The Gargoyle on the Roof, 1999-09-30 Presents poems about gargoyles vampires the bogeyman gremlins and other monsters

Beauty and the Gargoyle Amelia Shaw, During the last attack on him and his brothers Rafael Mansovich was turned into a monster His face and upper body are badly scarred and the PTSD of the attack has left him trembling at the idea of being frozen in his Gargoyle form every day But he has no choice because as soon as the sun rises in the morning he is transformed into a real stone beast Isabella is the head librarian at the New York City Library and she loves her quiet life away from the corporate rat race But when she meets a spectacular man with silver eyes and an attraction she can't fight she's thrown into a world where winged creatures are being hunted and shifters are a very real thing Can Isabella's love reach Rafael or will her heartbroken beast not care if his attackers find him once more this book is part of a re launch and re brand and was originally published under the pen name Tamsin Baker

The Gargoyle Shifters of New York City Amelia Shaw, Four gargoyle shifter brothers Four steamy romance stories One epic conclusion A modern day paranormal twist on the tales as old as time Perched high above the bustling streets of New York City a band of unlikely brothers watch and wait bound in their stone forms by the light of day But when the sun sets the gargoyle shifters that call the New York State Library their home come alive set free by the night Knight in Shining Stone As a waitress in the city that never sleeps Christiana is shackled by the restraints of a dead end job until the night a strange man with shining silver eyes walks into her restaurant and changes her life forever Beauty and the Gargoyle As head librarian at the New York State Library Isabella loves her quiet life away from the corporate rat race But when she meets a spectacular man with silver eyes she's thrown into a world of the paranormal Sleeping Stone As the heir to an immense fortune Rose Hilton is the envy of women all over the world including her stepmother When malice stirs an unexpected hero with silver eyes comes to her aid someone not entirely human Her Gargoyle and the Seven Orphans As the foster mother of seven disadvantaged children Angelique is content making a life for her patchwork family The last thing she expects is to meet a handsome stranger with startling silver eyes to turn her world upside down The Gargoyles Ever After With danger lurking at every corner the Beloved couples are in for the battle of their lives The gargoyles are still being hunted and it's going to take true love and no small amount of ingenuity to overcome the evil that's plaguing them Get lost in the pages of these familiar yet spicy and twisted fairy tales that promise Happily Ever Afters the likes of which you never imagined
