Gaspar Ruiz Joseph Conrad,2020-10-22 A REVOLUTIONARY war raises many strange characters out of the obscurity which is the common lot of humble lives in an undisturbed state of society Certain individualities grow into fame through their vices and their virtues or simply by their actions which may have a temporary importance and then they become forgotten The names of a few leaders alone survive the end of armed strife and are further preserved in history so that vanishing from men s active memories they still exist in books The name of General Santierra attained that cold paper and ink immortality He was a South American of good family and the books published in his lifetime numbered him amongst the liberators of that continent from the oppressive rule of Spain That long contest waged for independence on one side and for dominion on the other developed in the course of years and the vicissitudes of changing fortune the fierceness and inhumanity of a struggle for life All feelings of pity and compassion disappeared in the growth of political hatred And as is usual in war the mass of the people who had the least to gain by the issue suffered most in their obscure persons and their humble fortunes *Gaspar Ruiz EasyRead Large Edition* Joseph Conrad,2006-10 An enthralling novel of Gaspar s
