living stream of history We have been at war with Metternich and Bismarck We have fought for the principles of 1688 and 1789 We have settled the undecided issue of 1848 Cavour and Garibaldi gave us Italy for an ally while Washington and Lincoln gave us America The tombs were uncovered the dead came to war Each nation proved to be that which its forefathers had made it Because of the strange romantic history recorded in these volumes Italy in our day fought on the side of freedom But for that history she would still have been a province of germanised Austria About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
