*Gardening from Berryfields* Montagu Don, Monty Don, 2005 Using the main projects undertaken at Berryfields the Gardeners World garden this book guides the reader through a year of gardening giving practical advice so that they can use Berryfields as a template for managing their own green spaces The book is divided into thirteen chapters cleverly distilling all the information that is packed into each episode of Gardeners World and drawing on the immense horticultural experience of Monty Don the show's main presenter *My Garden World* Monty Don, 2020-09-17 THE SUNDAY TIMES BESTSELLER BEST GARDENING BOOKS OF 2020 Sunday Times Every page a joy NIGEL SLATER From a very early age I loved the countryside as much as any garden and was fascinated by the life that I saw all around me from trees wildflowers birds insects and mammals In a sense this book has been over sixty years in gestation I have kept notebooks and journals ever since I could write and I have drawn upon these as well as the events of the past year Spend a year with Monty Don *My Garden World* is a celebration of every living creature and the natural world that we all share Recent times have given us the enforced opportunity to learn more about the fascinating natural world around us Whether you live in the countryside or the town Monty's observations and insights are relevant to each and every one of us *My Garden World* is Monty Don's personal journey through the natural year month by month season by season observed from the immediate world around him Wildlife is not something that we watch happening in remote and exotic parts of the world on our screens but right here in our own back yards and the more that we encourage it and learn to live with it the more rewarding it becomes If in our own modest back yards we can help preserve and treasure our natural world then we will make the world a better place not just for ourselves but for every living creature **Joe's Allotment** Joe Swift, 2012-05-31 With hardly any previous veg growing experience and even less time when *Gardener's World* design guru Joe Swift decided to take on a 250 sq metre allotment in north London some people thought he was mad But with hard work and dedication in less than a year Joe created his very own urban oasis and a source of delicious fresh organic produce for himself and his family In this book Joe takes us through every stage of his education as an allotment gardener from putting his name on the council waiting list to harvesting his first crops He reveals everything he's learned about acquiring a plot clearing the site planning the beds and planting nurturing and protecting his fruit and vegetables All the techniques he has mastered are described and illustrated step by step Joe also introduces us to his Veg Heroes like Monty Don and Geoff Hamilton fellow plot holders with years of experience and the crops to show for it who inspired Joe to take up veg growing in the first place And he shares with us his enjoyment of allotment gardening the combination of hard work fresh air and a sense of community that makes his plot such a special place to be Whether you are an established allotment gardener or are thinking of putting your name down for a plot Joe's Allotment will provide you with a wealth of advice and inspiration **Nigel** Monty Don, 2016-09-22 THE SUNDAY TIMES BESTSELLER When Monty Don's golden retriever Nigel became the surprise star of BBC Gardeners World inspiring huge
