Revista de Buenos Aires, 1870 **La Rivista de Buenos Aires**, 1871 The Argentine Novel in the Nineteenth Century Myron I. Lichtblau, 1959

Escritoras latinoamericanas Lucía Guerra, 2021-09-01 En este libro se traza una genealogía de la escritura de mujer dentro de los contextos culturales e ideológicas feministas hasta fines del siglo XX Durante el siglo XIX frente a una hegemonía masculina creadora de formatos literarios discursos e imaginarios la única alternativa estética de las escritoras fue la imitación agregando matices y cuestionamientos en una mímica subversiva que denunció el lugar subalterno de la mujer Esta estrategia escritural dio paso en el siglo XX a reapropiaciones y a la inscripción del cuerpo como plataforma de procesos de subjetivación y de un discurso de la sexualidad desde una perspectiva femenina que además cuestiona los paradigmas androcéntricos de la heterosexualidad la identidad y el saber Entre los hitos literarios analizados se destacan las injustas diferencias de género Gertrudis Gómez de Avellaneda Juana Manuela Gorriti Rosario Castellanos la legitimación del cuerpo como signo identitario Teresa de la Parra María Luisa Bombal Armonía Somers Rosario Ferré la autonomía social y cultural Mercedes Valdivieso y la inscripción de un discurso lesbiano Reina Roffé Irene González Frei Resulta entonces un libro clave para la comprensión de la trayectoria narrativa de la mujer latinoamericana desde una perspectiva teórica que permite conocer la dinámica histórica de las relaciones de género

The Oxford Handbook of the Latin American Novel Juan E. De Castro, Ignacio López-Calvo, 2023 The Latin American novel burst onto the international literary scene with the Boom era led by Julio Cortázar Gabriel García Márquez Carlos Fuentes and Mario Vargas Llosa and has influenced writers throughout the world ever since García Márquez and Vargas Llosa each received the Nobel Prize in literature and many of the best known

contemporary novelists are inspired by the region's fiction. Indeed, magical realism, the style associated with García Márquez, has left a profound imprint on African American, African Asian, Anglophone Caribbean, and Latinx writers. Furthermore, post-Boom literature continues to garner interest from the novels of Roberto Bolaño to the works of César Aira and Chico Buarque to those of younger novelists such as Juan Gabriel Vásquez, Alejandro Zambra, and Valeria Luiselli. Yet for many readers, the Latin American novel is often read in a piecemeal manner, delinked from the traditions, authors, and social contexts that help explain its evolution. The Oxford Handbook of the Latin American Novel draws literary, historical, and social connections so that readers will come away understanding this literature as a rich and compelling canon. In forty-five chapters by leading and innovative scholars, the Handbook provides a comprehensive introduction helping readers to see the region's intrinsic heterogeneity; for only with a broader view can one fully appreciate García Márquez or Bolaño. This volume charts the literary tradition of the Latin American novel from its beginnings during colonial times, its development during the nineteenth and the first half of the twentieth century, and its flourishing from the 1960s onward. Furthermore, the Handbook explores the region's representations of identity, narrative trends, and authors that make this literature so diverse and fascinating, reflecting on the Latin American novel's position in world literature.

Between civilization & barbarism Francine Masiello, 1992. Evoking the famous watchwords of Argentine president Domingo Sarmiento (1868-74), *Between Civilization and Barbarism* explores the positioning of women within the Argentine nation and argues that women neither sought alliance with the civilizing agenda of leading statesmen nor found identity in the extreme poses of barbarism to which some intellectuals had condemned them. Instead, women used literary and political texts to surpass the tightly outlined roles assigned to them. Beginning with literary and journalistic texts written by and about women from the time of Sarmiento, Francine Masiello traces strategic shifts in the discourse on gender at moments of national crisis. She considers not only novels and guides to female behavior written by and for privileged women but also newspapers and political tracts produced by women of the working class. Extending her study into the urban expansion and modernization of the 1920s, Masiello explores the nature of gender relations posited in treatises on crime and public disorder and in the texts of avant-garde and social realist writers. In addressing such representations of women as well as the effects of ideology and history on writing, Masiello offers bold new insights into the development of Latin American women's literature and illuminates the role of women in forming the culture of present-day Argentina.

Women Writers in the Romantic Age John Claiborne Isbell, 2025-04-17. This groundbreaking book offers a comprehensive review of six hundred and fifty women writers from over fifty national traditions spanning Europe and the Americas during the transformative years of 1776 to 1848. Framed by revolutionary upheavals, the book explores how women writers shaped and reflected Romanticism's global currents. It fills a critical scholarly gap, connecting disparate traditions and uncovering voices often overlooked in male-dominated literary histories. Through concise entries, the book names every woman writer identified in its vast research, from celebrated figures like Phillis Wheatley to lesser-known authors whose

manuscripts lay buried in archives Each entry provides essential biographical details while select excerpts in seventeen languages bring these voices to life revealing how women navigated the era s revolutionary ideals and patriarchal barriers Structured democratically the volume treats all writers equally whether anonymous pseudonymous or celebrated in their time It highlights their diverse experiences poets and novelists abolitionists and suffragists mothers and mill workers From memoirs to political tracts their works testify to the rich tapestry of women s contributions to Romanticism By illuminating these stories this book challenges national silos offering a panoramic view of Romanticism as a truly transnational female inclusive phenomenon It represents a go to resource for students and interested readers while setting the ground for future scholars to expand this vital field of study

[Historia del General Martín Güemes... Tomo I](#) Bernardo Frías, 2019-10-30 En adhesi n a la conmemoraci n del A o del Bicentenario del Paso a la Inmortalidad del H roe Nacional General Mart n Miguel de G emes la Editorial Universitaria junto a la Secretar a de Cultura de la Provincia y la Comisi n Provincial del Bicentenario ofrecen acceso libre y gratuito a la obra completa del Dr Bernardo Fr as seis tomos la que ser liberada en tandas de 1 tomo cada 15 d as a partir del 1o de abril de 2021 Sobre la obra La obra recorre la historia de la independencia argentina desde los primeros a os de la Colonia hasta la organizaci n de la Rep blica Por la amplitud de su abordaje de la sociedad colonial por la incisiva contextualizaci n del escenario donde se libraron las batallas fundamentales de la Independencia por la prodigalidad de situaciones y personalidades que expone y por la minuciosa descripci n de la compleja sociedad en la que comenz a gestarse el Estado nacional es y seguir siendo la investigaci n m s completa a la que una y otra vez recurrir n quienes se interesen por develar el per odo m s importante de la historia de la Naci n Argentina Tomo I La sociedad bajo el antiguo r gimen La Revoluci n de Mayo Pronunciamiento de Salta
