Gate To The Soul:

Soul's Gate James L. Rubart, 2012-11-05 Every now and then we get a break from reality A glimpse into the other world that is more real than the reality we live in 99 percent of our days The Bible is about a world of demons and angels and great evil and even greater glory What if you could travel inside another person s soul To battle for them To be part of Jesus healing their deepest wounds To help set them free to step boldly into their divinely designed future Thirty years ago that s exactly what Reece Roth did Until tragedy shattered his life and ripped away his future Now God has drawn Reece out of the shadows to fulfill a prophecy spoken over him three decades ago A prophecy about four warriors with the potential to change the world if Reece will face his deepest regret and teach them what he has learned They gather at a secluded and mysterious ranch deep in the mountains of Colorado where they will learn to see the spiritual world around them with stunning clarity and how to step into the supernatural Their training is only the beginning The four have a destiny to pursue a freedom even Reece doesn t fully fathom But they have an enemy hell bent on destroying them and he ll stop at nothing to keep them from their quest for true freedom and the coming battle of souls Readers with high blood pressure or heart conditions be warned this is a seriously heart thumping and satisfying read that goes to the edge jumps off and builds wings on the way down Publishers Weekly

The Key Timothy Weatherall, 2015-07-09 Death has come to the woods surrounding an isolated northern mining town It is the night of Christmas 1960 and what Joe Magister is about to encounter on the road will leave him forever changed and bring him face to face with his true heritage What he will come to learn is that no truth is as simple as what is taught in church Angels and demons Heaven and Hell good versus evil none of it is as it seems And when a marriage of old souls is put asunder there are

Sacred Consciousness of the Spirit World Augustine Towonsing MA,2019-09-25 I underwent a long spiritual journey comprising 14 years of scientific solo ghost research just to find out the following truth Does God really exist Is there life in the afterlife But in order to do so I ran away from the concepts of organised beliefs systems so that I could freely search for the true meaning of these terms Spirit the Spirit World and the Afterlife through scientific ghost research in order to find myself a Door to the Spirit World And what was my find Simply this Living in Duniawi means there will still be an eternal home a promised home of eternal rest true inner peace of Inner Peace the completeness of knowledge and true love of True Love which undoubtedly is the home of the singularity of the soul consciousness as a whole

The Souls Awakening Rudolf Steiner,2005 The fourth drama enters new terrain based on what has been achieved in the first three dramas The end of those brought about the unifying of the various main characters in a Temple ceremony whereby they consecrated themselves to take over the work of the traditional Mystics for modern times Up until this point the dramas had been concerned with personal development the achieving of spiritual vision the beholding and integrating of a correct view of Karma But now the step has to be taken to bring all this into a concrete relationship with the modern world The task of the Mystics had been to preserve in secret the mysteries of humanity The task of the new Temple servants is to bring those mysteries to humanity again and make them fruitful in the modern world This requires on the one hand a willingness to approach the elements of the world and interact with them and on the other the cultivating of an inner knowledge which will give one the new faculties and strength to do that The essential question thus arising for all of them illustrated by the greatly increased role Benedictus plays in this fourth drama is the question of spiritual help and from where and under what conditions it can come to us Not only Lucifer and Ahriman are here operating for their own interests good human beings and good spiritual beings are working too and who these are where these are and what relation we can have to them is a matter of the greatest urgency for humanity at this time

The King and the Corpse: Tales of the Soul's Conquest of Evil Heinrich Zimmer,1999 Drawing from Eastern and Western literatures Heinrich Zimmer presents a selection of stories linked together by their common concern for the problem of our eternal conflict with the forces of evil Beginning with a tale from the Arabian Nights this theme unfolds in legends from Irish paganism medieval Christianity the Arthurian cycle and early

[The Spirit World](#) Clarence Larkin,1921 In this day of the revival of Spiritism when so many through the loss of loved ones in the Great World War are longing to communicate with the dead and are resorting to forbidden means to that end a day in which science is trying to discover whether there is another world than this and whether men live after death and if so can they communicate with the living it seems timely that a book should be written to show what the Holy Scriptures have revealed of the World of Spirits The Bible has much to say about the Spirit World and if we will carefully search its pages we shall know all there is to be known in this life of the World to Come For if men will not listen to Moses and the Prophets they will not be persuaded though one rose or came back from the dead Luke 16 31 Foreword

The Gates of Jerusalem Ernest Childs,2007-08 The Bible is clear in its teaching that God s purpose in salvation is more than just the forgiveness of sins and a home in heaven at the end of this life And yet the majority of God s people do not enjoy the blessings joy victory and fruitfulness which God intends for them to have in this life The real need of the hour is for the people of God to realize the purpose for which God saved them and to begin to live in the reality of that purpose This book was written with the prayer and desire that our blessed Lord will use it for His glory to enable His people to enjoy all that He has provided for them Dr Ernest Childs was saved at the age of 29 Soon after his conversion he went to work for his Lord preaching and teaching the Word in young people s meetings rescue missions and anywhere else he could get an audience He has spent over twenty years in the pastorate founding two churches and pastoring one other During that time he has authored a number of books booklets and tracts established three home mission boards carried on a weekly radio broadcast for ten years founded a Christian school and an evening Bible Institute and preached in most of the states east of the Mississippi in Bible Conferences and revivals He has served at Ambassador Baptist College since its founding as Professor of Bible and Systematic Theology In addition to his teaching duties he also served as Academic Dean for eight years
