*STRANGER AT THE GATE* Mel White, 2015-12-08 Compelling eloquent and compassionate We learn as much about growing up in the Christian right as we do about gay life in Mel White's heartfelt and revealing memoir San Francisco Examiner Until Christmas Eve 1991 Mel White was regarded by the leaders of the religious right as one of their most talented and productive supporters He penned the speeches of Oliver North He was a ghostwriter for Jerry Falwell worked with Jim Bakker flew in Pat Robertson's private jet walked sandy beaches with Billy Graham What these men didn't know was that Mel White evangelical minister committed Christian family man was gay An engrossing journey to unite sexuality with faith Dallas Morning News *Stranger at the Gate* details Mel White's twenty five years of being counseled exorcised electric shocked prayed for and nearly driven to suicide because his church said homosexuality was wrong But his salvation to be openly gay and Christian is more than a unique coming out story It is a chilling exposé that goes right into the secret meetings and hidden agendas of the religious right Told by an eyewitness and sure to anger those Mel White once knew best *Stranger at the Gate* is a warning about where the politics of hate may lead America an important book by a brave man whose words can make us both richer in spirit and much wiser too **My Butch Career** Esther Newton, 2018-10-25 In *My Butch Career* Esther Newton tells the compelling disarming and at times sexy story of her struggle to write teach and find love all while coming to terms with her identity Newton recounts a series of traumas and conflicts from being molested as a child to her failed attempts to live a normal straight life in high school and college She discusses being denied tenure at Queens College and nearly again so at SUNY Purchase With humor and grace she describes her introduction to middle class gay life and her love affairs By age forty where Newton's narrative ends she began to achieve personal and scholarly stability in the company of the first politicized generation of out lesbian and gay scholars with whom she helped create gender and sexuality studies

Affecting and immediate *My Butch Career* is a story of a gender outlaw in the making an invaluable account of a beloved and influential figure in LGBT history and a powerful reminder of only how recently it has been possible to be an openly queer academic     The American Kennel Gazette ,1942     **Book Review Digest** Leslie Dunmore-Leiber,1976
