**Protect Your Wealth from the Ravages of Inflation** Paul M. King, 2011-10-18 *Protect Your Wealth from the Ravages of Inflation* is for people who have financial assets to protect in an unpredictable inflationary environment Maybe you have tried traditional financial advice financial planning and passive investment management techniques and you re still losing ground Maybe you re worried that by the time you need to use it your retirement fund will be worth less than your total contributions Maybe you believe that high inflation will significantly decrease your standard of living in the future Maybe all of these issues apply to you Don t despair help is at hand *Protect Your Wealth from the Ravages of Inflation* is a concise no nonsense straightforward guide that will help you to do three things

- 1 Ensure that your emergency fund will still have some purchasing power when you need it

Emergency funds sitting in checking accounts or near cash investments will just be eaten away by inflation There is a better way to give you access to the cash you need when you need it This book shows you how

- 2 Insulate you from significant changes in the strength of your home currency

If all your income and expenses are in a single currency like the U S dollar you run a significant risk that your home country currency will lose value Currency risk in your income purchasing power and working capital is often overlooked until it s too late to do anything about it This book deals with this issue and gives you easy to follow advice to protect the value of your money

- 3 Generate a better risk adjusted return in your investment accounts

Buying a basket of stocks and mutual funds and then performing the traditional annual rebalancing of a diversified portfolio

just doesn't generate the returns most people require from their investments. This book shows you simple powerful and sophisticated techniques you can use to manage your investment accounts more effectively and without making it a full time job. Protect Your Wealth from the Ravages of Inflation can't guarantee that you will meet your financial goals but it can guarantee that your odds of success will be significantly increased if you follow its advice. The book Explains why traditional investing methods virtually guarantee a negative rate of return in real terms. Illustrates the pernicious effect of inflation on an average investor's portfolio and why an inflationary period may be in the offing. Provides a three step process to withstand emergencies protect your liquid assets and produce a superior risk adjusted return on a stock portfolio compared with conventional investing methods.
