bustling street food scenes Discover how to eat like a local find authentic dining experiences and explore the world's most renowned culinary traditions Whether you're a seasoned foodie or a curious traveler this book provides a guide to creating a gastronomic adventure around the globe *K'Oben* Amber M. O'Connor, Eugene N. Anderson, 2016-12-14 K'Oben traces the Maya kitchen and its associated hardware ingredients and cooking styles from the earliest times for which we have archaeological evidence through today's culinary tourism in the area It focuses not only on what was eaten and how it was cooked but the people involved who grew or sourced the foods who cooked them who ate them Additionally the authors examine how Maya foodways and the people involved fit into the social system particularly in how food is incorporated into culture economy and society The authors provide a detailed literature review of hard to find sources including out of print centuries old cookbooks archaeological field notes ethnographies and ethnohistories out of circulation and not available in English thesis documents only available in Spanish and in university archives as well as current field research on the Maya The more recent Maya foodways can be studied from cookbooks ethnographies and ethnohistorical documentation Between the two of us we have assembled a small but representative collection of cookbooks some self published and rare that were available in Merida and elsewhere in Mexico during the late 20th century Some are quite old and all reflect local traditional foodways Geographically the book concentrates on Yucatan Tabasco and Chiapas in Mexico but will include Pre Classic and Classic evidence from Guatemala and El Salvador whose foodways are influenced by Maya traditions Bite Size World Roger Frankham, 2014-07-28 The idea for Bite Size World came from a game Roger Frankham used to play with food minded friends involving spinning a globe blindfold and throwing a dinner party based on the food of the country where your finger landed Roger soon realised that a whole world of cuisine was out there that he knew absolutely nothing about The idea so fascinated him that he abandoned his job and set out on a once in a lifetime tour of the planet armed with just a suitcase some phrase books and his palate Eight months and twenty five countries later there had been fifty three moments when I took a bite of something so amazing that everything seemed to stop around me as well as a few experiences he wouldn't go through again to save his life They are all in this book along with the merely good the disappointing and the inedible Anyone fancy rotten Icelandic shark **Autobiographical Writings on Mexico** Richard D. Woods, 2024-10-14 This is the definitive bibliography of autobiographical writings on Mexico The book incorporates works by Mexicans and foreigners with authors ranging from disinherited peasants women servants and revolutionaries to more famous painters writers singers journalists and politicians Primary sources of historic and artistic value the writings listed provide multiple perspectives on Mexico's past and give clues to a national Mexican identity This work presents 1 850 entries including autobiographies memoirs collections of letters diaries oral autobiographies interviews and autobiographical novels and essays Over 1 500 entries list works from native born Mexicans written between 1691 and 2003 Entries include basic bibliographical data genre author's life dates narrative dates available translations into English and annotation The bibliography is indexed by author title and
