Basics of English Academic Writing: The Gateway to International Publications Arief Eko Priyo Atmojo, 2024-02-19. *Basics of English Academic Writing: The Gateway to International Publications* is a coursebook or textbook for the English Academic Writing course at the undergraduate level which has gained high demand and become the gateway to international publications. This book comprises seven chapters that guide undergraduate students to master the basics of English academic writing including phrases, clauses, sentences, citations, and references, paragraphs, unity, and coherence, and essays and journal articles. Each chapter provides objectives, detailed and practical materials, examples from internationally reputable journal articles, exercises, and assignments. Examples from internationally reputable journal articles play roles in embodying detailed materials into practices. Exercises and assignments are beneficial to provide students with opportunities to practice. This book begins its explanation with a very basic unit in English academic writing, namely phrases. Students are then gradually introduced to clauses and sentences since many students face challenges in writing effective sentences and identifying clauses and their types respectively. Students also learn about citations and references which are vital in academic writing. They subsequently learn how to write effective paragraphs that maintain unity and coherence at the macro level, meso level, and micro level. Ultimately, students are introduced to how to write essays and journal articles.
