Friedland, 1997-11-01 Since the period in which the Jewish liturgy was standardized there has hardly been a time when it was not somehow in a state of flux Eric L. Friedland explores the countless ways that the Siddur Mahzor and Haggadah have been adjusted amplified or transformed so as to faithfully mirror modern Jews understanding of themselves their place in society and their sancta In the tradition of liturgologists such as Elbogen Idelsohn and Petuchowski Friedland focuses on latter day adaptations of the prayerbook giving proper recognition to the recent concern for intellectual integrity cultural congruity group and individual self redefinition and honest speech in Jewish prayer The prayerbooks themselves are witnesses to innovation in the Jewish liturgy From David Einhorn's Olath Tamid Baltimore 1855 to Isaac Mayer Wise's Minhag Amerika Cincinnati 1857 and Marcus Jastrow's 1873 revision of Benjamin Szold's Abodath Israel Baltimore 1864 Friedland analyzes evidence of creativity in British and American Reform Jewish liturgy Various rites for the Days of Awe provide a particularly accurate glimpse of how Jewish communities here and abroad experience the sacred consider eternal mysteries and communicate with God Friedland also sets the Reform Gates of Prayer in historical and denominational perspective by considering it alongside the Reconstructionist Kol Haneshamah and the Israeli Progressive HaAvodah shebaLev The state and direction of liturgical change emerges from a survey of commonalities and divergences in nineteenth and twentieth century prayerbooks in terms of Sephardic and mystical influences attitudes toward the messianic hope and collective sentiments of forgiveness or vengeance toward Israel's enemies Liturgical approaches to the commemoration of the Ninth of Av suggest that even an ancient fast day can recover relevance credibility and authenticity for Liberal Jews in the postmodern era **Strengthening Family Resilience, Second Edition** Froma Walsh, 2011-09-16 This informative clinical resource and text presents Froma Walsh's family resilience framework for intervention and prevention with clients dealing with adversity Drawing on extensive research and clinical experience the author describes key processes in resilience for practitioners to target and facilitate Useful guidelines and case illustrations address a wide range of challenges sudden crisis trauma and loss disruptive transitions such as job loss divorce and migration persistent multistress conditions of serious illness or poverty and barriers to success for at risk youth New to this edition reflects research and practice advances chapter on resilience oriented approaches to recovery from major disasters chapter on applications in community based programs and international contexts Strengthening Family Resilience, Third Edition Froma Walsh, 2015-09-28 In this widely used course text and practitioner resource Froma Walsh provides a state of the art framework for understanding resilience in families and how to foster it Illuminating the complex

**Cursing the Christians?** Ruth Langer, 2012-01-12 Ruth Langer offers an in depth study of the birkat haminim a Jewish prayer for the removal of those categories of human being who prevent the messianic redemption and the society envisioned for it In its earliest form the prayer cursed Christians apostates to Christianity sectarians and enemies of Israel Drawing on the shifting liturgical texts polemics and apologetics concerning the prayer Langer traces the transformation of the birkat haminim from what functioned without question in the medieval world as a Jewish curse of Christians through its early modern censorship by Christians to its modern transformation within the Jewish world into a general petition that God remove evil from the world Christian censorship played a crucial role in this transformation of the prayer however Langer argues that the truest transformation in meaning resulted from Jewish integration into Western culture Eventually the prayer shed its references to any specific category of human being and lost its function as a curse Reconciliation between Jews and Christians today requires both communities to confront a long history of prejudice Ruth Langer shows through the birkat haminim how the history of one liturgical text chronicled Jewish thinking about Christians over hundreds of years

**Sisterhood** Balin/Herman, 2013-12-21 The work of a coterie of dynamic women not the brainchild of Reform Judaism's male leaders as is often thought Women of Reform Judaism has been a force in the shaping of American Jewish life since its founding as the National Federation of Temple Sisterhoods in 1913 The synergy of Reform Judaism's universalist ideas and the women's emancipation movement in the early twentieth century made the synagogue auxiliary a natural platform for women to assume new leadership roles in their synagogues in Reform Judaism and in American society

These sisterhoods have stood for the solidarity among synagogue women as well as the commitment of these women to important social action issues. Called Women of Reform Judaism since 1993, this oldest federation of women's synagogue auxiliaries has grown from 52 temple sisterhoods to 500 and a membership of over 65,000 women today, a vibrant international women's organization. Women of Reform Judaism, in cooperation with The Jacob Rader Marcus Center of the American Jewish Archives and Hebrew Union College Press, marks its centennial anniversary with this collection of new scholarly essays which look back at its history in order to understand how the hopes and dreams of its founders have come to fruition. Armed with the rich archival resources of the American Jewish Archives, including Proceedings of the National Federation of Temple Sisterhoods 1913-1955, eighteen scholars contributed essays on the spectrum of Women of Reform Judaism's activities, including their funding of Hebrew Union College during the Great Depression, their support for Jewish education through production of a substantial women's Torah commentary designed to edify lay people as well as scholars and clergy, their promotion of Jewish foodways and art through publication of cookbooks and support of synagogue gift shops, their invention of the Uniongram as a formidable fundraising tool on a par with the Girl Scout cookie, and their efforts to safeguard Jewish continuity through support of youth activities.

In this anthology, rabbis and scholars from across the Jewish world reflect back on the historic significance of women in the rabbinate and explore issues related to both the professional and personal lives of women rabbis. This collection examines the ways in which the reality of women in the rabbinate has impacted on all aspects of Jewish life, including congregational culture, liturgical development, life cycle ritual, the Jewish healing movement, spirituality, theology, and more. Published by CCAR Press, a division of the Central Conference of American Rabbis.
