City of Hope, City of Rage Seth A. Weitz, 2024 In *City of Hope City of Rage* Miami 1968 1994 Seth A Weitz examines the transformative period when the young city founded under Jim Crow in 1896 and searching for an identity after the upheavals of the 1950s and 60s began to strive for maturity Tracing three turbulent decades marked by mass immigration racially motivated uprisings economic inequity rising crime and social change *City of Hope City of Rage* tells the story of Miami's evolution from a predominantly white southern city and vacation community into what is now a global predominantly Hispanic metropolis with an international tourist base one which nevertheless remains one of the most segregated cities in the United States Drawing on numerous primary sources including one on one interviews with people who lived the history Weitz assembles a kaleidoscopic portrait of his hometown's coming of age returning again and again to the question of how Miami is defined who gets to define it and by extension the parameters of civic identity and belonging in an increasingly cosmopolitan network of communities **Unite and Conquer** Kyrsten Sinema, 2009-07-13 Old school divide and conquer tactics demonizing opponents frightening voters refusing to compromise may make us feel good about the purity of our ideals but it's no way to get anything done Worse this approach betrays some of the most cherished ideals of the progressive movement inclusion reason justice and hope Illuminated by examples from her own work and a host of campaigns across the country Kyrsten Sinema shows how to forge connections both personal and political with seemingly unlikely allies and define our values interests and objectives in ways that broaden our range of potential partners and expand our tactical options With irreverent humor enthralling campaign stories and solid practical advice Sinema enables us to move past politics as war and build support for progressive causes on the foundation of our common humanity *The Coursing calendar*, ed. by 'Stonehenge'. John Henry Walsh, 1860 **English Literature & Printing from the 15th to the 18th Century** Maggs Bros, 1926 *The Advocate*, 2004-03-30 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine
