The Cult of Draupadi, Volume 1 Alf Hiltebeitel, 1988 This is the first volume of a projected three volume work on the little known South Indian folk cult of the goddess Draupadi and on the classical epic the Mahabharata that the cult brings to life in mythic ritual and dramatic forms Draupadi the chief heroine of the Sanskrit Mahabharata takes on many unexpected guises in her Tamil cult but her dimensions as a folk goddess remain rooted in a rich interpretive vision of the great epic By examining the ways that the cult of Draupadi commingles traditions about the goddess and the epic Alf Hiltebeitel shows the cult to be singularly representative of the inner tensions and working dynamics of popular devotional Hinduism **Santa Fe Light** Richard Leviton, 2009-04 ART CAPITAL TOURIST DESTINATION MODERN ADOBE CITY SANTA FE NEW MEXICO NOW MAY ALSO BE ONE OF AMERICA S MOST IMPORTANT SACRED SITES Santa Fe the City Different has deeply excited visitors for over a hundred years with its crystal blue skies Blood of Christ mountains pure dry air old adobe charm and beautiful light But this high desert State capital and artists haven may also be a Land of Light a premier landscape of multiple sacred sites and heightened spiritual charge People love this place they say for its uplifting spiritually leavening effect for how it starts a process of transformation healing deep change and self reinvention People revere this place as an axis of creativity a hotbed of innovation and a paramount center for recreating culture and spirituality capable of inspiring the world Santa Fe Light explains why An able travel guide it takes you to 111 different locations and their Light temples in and around Santa Fe numinous places usually only encountered in myths or dreams And it proposes that the observed social qualities of Santa Fe its livability might be due to this fabulous visionary geography alluringly just beyond the veil of our ordinary perception Richard Leviton an investigator of visionary terrains for over 25 years provides firsthand accounts of what it s like inside all these Light temples what it s possible to see and experience and how they co create Santa Fe reality The total impact of these on awareness and the feeling for life here he calls Santa Fe Light Touch one Light temple and you open a door into the universe and you suddenly find immediately practical ways to help the campaign with Gaia to restore the Earth *The Dragon and the Rainbow* Robert Blust, 2023-08-21 Modernization and conversion to world religions are threatening the survival of traditional belief systems leaving behind only mysterious traces of their existence This book based upon extensive research conducted over a period of nearly four decades brings scientific rigor to one of the questions that have always attracted human curiosity that of the origin of the dragon The author demonstrates that both dragons and rainbows are cultural universals that many of the traits that are attributed to dragons in widely separated parts of the planet are also attributed to rainbows and that the number and antiquity of such shared traits cannot be attributed to chance or common inheritance but rather to common cognitive pathways by which human psychology has responded to the natural environment in a wide array of cultures around the world *A Prose English Translation of the Mahabharata* Manmatha Nath Dutt, Manmathanatha Datta, 1895 **My Pal, Blaise** Richard Leviton, 2012-09-04 In 2020 angels of a high order started incarnating on Earth as humans In early 2020 guards at Teotihuacan an archeological site in Mexico find eight fat
