

EASTON LACHAISE

THE MAN
AND HIS WORK

by Gerald Nordland

Gaston Lachaise The Man And His Work

Williams College. Museum of Art

Gaston Lachaise The Man And His Work:

Gaston Lachaise Gerald Nordland,1974 Gaston Lachaise a native of Paris was an American sculptor best known most noted for his female nudes such as Standing Woman The House the Rockefellers Built Robert F. Dalzell, Lee Baldwin Dalzell,2013-08-13 What it was like to be as rich as Rockefeller How a house gave shape and meaning to three generations of an iconic American family One hundred years ago America's richest man established a dynastic seat the granite clad Kykuit high above the Hudson River Though George Vanderbilt's 255 room Biltmore had recently put the American country house on the money map John D Rockefeller who detested ostentation had something simple in mind at least until his son John Jr and his charming wife Abby injected a spirit of noblesse oblige into the equation Built to honor the senior Rockefeller the house would also become the place above all others that anchored the family's memories There could never be a better picture of the Rockefellers and their ambitions for the enormous fortune Senior had settled upon them The authors take us inside the house and the family to observe a century of building and rebuilding the ebb and flow of events and family feelings the architecture and furnishings the art and the gardens A complex saga The House the Rockefellers Built is alive with surprising twists and turns that reveal the tastes of a large family often sharply at odds with one another about the fortune the house symbolized

Archaism, Modernism, and the Art of Paul Manship Susan Rather,2014-11-06 Archaism an international artistic phenomenon from early in the twentieth century through the 1930s receives its first sustained analysis in this book The distinctive formal and technical conventions of archaic art especially Greek art particularly affected sculptors some frankly modernist others staunchly conservative and a few who like American Paul Manship negotiated the distance between tradition and modernity Susan Rather considers the theory practice and criticism of early twentieth century sculpture in order to reveal the changing meaning and significance of the archaic in the modern world To this end and against the background of Manship's career she explores such topics as the archaeological resources for archaism the classification of the non Western art of India as archaic the interest of sculptors in modern dance Isadora Duncan and Ruth St Denis and the changing critical perception of archaism Rather rejects the prevailing conception of archaism as a sterile and superficial academic style to argue its initial importance as a modernist mode of expression The early practitioners of archaism including Aristide Maillol Andr Derain and Constantin Brancusi renounced the rhetorical excess overrefined naturalism and indirect techniques of late nineteenth century sculpture in favor of nonnarrative stylized and directly carved works for which archaic Greek art offered an important example Their position found implicit support in the contemporaneous theoretical writings of Emmanuel L wy Wilhelm Worringer and Adolf von Hildebrand The perceived relationship between archaic art and tradition ultimately compromised the modernist authority of archaism and made possible its absorption by academic and reactionary forces during the 1910s By the 1920s Paul Manship was identified with archaism which had become an important element in the aesthetic of public sculpture of both democratic and totalitarian

societies Sculptors often employed archaizing stylizations as ends in themselves and with the intent of evoking the foundations of a classical art diminished in potency by its ubiquity and obsolescence Such stylistic archaism was not an empty formal exercise but an urgent affirmation of traditional values under siege Concurrently archaism entered the mainstream of fashionable modernity as an ingredient in the popular and commercial style known as Art Deco Both developments fueled the condemnation of archaism and of Manship its most visible exemplar by the avant garde Rather s exploration of the critical debate over archaism finally illuminates the uncertain relationship to modernism on the part of many critics and highlights the problematic positions of sculpture in the modernist discourse *Sculpture from the Sheldon Memorial Art Gallery* Karen O. Janovy, Daniel A. Siedell, 2005-01-01 All of the 90 pieces selected from more than 350 works in the collection are presented here in full color each accompanied by a brief discussion of the artist and his or her work by leading scholars in the field as well as authorities on the collection The essays examine the works of sculptors represented in the Sheldon s collection including Barlach Brancusi Calder Duchamp Moore and Rodin and present a concise yet comprehensive overview of pertinent scholarship that will be of value to both students and experts in the field BOOK JACKET

Art Books Wolfgang M. Freitag, 2013-10-28 First published in 1997 For this second edition of Art Books A Basic Bibliography of Monographs on Artists the vast number of new books published since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles These selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also of a lively international art market and the attendant gallery activities The selections of the first edition have been reviewed errors have been corrected and important new editions and reprints have been noted The second edition contains 278 names of artists not represented in the first edition *The Grove Encyclopedia of American Art* Joan M. Marter, 2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries Stieglitz and His Artists Metropolitan Museum of Art (New York, N.Y.), Magdalena Dabrowski, 2011 A master photographer Alfred Stieglitz was also a visionary promoter and avid collector of modern American and European art from the first half of the 20th century This book is the first fully illustrated catalogue of works in the unparalleled Alfred Stieglitz Collection which was given to the Metropolitan Museum after Stieglitz s death The William S. Paley Collection William Rubin, Matthew Armstrong, 2012 William S Paley founder of CBS Inc and a towering figure in the development of entertainment and communications industries was also a committed collector and patron of modern art This book catalogues the highly personal collection of paintings sculptures prints and drawings by such artists as Paul C zanne Paul Gauguin Henri Matisse Pablo Picasso and others that he bequeathed to the Museum of Modern Art Back cover

Vanity Fair , 1920 *My Faraway One* Sarah Greenough, 2011-06-21 Collects the private correspondence between

Georgia O Keeffe and Alfred Stieglitz revealing the ups and downs of their marriage their thoughts on their work and their friendships with other artists *Arts in Virginia* ,1979 **Academy Notes** Buffalo Fine Arts Academy,1918 **American Sculpture in the Metropolitan Museum of Art: A catalogue of works by artists born between 1865 and 1885** Metropolitan Museum of Art (New York, N.Y.),Lauretta Dimmick,Donna J. Hassler,1999 Volume One This volume catalogues the distinguished and comprehensive collection of approximately 400 works of American sculpture by artists born before 1865 This publication includes an introduction on the history of the collection s formation particularly in the context of the Museum s early years of acquisitions and discusses the outstanding personalities involved Metropolitan Museum of Art website [Encyclopedia of Comparative Iconography](#) Helene E. Roberts,2013-09-05 First published in 1998 Routledge is an imprint of Taylor Francis an informa company [The Connoisseur](#) ,1925 **Handbook of the Collection, Williams College Museum of Art** Williams College. Museum of Art,1979 **Visual Shock** Michael Kammen,2009-04-22 In this lively narrative award winning author Michael Kammen presents a fascinating analysis of cutting edge art and artists and their unique ability to both delight and provoke us He illuminates America s obsession with public memorials and the changing role of art and museums in our society From Thomas Eakins s 1875 masterpiece The Gross Clinic considered too big bold and gory when first exhibited to the bitter disputes about Maya Lin s Vietnam War Memorial this is an eye opening account of American art and the battles and controversies that it has ignited *Art Including Creative Art* ,1928 **Arts & Decoration Combined with the Spur** ,1925 **By Way of Art** Paul Rosenfeld,1928
