Gay Voices Of The Harlem Renaissance:

Gay Voices of the Harlem Renaissance A.B. Christa Schwarz, 2003-07-18 Heretofore scholars have not been willing perhaps even been unable for many reasons both academic and personal to identify much of the Harlem Renaissance work as same sex oriented An important book Jim Elledge This groundbreaking study explores the Harlem Renaissance as a literary phenomenon fundamentally shaped by same sex interested men Christa Schwarz focuses on Count e Cullen Langston Hughes Claude McKay and Richard Bruce Nugent and explores these writers sexually dissident or gay literary voices The portrayals of men loving men in these writers works vary significantly Schwarz locates in the poetry of Cullen Hughes and McKay the employment of contemporary gay code words deriving from the Greek discourse of homosexuality and from Walt Whitman By contrast Nugent the only out gay Harlem Renaissance artist portrayed men loving men without reference to racial concepts or Whitmanesque codes Schwarz argues for contemporary readings attuned to the complex relation between race gender and sexual orientation in Harlem Renaissance writing

LGBTQ+ Literature in the West Robert C. Evans, 2023-05-18 A survey within one volume of the history of critical responses to LGBTQ literature from the beginning to the present day this book explores changes in attitudes literature and criticism over a period of two and a half thousand years For various reasons it focuses on literature of the West trying to give readers a clear sense within a relatively short compass not only of the development of queer literature perhaps the most encompassing of all terms but especially of critical responses to that literature notably during the past century and particularly the past fifty years All in all this book offers a roadmap to much of the excellent scholarship concerning LGBTQ literature that has arisen in the last half century an era of unparalleled interest in the topic and an era that has moved the topic from the distant sidelines of literary

study to a place ever closer to the center of things Western Fictions, Black Realities Isabel Soto, Violet Showers Johnson, 2012-06-01 This anthology interrogates two salient concepts in studying the black experience. Ushered in with the age of New World encounters, modernity emerged as brutal and complex from its very definition to its manifestations. Equally challenging is blackness, which is forever dangling between the range of uplifting articulations and insidious degradation. The essays in *Western Fictions* address the conflicting confluences of these two terms. Questioning Eurocentric and mainstream American interpretations, they reveal the diverse meanings of modernities and blackness from a wide range of milieus of the black experience. Interdisciplinary and wide-ranging in thematic and epochal scope, they use theoretical and empirical studies of a range of subjects to demonstrate that indeed blackness is relevant for understanding modernities and vice versa.

Queer Angels in Post-1945 American Literature and Culture David Deutsch, 2021-07-29 From Allen Ginsberg's angel-headed hipsters to angelic outlaws in Essex Hemphill's *Conditions*, angelic imagery is pervasive in queer American art and culture. This book examines how the period after 1945 expanded a unique mixture of sacred and profane angelic imagery in American literature and culture to fashion queer characters, primarily gay men, as embodiments of bad beatitudes. Deutsch explores how authors across diverse ethnic and religious backgrounds, including John Rechy, Richard Bruce Nugent, Allen Ginsberg, and Rabih Alameddine, sought to find the sacred in the profane and the profane in the sacred. Exploring how these writers used the trope of angelic outlaws to celebrate men who rebelled wilfully and nobly against religious, medical, legal, and social repression in American society, this book sheds new light on dissent and queer identities in postmodern American literature.

Scattered and Fugitive Things Laura Helton, 2024-04-16 Winner 2025 Merle Curti Intellectual History Award, Organization of American Historians; Winner 2024 Arline Custer Memorial Book Award, Mid-Atlantic Regional Archives Conference; Winner 2025 Eliza Atkins Gleason Book Award, Library History Round Table of The American Library Association; Honorable Mention 2025 Lawrence W. USIH Annual Book Prize, Society for U.S. Intellectual History; Finalist 2025 ASALH Book Prize for Best New Book in African American History and Culture Association for the Study of African American Life and History; ASALH. During the first half of the twentieth century, a group of collectors and creators dedicated themselves to documenting the history of African American life. At a time when dominant institutions cast doubt on the value or even the idea of Black history, these bibliophiles, scrapbookers, and librarians created an enduring set of African diasporic archives. In building these institutions and amassing abundant archival material, they also reshaped Black public culture, animating inquiry into the nature and meaning of Black history. *Scattered and Fugitive Things* tells the stories of these Black collectors traveling from the parlors of the urban north to HBCU reading rooms and branch libraries in the Jim Crow south. Laura E. Helton chronicles the work of six key figures: bibliophile Arturo Schomburg, scrapbook maker Alexander Gumby, librarians Virginia Lee and Vivian Harsh, curator Dorothy Porter, and historian L. D. Reddick. Drawing on overlooked sources such as book lists and card catalogs, she reveals the risks

collectors took to create Black archives This book also explores the social life of collecting highlighting the communities that used these collections from the South Side of Chicago to Roanoke Virginia In each case Helton argues archiving was alive in the present a site of intellectual experiment creative abundance and political possibility Offering new ways to understand Black intellectual and literary history Scattered and Fugitive Things reveals Black collecting as a radical critical tradition that reimagines past present and future

Aesthetic Apprehensions Lene M. Johannessen, Jena Habegger-Conti, 2021-01-12 Aesthetic Apprehensions Silences and Absences in False Familiarities is a scholarly conversation about encounters between habitual customs of reading and seeing and their ruptures and ossifications In closely connected discourses the thirteen essays collected here set out to carefully probe the ways our aesthetic immersions are obfuscated by deep seated epistemological and ideological apprehensions by focusing on how the tropology

carried by silence absence and false familiarity crystallize to define the gaps that open up As they figure in the subtitle of this volume the tropes may seem straightforward enough but a closer examination of their function in relation to social cultural and political assumptions and gestalts reveal troubling oversights Aesthetic Apprehensions comes to name the attempt at capturing the outlier meanings residing in habituated receptions as well as the uneasy relations that result from aesthetic practices already in place emphasizing the kinds of thresholds of sense and sensation which occasion rupture and creativity Such after all is the promise of the threshold of the liminal to encourage our leap into otherness for then to find ourselves and our sensing again and anew in novel comprehensions

critically engage with and complicate the project of queering Baldwin and his work Brim argues that Baldwin animates and in contrast disrupts both the black gay literary tradition and the queer theoretical enterprise that have claimed him More paradoxically even as Baldwin s fiction brilliantly succeeds in imagining queer intersections of race and sexuality it simultaneously exhibits striking queer failures whether exploiting gay love or erasing black lesbian desire Brim thus argues that Baldwin s work is deeply marked by ruptures of the unqueer into transcendent queer thought and that readers must sustain rather than override this paradoxical dynamic within acts of queer imagination *The Cambridge Companion to the American Modernist Novel* Joshua L. Miller, 2015-11-26 This Companion offers a comprehensive analysis of U S modernism as part of a global literature Recent writing on U S immigration imperialism and territorial expansion has generated fresh reasons to read modernist novelists both prominent and forgotten Written by a host of leading scholars this Companion provides unique approaches to modernist texts
