Gateways Of The Divine:

The Kundalini Book of Living & Dying : Gateways to Higher Consciousness Ravindra Kumar,Jytte Kumar

Larsen,2007 This comprehensive study of Kundalini energy and how to awaken it within oneself includes methods techniques and examples of achieving higher consciousness Kundalini awakening and self realization There is a spiritual energy dormant below the base of the spine In the east it is called the Kundalini but whatever name it is called it is a common denominator in all major religions People with awakened Kundalini experience death before physically dying through visions and out of body experiences ultimately leading to a spiritual rebirth A twice born person simultaneously enjoys the best of this world and the next through an inner journey that conquers fears of death That inner journey travels the world of meditation and unconscious dreams as well as actual near death experience

A Gateway Between a Distant God and a Cruel World

Reut Yael Paz,2012-10-19 Through a collective biographical methodology of four scholars 20th century scholars this book investigates how Jewish identity and intellectual ties to Judaic civilisation in the German speaking legal context influenced the international legal discipline

Gateways to God

Robert Hater,2011-11-07 Grace for Daily Living Theologian Fr Robert Hater explores the manifold ways sacraments work as gateways that lead us to encounters with God All creation is sacramental because it is the gateway that reveals God's presence in the universe Jesus described Himself as the gate to salvation and eternal life His Church is the gateway to the kingdom of God and the sacraments are the seven gateways to life giving grace Gateways to God explores the nature and meaning of sacraments Using Scripture history and pastoral practice Fr Hater shows you how to approach the seven sacraments of the Church as gateways to divine life how to receive them with expectant faith and how to let them strengthen you for daily Christian living

The Forgotten Teachings of Hermes

Pasquale De Marco,2025-04-08 In the vast library of ancient wisdom few names shine as brightly as Hermes Trismegistus the Thrice Great Sage Revered as a deity philosopher magician and alchemist Hermes teachings have left an indelible mark on Western thought and spirituality for millennia This comprehensive volume delves into the enigmatic world of Hermes Trismegistus unveiling the secrets of the cosmos exploring the nature of reality and unlocking the mysteries of alchemy magic and spiritual enlightenment Through a captivating narrative we embark on a journey through the Corpus Hermeticum Hermes revered collection of sacred texts deciphering its profound teachings and uncovering its timeless wisdom Hermes Trismegistus existed at the crossroads of cultures absorbing the wisdom of ancient Egypt and Greece to create a unique and transformative philosophy His teachings transcended national and cultural boundaries resonating with seekers of truth from all walks of life In this book we trace the influence of Hermes Trismegistus throughout history examining his impact on Western thought literature and art From the alchemists of the Middle Ages to the philosophers of the Renaissance and beyond Hermes teachings have inspired countless individuals seeking to unlock the mysteries of the universe and their own inner selves His words have been whispered in secret societies studied in monasteries and explored by countless individuals

seeking knowledge enlightenment and transformation With clarity and erudition this book unravels the complexities of Hermes teachings making them accessible to contemporary readers We explore the Hermetic principles of unity polarity rhythm cause and effect correspondence and gender revealing their profound implications for our understanding of the universe and our place within it Discover the enduring legacy of Hermes Trismegistus a timeless teacher whose insights continue to illuminate the path towards knowledge enlightenment and transformation This book is an essential guide for anyone seeking to explore the depths of ancient wisdom and uncover the secrets of the universe If you like this book write a review Gateways to the Otherworld Philip Gardiner,2009-01-30 Is there life after death Is there a world outside our own

WHAT IF ANCIENT PEOPLE ALREADY KNEW THE ANSWERS TO THESE QUESTIONS Acclaimed author Philip Gardiner proves that our ancestors were far more advanced scientifically and spiritually than previously believed Through a special technique ancient Egyptians and others were able to journey to other realities within themselves in short to the Otherworld The author undergoes his own experiments to prove the point Gardiner also shows that ancient people knew more about their place in the universe than previously thought They placed buildings and objects in specific places around the globe because these points had a distinct relation to the universal and human wave resonance of electromagnetism When the ancients journeyed to these places they were joining with God and visualizing the effect The remarkable conclusions and discoveries in this book not only dispel some age old myths but also address questions such as Is there a universal frequency that allows the mind to travel into other realms Does the Great Pyramid hold a real secret to the quantum realm What are those mysterious round towers found scattered around our planet Is ESP real What Gateways to the Otherworld uncovers are not just tales of ancient trips to other realms nor theories on why stone circles were built in specific locations but real answers based on thorough research and science Gateways to the Divine Andrew D. Mayes,2020-10-21 Step across the

