Electric Folk Revival And Transformation Of English Traditional Music

Ying Liu

Electric Folk Revival And Transformation Of English Traditional Music:

Electric Folk Britta Sweers, 2005-01-13 In the 1960s and 1970s a number of British musicians rediscovered traditional folk ballads fusing the old melodies with rock jazz and blues styles to create a new genre dubbed electric folk or British folk rock This revival featured groups such as Steeleye Span Fairport Convention and Pentangle and individual performers like Shirley Dolly Collins and Richard Thompson While making music in multiple styles they had one thing in common they were all based on traditional English song and dance material These new arrangements of an old repertoire created a unique musical voice within the popular mainstream After reasonable commercial success peaking with Steeleye Span's Top 10 album All Around My Hat Electric Folk disappeared from mainstream notice in the late 1970s yet performers continue to create today In *Electric Folk The Changing Face of English Traditional Music* Britta Sweers provides an illuminating history and fascinating analysis of the unique features of the electric folk scene exploring its musical styles and cultural implications Drawing on rare historical sources contemporary music journalism and first hand interviews with several of electric folk's most prominent artists Sweers argues that electric folk is both a result of the American folk revival of the early 1960s and a reaction against the dominance of American pop music abroad Young British folk rockers such as Richard Thompson and Maddy Prior turned to traditional musical material as a means of asserting their British cultural identity Yet unlike many American and British folk revivalists they were not as interested in the purity of folk ballads as in the music's potential for lively interaction with modern styles instruments and media The book also delves into the impact of the British folk rock movement on mainstream pop American rock music and neighboring European countries Ultimately Sweers creates a richly detailed portrait of the electric folk scene as cultural phenomenon commercial entity and performance style **The SAGE**

International Encyclopedia of Music and Culture Janet Sturman, 2019-02-26 The SAGE Encyclopedia of Music and Culture presents key concepts in the study of music in its cultural context and provides an introduction to the discipline of ethnomusicology its methods concerns and its contributions to knowledge and understanding of the world's musical cultures styles and practices The diverse voices of contributors to this encyclopedia confirm ethnomusicology's fundamental ethos of inclusion and respect for diversity Combined the multiplicity of topics and approaches are presented in an easy to search A-Z format and offer a fresh perspective on the field and the subject of music in culture Key features include Approximately 730 signed articles authored by prominent scholars are arranged A to Z and published in a choice of print or electronic editions Pedagogical elements include Further Readings and Cross References to conclude each article and a Reader's Guide in the front matter organizing entries by broad topical or thematic areas Back matter includes an annotated Resource Guide to further research journals books and associations an appendix listing notable archives libraries and museums and a detailed Index The Index Reader's Guide themes and Cross References combine for thorough search and browse capabilities in the electronic edition **Sound Recording in Post-War British Folk** Matthew Ord, 2025-04-03 Recording technologies

shaped the sound and meaning of 20th century folk music in Britain constructing a sonic aesthetics of authenticity in an era of rapid technological and social transformation The folk revival that changed the sound of 20th century British popular music was sustained by a varied and innovative recording culture For many listeners the sound of folk on record presented a real sound in an age of studio artifice asserting the value of face to face performance over technologically mediated consumption At the same time the folk movement benefitted from rapid advances in recording and media technology encompassing a range of sonic practices including radio documentary commercial studio production and field recording Within the revival as a cultural movement recordings and the act of recording itself reflected and shaped the meaning of the music for musicians and their audiences as they developed new aesthetic practices and explored the expressive potential of recorded sound Sound Recording in Post War British Folk traces how folk s recording culture was shaped by beliefs about music technology and society becoming a key site for the articulation of aesthetic cultural and political values Ord brings together theoretical approaches from musicology social semiotics and science and technology studies and draws upon interviews with musicians and producers to explore the place of recording in 20th century folk and popular music and raise larger questions about the relationship between music recording technologies and cultural political movements *English*

Dance and Song ,2008 **A History of Twentieth-Century Music in a Theoretic-Analytical Context** Elliott

Antokoletz,2014-03-14 A History of Twentieth Century Music in a Theoretic Analytical Context is an integrated account of the genres and concepts of twentieth century art music organized topically according to aesthetic stylistic technical and geographic categories and set within the larger political social economic and cultural framework While the organization is topical it is historical within that framework Musical issues interwoven with political cultural and social conditions have had a significant impact on the course of twentieth century musical tendencies and styles The goal of this book is to provide a theoretic analytical basis that will appeal to those instructors who want to incorporate into student learning an analysis of the musical works that have reflected cultural influences on the major musical phenomena of the twentieth century Focusing on the wide variety of theoretical issues spawned by twentieth century music A History of Twentieth Century Music in a Theoretic Analytical Context reflects the theoretical analytical essence of musical structure and design *Das Revival der*

traditionellen gälischen Musik Schottlands Martin Schröder,2024-06-04 Die traditionelle g lische Musik Schottlands feiert ein Revival Martin Schröder betrachtet mit Runrig und Capercaillie zwei der bedeutendsten Folkgruppen des Landes Dabei analysiert er erstmals deren Werk und das ihrer musikalischen Wegbereiter und untersucht es im Kontext musikalischer Revivalbewegungen Mithilfe zeitgen ssischer Zeitungs und Zeitschriftenartikel Rezensionen zahlreicher Transkriptionen von Ausschnitten der Werke beider Bands sowie einer Vielzahl von Interviews u a mit dem Runrig Gr nder Calum Macdonald und dem ehemaligen Leads nger Donnie Munro zeichnet er so ein vielgestaltiges Meinungsbild zur Entwicklung der traditionellen g lischen Musik in Geschichte und Gegenwart **The Oxford Handbook of Music Revival** Caroline Bithell,Juniper

