Gauguin Answer Sheet:

The Gauguin Answer Sheet Dennis Finnell, 2001 The painting *Where Do We Come From What Are We Where Are We Going* by Paul Gauguin intended as the painter's final artistic testimony is the inspiration and framework for this book In one way *The Gauguin Answer Sheet* focuses on the intricate details of the painting and offers its lush Tahitian landscape and characters a black dog a pair of conspirators a shy woman a pleading goddess and a crouching mummy among many others In another sense Dennis Finnell deeply probes the underlying implications and personal associations the painting offers The poem's own questions suggested by those in the painting's title are concerned with origins identities and futures of the poet and others Finnell reflects on the plight of the characters portrayed in Gauguin's painting and imagines their thoughts and feelings about life in the world outside Along with his ruminations on these imagined characters Finnell visits his own family history reflecting on the lives of earlier generations to affirm the shared nature of each individual's origins and identities Through his poetry time and space painting and history and imagination and reality interconnect and offer an unusually imaginative surprising work of art

By Reason of Breakings Andrew Zawacki, 2002 *By Reason of Breakings* Andrew Zawacki's first book of poetry overwhelms and silences by virtue of its extremely austere beauty In highly wrought lyrics prose poems fragments of apocrypha and splintered efforts at song this volume is forceful and haunted by doubt Each intimate and restrained line is a glimpse at a wisdom that defies paraphrase each image carefully chosen and constructed Zawacki's language summons and invites and is almost menacing in its delicate intensity Weight is the syntax of filling empty spaces scalpels and expired tissue fall but fire rises to fever and sere While pursuing an explanation for the disappearance of God and for the denouement of a love affair and exploring the failure of language to compensate or console these poems maintain their sublime power and elegance

Vertical Elegies 5 Sam Truitt, 2003 A collection of sixty-nine sonnets seeks to capture the dizzying speed and hallucinogenic landscape of modern or urban life Winner of the Contemporary Poetry Series competition Poetry

The Blaze of the Pou Mark McMorris, 2003 The author mingles personal and political observations with history in this memoir of his travels through lands of conquest in the Americas Winner of the Contemporary Poetry Series competition Poetry

Depth Theology Peter O'Leary, 2006 *Depth Theology* taps the religious potential of poetry to access both the interior and the exterior worlds Inspired by depth psychology the field of psychology devoted to the unconscious Peter O'Leary's poems work to discover the religious knowledge of the unconscious mind While seeking a revelatory poetry O'Leary engages the inconclusive quality of the revealed observing that There's a liquidy trickiness to life an entropy of spillage The religious imagination that evolves in this series of thirty-four poems is unclouded by dogma and richly colored by erudition while it tests the limits of human language and experience in an effort to understand our inwardness Overflowing with images of birds and other objects of day to day experience interwoven with the mythic allegorical and biblical *Depth Theology* charts a path to understanding our innermost worlds From *Lux Contemplatio* there is