threshold and enter different spiritual worlds Discover riches from the treasury of Jerusalem s religious traditions Meet ordinary people of the holy city becoming extraordinary as they explore pathways to the Divine practitioners of Kabbalah and Sufi traditions Armenian and Syriac prayer Franciscan and Orthodox spiritualities Listen to those who actually live on the Via Dolorosa the Way of the Cross their hopes and heartaches Experience for yourself the transformative and life changing potential of their spiritualities in a way that will enrich and empower you in your own situation and equip you for a greater engagement with spiritual traditions This is the invitation of this book and the lure of the gateways of Jerusalem This resource embraces a kaleidoscope and mosaic of nationalities and ethnicities and spiritual traditions Chapters include a short extract from classic spiritual writers of each tradition so we can engage firsthand with their spiritual riches Suggested prayer exercises encourage us to make this an experiential reading while questions in each chapter trigger reflection in individual readers or in groups using this as a course Two concluding chapters identify commonalities and shared threads amongst the tapestry of religious traditions and help us to relate the experience of this book to our own everyday environment Sacred

Gates Sarah Coleman,AI,2025-02-27 Sacred Gates explores the profound symbolism of gates and doorways in religious traditions revealing them as more than mere architectural features These divine doorways represent access to the sacred thresholds of transformation and boundaries between realms Understanding gate symbolism offers insights into how faiths conceptualize the sacred the profane and transitions between spiritual states For example the gates of Jerusalem in the Old Testament and the gates of Heaven in the Book of Revelation are not just physical locations but potent symbols within Jewish and Christian theology The book approaches this topic through religious studies art history and architectural symbolism drawing from biblical studies and comparative religion It begins by introducing the gate as a universal symbol found in mythology and ancient architecture It then analyzes specific examples from major religious traditions examining biblical accounts and exploring how gates function in rituals and temple architecture Sacred Gates culminates by considering contemporary interpretations of these symbols and discussing their ethical implications *The Palm Beach Way* Brigitte M. Britton,Layne D. Nisenbaum,2005-11 This book is a collection of works discoveries gained through Clyde Anthony s dreams and visions But more than that through Carolyn Frances it s a communication with a consciousness that comes directly from the realm of dreams and visions a conscious awareness that proclaims their power bearing testimony to their place in human history and their worth in the human search for meaning a search that is borne by individual abilities the strength of the species called Human This book is an affirmation of that search a testimony to the fertility of humankind s inner life and consciousness which though it is fueled by beliefs exists in life s fecund grounds of being beyond life itself directly to its great sources No other book goes deeper into this direct experience which is a dance with Earth itself the direct power of life Past on memory sky seed of Creature Universe moving the black winds of centuries to come Oh creature Human great gifts you bear on the vastness of time Together Earth and Human sings the life proclaiming its destined desires dancing through space hungry for the knowledge truth who are we We come together to light the spark in the dark hours of time *Sacred Woman* Queen Afua,2012-06-20 The twentieth anniversary edition of a transformative blueprint for ancestral healing featuring new material and gateways from the renowned herbalist natural health expert and healer of women s bodies and souls This book was one of the first that helped me start practices as a young woman that focused on my body and spirit as one Jada Pinkett Smith Through extraordinary meditations affirmations holistic healing plant based medicine KMT temple teachings and The Rites of Passage guidance Queen Afua teaches us how to love and rejoice in our bodies by spiritualizing the words we speak the foods we eat the relationships we attract the spaces we live and work in and the transcendent woman spirit we manifest With love wisdom and passion Queen Afua guides us to accept our mission and our mantle as Sacred Women to heal ourselves the generations of women in our families our communities and our world *Doors Unlocked* Everett Sinclair,AI,2025-03-03 Doors Unlocked explores the fascinating history of doors revealing how these often overlooked elements have shaped architecture security and social interactions From ancient gates to modern smart locks the book traces

the architectural evolution of doors demonstrating how their design reflects technological advancements and cultural values One intriguing fact is that the development of locking mechanisms has directly responded to changing societal needs driven by concerns about crime warfare and privacy The book examines doors through three key lenses their architectural impact their role in security and their social significance as thresholds It delves into how doors define spatial organization regulate access and communicate messages about power and status Doors as material culture offer insights into the priorities and anxieties of societies across time The book progresses from the earliest door forms to modern innovations structured around architectural evolution security imperatives and the social meanings of thresholds Supported by archaeological findings architectural drawings and historical records *Doors Unlocked* provides a unique perspective on understanding spatial control social hierarchy and the evolution of technology making it valuable for architects historians and anyone interested in the built environment
