El Salvador Steffen W. Schmidt,1983 **The Salvadoran Officer Corps and the Final Offensive of 1981** Brian J. Bosch,2013-02-22 The final offensive an insurgent campaign fought after El Salvador s coup of 1979 clearly demonstrated the strengths weaknesses idiosyncrasies and behavior of the Salvadoran officer corps During this crucial period the military institution faced the double threat of internal politics and a rebel guerrilla army Colonel Bosch served as the U S Embassy s Defense and Army Attach during the crisis His intimate perspective brings to life the important political and military events before during and after the final offensive His book also offers an historical perspective of officer attitudes from 1931 to 1979 The Armed Forces political crisis of 1979 and 1980 is discussed followed by a detailed analysis of the final offensive the short lived cohesiveness shown by the officer corps and the divisiveness that lasted through the war and into peace The text is complemented by a map and photographs *The Salvador Option* Russell Crandall,2016-05-23 This book offers a thorough and fair minded interpretation of the role of the United States in El Salvador s civil war **America's Dirty Wars** Russell Crandall,2014-04-28 This book examines the long complex experience of American involvement in irregular warfare It begins with the American Revolution in 1776 and chronicles big and small irregular wars for the next two and a half centuries What is readily apparent in dirty wars is that failure is painfully tangible while success is often amorphous Successfully fighting these wars often entails striking a critical balance between military victory and politics America s status as a democracy only serves to make fighting and to a greater degree winning these irregular wars even harder Rather than futilely insisting that Americans should not or cannot fight this kind of irregular war Russell Crandall argues that we would be better served by considering how we can do so as cleanly and effectively as possible **Salvadorans in America** Kathiann M.
