Sensitive to Listen and Willing to Obey Doris M. Arwine,2014-05 God uses people daily to communicate His fragrance and message to us Too often we don't check to see what aroma or impression we are leaving for others to see hear or smell After visiting someone's home or before checking out of a motel or when moving we double check to make sure we haven't left anything behind Even criminals check to make sure they haven't left any clues at the crime scene to identify them A story reminded me of this A robber thought he had committed the perfect crime He assumed he left no clues behind But he didn't count on someone remembering how he smelled The smell he left behind was what helped convict him Yes we leave something everywhere we go Stuart Holden reminded a young man moving from a boarding house of this fact when the young man said he was just double checking to make sure he wasn't leaving anything behind There's one thing you will leave behind young man your influence Reflections David Mack,2015-03-31 David Mack is the New York Times best selling author and artist of the Kabuki graphic novels the writer and artist of Daredevil from Marvel Comics and the author and artist of his children's book The Shy Creatures from MacMillan Mack most recently created the art concept for the credit sequence on the 1 hit motion picture Captain America The Winter Soldier Reflections presents a selection of David Mack's art including sketches finished paintings sculptures and other various forms giving the reader a gorgeous look at his creative process *Spiritual Interpretations* Roosevelt Jackson,2014-11-26 The reason why readers would be so interested is because of the spirituality Learning the spiritual side of life how good God really is and how to include the word of God into the equation in every area of their lives whether it be financially physically mentally by faith in which we walk by Faith is simply believing that God is our source and not the world economy To understand that God has given us very things that we need to accommodate us in this life Most things we can do for ourselves because of the abilities that God has bestowed upon us but the Heavenly things we have to declare and decree from Heaven such as when we pray whatsoever we pray for believe that we already received them and then you will have them You have to trust God first before you receive whatever it is that you ask for in Jesus name It is always have to be in Jesus name if not in Jesus name then you might have a delay you see that's how the gospel works Jesus died for us to have the things that we are so deserving of all we have to do is believe it declare it and decree it and it shall be given to us But if you don't spend time in the word of God then you have no clue what to expect you have no knowledge of all the promises that God said yes to there is over seventy seven hundred promises in the Bible that God said yes to we just have to believe and say yes to them in order to receive the promises of God you see it's simple when you know the word of God for your lives I've study the word of God for the last ten years of my life So I am a witness to the fact And here's another fact I use to wake up every morning with back pain I would stumble to my feet but once I'd reach for my bible and started to read it before I could get through the first paragraph the pain had vanished Once I

d learn how to pray and study the bible I haven't taken a pain pill since February of 2010 I would like for everyone to experience the goodness of God and the example of Jesus Christ our Lord and Savior If only I knew back then what I know now I would have been committed myself to Jesus I just pray that everyone will learn to give their lives over to Jesus So that's how much I think that my book will be an inspiration to others So yes I am completely satisfied with my work so I approve it in every way for publishing I thanked God for giving me the strength to endure the last two and a half years to complete this book it has been a blessing and honor to credit this book to God Almighty My way of showing appreciation for all that God has done for me in my life So there you have it Thanks for the word Roosevelt Jackson Bless you all In Jesus name Until next time

The Tea Party Papers Volume I Second Edition Bill Miller, 2012-08-15 Our American government began with a revolutionary idea Alexis de Tocqueville called the evolutionary process of revolution wherein society evolves and institutes sweeping changes in government The government of the United States was the most unique

creation of human history since it was an actual collaboration between Nature and the Individual for Nature and the Individual with the express purpose of facilitating and improving that relationship It took all of humanity's history its successes and failures along with Nature's tools of inspiration and evolution for the conception to manifest itself until a government of the Individuals by the Individuals for the Individual had come into being The individual citizens of the United Colonies were living in a state of grace with nature and the society they made up created a clear mirror image of themselves including internal equilibriums intended to preserve their self actualization process A few years later another revolution took place one de Tocqueville would call the political kind This revolution occurred in France it would be the precursor for many other modern revolutions wherein one Centralized Collective Authority replaces another and where government attempts to impose its will on society Today in America this spiritual battle continues On one side is the Tea Party Patriots carrying on the spiritual tradition of our Founders and Framers on the other side those who look toward the archaic Eurocentric and Asiatic concepts of an all powerful Centralized Collective Authority
