigms from Hindu thought to develop cross cultural or dialogical hermeneutics

Applications of interpretive methodologies conditioned by Western culture to classify Indian thought have had important impacts. Essays by Sharma, Bilimoria, Sugirtharajah and Tilak examine these impacts offering alternate interpretive models for understanding Hindu concepts in particular and the Indian religious context in general. Several essays offer original insights regarding potential applications of traditional Hindu philosophical principles to cross cultural hermeneutics. Long, Bilimoria, Klostermaier, Adarkar and Taneja. Others engage Hindu texts philosophically to elicit deeper interpretations. Phillips and Rukmani. In presenting essays that are both critical and constructive we seek to uncover intellectual space for creative dialectical engagement that we hope will catalyze a reciprocal hermeneutics.

The Esoteric Path Luc Benoist, 2005-03

Traditional esoterism though capable of the highest degree of elaboration is based on a few first principles: Absolute Reality, hierarchical manifestation, the necessity for initiation, the centrality of the spiritual Heart etc. which can be stated simply. In *The Esoteric Path* Luc Benoist does just this for the monumental writings of the great metaphysician Ren Guenon. If ever there was a primer on traditional metaphysics and esoterism, one that does not dumb down its subject but rather opens a door to profound spiritual depths waiting to be explored, it is this book. The first section deals in a general way with metaphysical principles, their modes of transmission and the spiritual practices based upon them. The second presents the central principles of such Eastern traditions as Hinduism, Buddhism, Taoism and Islam, and also various forms of Western Esoterism including Eastern Orthodox Hesychasm, Freemasonry, Hermeticism, the Templars, Dante and the *Federati d'Amore*, Meister Eckhart and his school etc. Far more than a bouquet of mystical teachings plucked from various sources designed to titillate the reader's spiritual sensibilities, *The Esoteric Path* firmly situates that Path in its appropriate traditional context so that the seeker's first steps on the path to the Path will be firm and confident and point him or her in the right direction away from the time and soul consuming attractions of those paths that exhibit in the author's words the confusion between the spiritual and the psychic, the identification of the spiritual with what is most inferior in the psyche, the identification of religion with magic, totemism and even sorcery, the popular dissemination of pseudo or counter initiatic rituals. A worthy companion to the biographical *Ren Guenon* and the

Future of the West by Robin Waterfield and the Collected Works of Ren Guon also published by Sophia Perennis The Esoteric Path will be of great value to scholars seekers and anyone searching for a clearer understanding of the great spiritual traditions Luc Benoist is generally considered the most balanced and authentic exponent of Guon's teaching I know of no work in which true scholarship is combined so well with conciseness and comprehensiveness Robin Waterfield

Educating for Intelligent Belief or Unbelief Nel Noddings,1993 One of the most enduring and controversial issues in American education concerns the place of individual beliefs and moral standards in the classroom Noddings argues that public schools should address the fundamental questions that teenagers inevitably raise about the nature value and meaning of life and death and to do so across the curriculum without limiting such existential and metaphysical discussions to separate religion philosophy or even history classes Explorations of the existence of a God or gods and the value and validity of religious belief for societies or individuals she writes whether they are initiated by students or teachers should be part of the free exchange of human concerns a way in which people share their awe doubts fears hopes knowledge and ignorance Such basic human concerns Noddings maintains are relevant to nearly every subject and should be both non coercive and free from academic evaluation Nel Noddings probes the many ways in which children's questions about God and gods existence and the meaning of life can and should be integrated into life in classrooms and the real world of the public schools From the Foreword This is a rich and sensitive book that will give teachers administrators parents philosophers of education any concerned citizen the basis for more substantial discussion and concrete proposals Free Inquiry Impressive in its sweep of possibilities for exploration in the school curriculum and teacher education Educational Theory Pacific Affairs ,1986

The Chemistry of Mind-altering Drugs Daniel M. Perrine,1996 This fascinating book presents a scientifically objective and thoroughly documented exposition of the pharmacological and psychological effects of nearly every known substance that affects human consciousness from alcohol to Zopiclone It also features first hand accounts and descriptions of the social cultural and religious milieus in which many psychotropic plants are used and discusses historical allusions to many literary and scientific figures who used or wrote of mind altering drugs including Freud Dickens Yeats and Huxley Intended for a wide audience of general readers seeking unbiased information the book gives an accessible explanation of drug receptor interaction and organic chemical structures as well as descriptions of the discovery isolation and syntheses of the chemical substances responsible for drug activity Written by an experienced chemist the book nevertheless keeps technical information to a minimum Horizons ,1984 *The Journal of Philosophy* ,1986 **The Philosophical Review** ,1986

Elenchus of Biblica ,1985 *Elenchus bibliographicus* ,1987 **Sacred Lies and Silences** Vernon Ruland,1994 A Michael Glazier book Includes bibliographical references p 141 148 and index *Asian Religious Studies Information* ,1987

Chinese Religion Gary Seaman,1993 *The Catholic Periodical and Literature Index* ,2009 **Imagining the Sacred** Vernon Ruland,1998 Imagining the sacred helps readers expand their imagination and experience what it means to live

wonder think and pray from within a religious tradition other than one's own As neighborhood skylines in every region in the world grow richer with a montage of church spires mosques synagogues and temples Ruland surveys this living and evolving religious world Christianity and the Encounter with Other Religions S. Immanuel David,1988 *Personality and Adversity* Carolyn L. Vash,1994 The author draws on her own experiences as a person with severe disabilities to bring us this book The main theme centers on adversity as a catalyst for psychospiritual growth Using her artistic creativity the author incorporates ideas from philosophy religion literature and art to provide effective strategies for coping with disabilities
 International Philosophical Quarterly ,1985 Exploring Soul & Society Maximo T. Kalaw,1997

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Eight Sacred Horizons The Religious Imagination East And West**

In a global inundated with screens and the cacophony of quick communication, the profound energy and emotional resonance of verbal beauty usually disappear in to obscurity, eclipsed by the regular onslaught of sound and distractions.
