Gatecrasher: Why did they do it?

After five very successful years as joint creative directors at Marketforce, Adam Barker and Lori Canali shocked the industry in July when they resigned to set-up their own agency - GateCrasher. Campaign Brief spoke to them about their decision.

Gatecrasher - Adam Barker, Tony Scamporrì and Lori Canali

that would suit us - which essentially is very much a creative driven environment."

Account Director Tony Scamporrì was the long time partners' choice to take the account service role. Scamporrì said the opportunity to be part of an agency start-up with the creators of award-winning work for the S&O, Lotteries Commission, Art Gallery of WA, Cancer Foundation, and the Health Department, was too good to pass up. And he shares their vision of a creatively led agency.

"We believe clients are looking most for a creative resource in an

agency. Most of them nowadays have their own marketing managers with degrees and experience; what they need is the creative input. But it's not creative for creative's sake. The reason the three of us are together is because we share the same belief that good creative material will work in any sort of communication."

Barker says he's never had an argument with a client about creative, and that if the client isn't comfortable with the solution then you find another creative solution. He says they want to explore ways of involving their clients in the creative development process from the outset, not

just when the concepts are presented.

"We've always worked very closely with our clients and we're looking at how we can bring them into that process, where clients actually are exposed to a broader spectrum of thinking along the way."

It's early days but already several clients have liked the sound of the Gatecrasher. ABC Radio, Flatts Plus and the recently pitched for Seal & Anchor hotel on their client list. They are, naturally, also active with new business pitches.

And the name - Gatecrasher? The easy option would have been to trade on their own notoriety, but the partners wanted something they had to live up to.

"We wanted a name that was unorthodox, because we don't want to be an orthodox agency," explained Canali. "We didn't want to be boring. We wanted it to be exciting and we wanted a name that was motivating. You can't do boring ads with a name like GateCrasher. So it has a logical basis in that it supports our position - which is communication that gets through."

"It does make you think hard about what you're putting out there, what you're going to put your key number on," he said.

The Unsung Hero of the Mahabharata Umesh Kotru,Ashutosh Zutshi,2015-03-01 Then the exquisitely handsome body of Karna of generous acts who should have been worthy of perpetual happiness let go of that refulgent head with the kind of extreme reluctance evinced by a wealthy person in leaving his own prosperous home or by a saintly one in forsaking virtuous company The Mahabharata Karna Parva 91 53 54 In these lines of evocative pathos the Mahabharata pays its ultimate tribute to Karna who has hardly a rival in world literature to match his credentials as a uniquely nuanced hero's hero towering above Hector in righteous valour above Arjuna in generosity and above all else in conscientious attachment to the principles of noblesse oblige This is the intriguing story of a hero who despite being born to royalty was like the Biblical Moses cast away by his mother Brought up lovingly by a lowly charioteer and his wife his whole life was one great struggle against cruel destiny and against all the odds placed in his way by the inequities of his time In the process he blazed a new trail of glory emerging as the adorable exemplar of purushakaara manly effort with tremendous achievements both as a man and also as a

warrior Yet society never gave him his due despite being as upright as Yudhishtira as strong as Bhima as skilful as Arjuna as handsome as Nakula and as intelligent as Sahadeva Rebuffed and insulted by society at every step he developed some flaws engendered by a defiant spirit and nurtured by association with the evil designs of Duryodhana his benefactor prince But those very contrarities seem to enhance and enliven the dramatic appeal of his character as one of the brightest stars of the Mahabharata s star cast Written in an engagingly flowing style and with an imaginative transcreation of the epic storyline Karna the Unsung Hero of the Mahabharata should strike a responsive chord in the minds specifically of today s Mahabharata aficionados and generally of all lovers of exalted human drama *Vinny's Wilderness* Janet