Hill, 2014 Why is music from the past significant today and how has it been transformed to suit new values and agendas This volume examines the globally recurrent cultural processes of revival resurgence restoration and renewal Interdisciplinary perspectives shed new light on authenticity recontextualization transmission institutionalization globalization and post revival legacies **EDS.**, 2004 **Sound Tracks** John Connell, Chris Gibson, 2003-09-02 Sound Tracks is the first comprehensive book on the new geography of popular music examining the complex links between places music and cultural identities It provides an interdisciplinary perspective on local national and global scenes from the Mersey and Icelandic sounds to world music and explores the diverse meanings of music in a range of regional contexts In a world of intensified globalisation links between space music and identity are increasingly tenuous yet places give credibility to music not least in the country and music is commonly linked to place as a stake to originality a claim to tradition and as a marketing device This book develops new perspectives on these relationships and how they are situated within cultural and geographical thought

Forthcoming Books Rose Arny, 2004 **Folk Song** Ian Russell, David Atkinson, 2004 Over the last thirty years there have been very few volumes published in the UK devoted to the study of folk song and the folk song revival much of the research in the field appearing in the pages of the Folk Music Journal or coming from North America This extensive collection of papers while not comprehensive is intended in part to fill this void and to make a contribution to the field of study It is the unashamed product of a major conference to mark the centenary of the founding of the Folk Song Society held at the University of Sheffield 10-12 July 1998 and organised jointly by the University's Department of Music and National Centre for English Cultural Tradition together with the English Folk Dance and Song Society the successor to the Folk Song Society since its merger with the English Folk Dance Society in 1932 p 1 *Folk Music Journal*, 2006 *A New History of American and Canadian Folk Music* Dick Weissman, 2019-09-05 Building on his 2006 book Which Side Are You On Dick Weissman's A New History of American and Canadian Folk Music presents a provocative discussion of the history evolution and current status of folk music in the United States and Canada North American folk music achieved a high level of popular acceptance in the late 1950s When it was replaced by various forms of rock music it became a more specialized musical niche fragmenting into a proliferation of musical styles In the pop folk revival of the 1960s artists were celebrated or rejected for popularizing the music to a mass audience In particular the music seemed to embrace a quest for authenticity which has led to endless explorations of what is or is not faithful to the original concept of traditional music This book examines the history of folk music into the 21st century and how it evolved from an agrarian style as it became increasingly urbanized Scholar performer Dick Weissman himself a veteran of the popularization wars is uniquely qualified to examine the many controversies and musical evolutions of the music including a detailed discussion of the quest for authenticity and how various musicians critics and fans have defined that pursuit **World Music: Africa, Europe and the Middle East** Simon Broughton, Mark Ellingham, Richard Trillo, 1999 First published in 1994 in one volume An A-Z of the music musicians and

discs 2006 edition available as an e book Down the Highway Howard Sounes,2011-05-24 The acclaimed biography now updated and revised Many writers have tried to probe Dylan s life but never has it been done so well so captivately The Boston Globe Howard Sounes s Down the Highway broke news about Dylan s fiercely guarded personal life and set the standard as the most comprehensive and riveting biography on Bob Dylan Now this edition continues to document the iconic songwriter s life through new interviews and reporting covering the release of Dylan s first 1 album since the seventies recognition from the Pulitzer Prize jury for his influence on popular culture and the publication of his bestselling memoir giving full appreciation to his artistic achievements and profound significance Candid and refreshing Down the Highway is a sincere tribute to Dylan s seminal place in postwar American cultural history and remains an essential book for the millions of people who have enjoyed Dylan s music over the years Irresistible Finally puts Dylan the human being in the rocket s red glare Detroit Free Press Yearbook for Traditional Music ,2007 Includes record reviews *All Music Guide* Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre Popular Music in Japan Toru Mitsui,2020-07-09 Popular music in Japan has been under the overwhelming influence of American Latin American and European popular music remarkably since 1945 when Japan was defeated in World War II Beginning with gunka and enka at the turn of the century tracing the birth of hit songs in the record industry in the years preceding the War and ranging to the adoption of Western genres after the War the rise of Japanese folk and rock domestic exoticism as a new trend and J Pop Popular Music in Japan is a comprehensive discussion of the evolution of popular music in Japan In eight revised and updated essays written in English by renowned Japanese scholar Toru Mitsui this book tells the story of popular music in Japan since the late 19th century when Japan began positively embracing the West Yearbook of the International Folk Music Council ,1985 **Electric Folk** Britta Sweers,2005-01-13 Britta Sweers chronicles the history of the genre and explores its cultural implications She characterizes electric folk as both a result of the American folk revival of the early 1960s and a reaction against the dominance of American pop music abroad

Electric Folk Revival And Transformation Of English Traditional Music Introduction

In the digital age, access to information has become easier than ever before. The ability to download Electric Folk Revival And Transformation Of English Traditional Music has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Electric Folk Revival And Transformation Of English Traditional Music has opened up a world of possibilities. Downloading Electric Folk Revival And Transformation Of English Traditional Music provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Electric Folk Revival And Transformation Of English Traditional Music has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Electric Folk Revival And Transformation Of English Traditional Music. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Electric Folk Revival And Transformation Of English Traditional Music. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Electric Folk Revival And Transformation Of English Traditional Music, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Electric Folk Revival And Transformation Of English Traditional Music has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Electric Folk Revival And Transformation Of English Traditional Music Books

What is a Electric Folk Revival And Transformation Of English Traditional Music PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Electric Folk Revival And Transformation Of English Traditional Music PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Electric Folk Revival And Transformation Of English Traditional Music PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Electric Folk Revival And Transformation Of English Traditional Music PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Electric Folk Revival And Transformation Of English Traditional Music PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
