Worlds Within and Worlds Without Michael Jackson,2023-04-15 Anthropologist Michael Jackson predicates his intellectual autobiography Worlds Within and Worlds Without on the view that works and lives are intimately entangled Through a skillful interweaving of personal and ethnographic descriptions he focuses on the imaginative and practical ways human beings negotiate the space between worlds they call their own and worlds they regard as lying beyond their immediate purview Whether the worlds that elude our empirical grasp are identified with divinities or the dead ether or earth history or myth the Internet or the nation state we experience them ambivalently as potential sources of wellbeing and as

Editing and examining source critically for the first time the Late Babylonian ritual texts dealing with the New Year Festival this book proposes an incisive re interpretation of the most frequently discussed of all Mesopotamian rituals The festival s twelve day paradigm is dissolved in favor of a more historically dynamic model with the ritual texts being firmly anchored in the Hellenistic period As part of a larger group of texts constituting what can be called Late Babylonian Priestly Literature they reflect the Babylonian priesthoods fears and aspirations of that time much more than an actual ritual reality
