

It's not that he doesn't have plenty to think about. Garfield could ponder the fact that he's the most popular cat in feline history. He could contemplate how many books he's had on bestseller lists from coast to coast—and how each new one is greeted with delight by his millions of fans. He could even examine his soul to discover why he's so funny, so mean to Odie, so nice to Nermal, and so exasperating and lovable to Jon.

Maybe he does think about all those things. But mostly, the one and only Garfield thinks about the subject he loves best.
