Amethyst Faye was six years old she was almost stolen by a monster in the woods on the same night her mother mysteriously disappeared Ten years a half dozen psychiatrists and a slew of diagnoses haven't made things any better she is still plagued by nightmares ridiculed at school and misunderstood by everyone from her teachers to her counselor to her father And lately she's been sprouting thick green thorns out of her skin When the paranoia doesn't end and the treatment options run out she's faced with a choice between inpatient treatment or spending the summer with a grandmother she hasn't heard from in a decade Summer at Grand's in Morgan Springs wins out just barely and only because a backwater town sounds marginally more interesting than a mental institution Amethyst draws the attention of Ben the boy of her dreams and Absynth the creature from her nightmares Although neither of them is what she expected Amethyst realizes both Ben and Absynth are exactly what she needs to heal her heart and harness the fairy magic she's inherited Unfortunately for Amethyst trying to walk both paths could get her killed but having to choose between them is far worse GARDEN OF THORNS AND LIGHT is an exiting new fantasy where sometimes it's OK to be the monster Garden of Thorns Keary Taylor,2017-01-14 **The American Garden** ,1890 **Genesis, Science, and the Beginning** Benjamin D. Smith Jr.,2018-08-29 Christian apologist Ben Smith believes that the creation account in Genesis 1 can be read literally and historically as a real week of seven normal days without contradicting modern astronomy and geology regarding the age of the universe and Earth Many Christians are divided over how to reconcile Genesis with modern science and this book evaluates all of the major options ultimately concluding that the Bible allows for an old universe and Earth in a way that is also scientifically accurate A former Young Earth creationist Smith now believes that the age of creation is not specified in the Bible and therefore scientists are free to answer the question He believes that Christians should not hide from the controversy over the age of the Earth but should take a fresh look at the text and be impressed with its accuracy **The Gulistān, Or, Rose-garden of Shekh Muṣliḥu'd-Dīn Sādī of Shīrāz** Sa'dī,Edward Backhouse Eastwick,1852
