Gary Player, World Golfer Gary Player, Floyd W. Thatcher, 1974 *Gary Player, World Golfer* Gary Player, Floyd W. Thatcher, 1975 Gary Player John Boyette, 2012-04-01 Gary Player's golf career will come full circle in April 2012 when he joins Arnold Palmer and Jack Nicklaus as honorary starters at the Masters Tournament. Player rose from humble beginnings in South Africa to become an international golf superstar and his success at Augusta National Golf Club and the Masters is the highlight of his impressive resume. His accomplishments include three Masters wins the record for most starts at the Masters and numerous other distinctions. Player's career includes 167 worldwide wins which includes all the Grand Slam titles on the regular tour and the senior tour. At age 76 you might think Player is ready to slow down but in fact he is still a relevant and influential figure. His brand is thriving with business deals around the globe and the tireless effort he put in long ago to make the game truly international is paying off as foreign born players have dominated the majors in recent years. This book will highlight and celebrate Player's remarkable career with a special emphasis on his time in Augusta and it also will tell how Player is an inspiration not only to his fellow South Africans but to golfers all around the globe. **The Golfer's Guide to the Meaning of Life** Gary Player, 2015-09-01 This book now in its second edition contains advice on golf and life from one of the great golfers of the modern age. If there were a Mount Rushmore of golf Gary Player's face would be on it. Winner of more than 160 professional tournaments Player along with Jack Nicklaus and Arnold Palmer is one of The Big Three who dominated professional golf in the 1960s and 1970s. But Player's influence goes far beyond the golf course. A businessman a philanthropist a family man and an international ambassador of sport he is respected around the world. In *The Golfer's Guide to the Meaning of Life* Player reflects on the most important life lessons golf has taught him. Written for non golfers new golfers and experienced golfers alike this is not a book about hitting a ball into a cup but about what a funny old game can teach you about living life with strength purpose and joy.
