**The Zoroastrian Diaspora** John R. Hinnells, 2005-04-28 What is the distinctive Zoroastrian experience and what is the common diasporic experience The Zoroastrian Diaspora is the outcome of twenty years of research and of archival and fieldwork in eleven countries involving approximately 250 000 miles of travel It has also involved a survey questionnaire in eight countries yielding over 1 840 responses This is the first book to attempt a global comparison of Diaspora groups in six continents Little has been written about Zoroastrian communities as far apart as China East Africa Europe America and Australia or on Parsis in Mumbai post Independence Each chapter is based on unused original sources ranging from nineteenth century archives to contemporary newsletters The book also includes studies of Zoroastrians on the Internet audio visual resources and the modern development of Parsi novels in English As well as studying the Zoroastrians for their own inherent importance this book contextualizes the Zoroastrian migrations within contemporary debates on Diaspora studies John R Hinnells examines what it is like to be a religious Asian in Los Angeles or London Sydney or Hong Kong Moreover he explores not only how experience differs from one country to another but also the differences between cities in the same country for example Chicago and Houston The survey data is used firstly to consider the distinguishing demographic features of the Zoroastrian communities in various countries and secondly to analyse different patterns of assimilation between different groups men and women and according to the level and type of education Comparisons are also drawn between people from rural and urban backgrounds and between generations in religious beliefs and practices including the preservation of secular culture

Immigrants to the Pure Land Michihiro Ama, 2011-01-31 Religious acculturation is typically seen as a one way process The dominant religious culture imposes certain behavioral patterns ethical standards social values and organizational and legal requirements onto the immigrant religious tradition In this view American society is the active partner in the relationship while the newly introduced tradition is the passive recipient being changed Michihiro Ama's investigation of the early period of Jodo Shinshu in Hawai'i and the United States sets a new standard for investigating the processes of religious acculturation and a radically new way of thinking about these processes Most studies of American religious history are conceptually grounded in a European perspectival position regarding the U S as a continuation of trends and historical events that begin in Europe Only recently have scholars begun to shift their perspectival locus to Asia Ama's use of materials spans the Pacific as he draws on never before studied archival works in Japan as well as the U S More important Ama locates immigrant Jodo Shinshu at the interface of two expansionist nations At the end of the nineteenth and beginning of the twentieth centuries both Japan and the U S were extending their realms of influence into the Pacific where they came into contact and eventually conflict with one another Jodo Shinshu in Hawai'i and California was altered in relation to a changing Japan just as it was responding to

changes in the U S Because Jodo Shinshu s institutional history in the U S and the Pacific occurs at a contested interface Ama defines its acculturation as a dual process of both Japanization and Americanization Immigrants to the Pure Land explores in detail the activities of individual Shin Buddhist ministers responsible for making specific decisions regarding the practice of Jodo Shinshu in local sanghas By focusing so closely Ama reveals the contestation of immigrant communities faced with discrimination and exploitation in their new homes and with changing messages from Japan The strategies employed whether accommodation to the dominant religious culture or assertion of identity uncover the history of an American church in the making

The Saga of the Aryan Race Porus Homi Havewala,2012-06 The Saga of the Aryan Race is a historical epic about the origins of the Aryan people The Saga chronicles the ancient Indo Europeans of twenty thousand years ago who proudly called themselves the Aryans the Noble Ones They were the first worshippers of Ahura Mazda the name of God in the ancient Aryan tongue of Avestan The Saga is a work of historical fiction based on Zoroastrian scriptures Volumes I and II speak of the early days of the Aryans in the ancestral homeland Airyane Vaejahi the seedland of the Aryans and the great migrations to Iran land of the Aryans Volumes III IV and V carry on with the childhood and youth of the first Aryan prophet Asho Zarathustra his revelations from the Creator Ahura Mazda and his divine mission to rejuvenate the ancient religion in Iran Ancient Avestan words and concepts from sacred texts such as the Gathas Vendidad and Yashts are woven into the story in a way that makes these lofty ideals easy to understand This is a wonderful legend from the time of the Aryan ancestors that is little known in the Western world The author Porus Homi Havewala born in India is descended from the Aryan forefathers who settled in Iran A group of Aryans known as Parsi Zoroastrians migrated to India after the Arab conquest of Iran in order to preserve their ancient Aryan religion The aim of the author in writing this book is to inspire his fellow Aryan Zoroastrians especially the young with faith and righteous pride in their religion like their Aryan ancestors in ancient times as well as to educate others about the remarkable history and beliefs of the Aryan peoples
