Gay Canon Greats Every Gay Man Should Read

Richard Canning

Gay Canon Greats Every Gay Man Should Read:

The Gay Canon Robert Drake, 1998-11-10 There are countless works of interest to gay men in print right now anthologies novels memoirs and more It is a reflection of progress that there is such an openly recognizable culture Yet how to make sense of the choices offered What do gay men need to read What books have shaped the gay heart mind and soul The Gay Canon gives its readers answers to these questions Not only does it list the one hundred great gay books that have influenced writers and continue to shape the gay imagination it also provides a deeper more comprehensive look at the twenty six most seminal works each of which is followed by a series of useful group discussion questions Reaching all the way back to Gilgamesh and continuing through classics like *Leaves of Grass* *Confessions of a Mask* and *The Wild Boys* as well as more recent books like *Borrowed Time* The Gay Canon consistently avoids impenetrable academic literary criticism in favor of a more popular introduction for general readers and book groups The Gay Canon is a book to give to any young man just coming out a book every gay reading group will want to rely on and most important a book that will enrich and improve the gay story that continues to be written

Gordon Merrick and the Great Gay American Novel Joseph M. Ortiz, 2022-05-23 Gordon Merrick and the Great Gay American Novel is the first biography of Gordon Merrick the most commercially successful writer of gay novels in the twentieth century This book shows how Merrick's novels were largely based on his own life and time as a Princeton theater star a Broadway actor a New York reporter an OSS spy and the friend of countless artists and celebrities as an expatriate in France Greece and Sri Lanka He lived much of his life as an openly gay man with his longtime partner Charles Hulse His 1970 novel *The Lord Won't Mind* broke new ground by showing that an affirming explicitly gay novel could be a bestseller His subsequent gay novels were both a cultural phenomenon and a lightning rod for literary critics This book also examines the complex often conflicting responses to Merrick's novels by gay readers and critics and it thus recovers the early post Stonewall debates over the definition of gay literature By reconstructing Merrick's life and critical fortunes this book expands our understanding of what it means to be a gay man in the twentieth century

Encyclopedia of Gay and Lesbian Popular Culture Luca Prono, 2007-12-30 During the 20th century through today gay and lesbian artists writers political activists and sports figures contributed their talents to all areas of popular culture Authors such as E Lynn Harris and Patricia Highsmith write bestselling novels Rupert Everett follows in the footsteps of Rock Hudson and others who starred in multimillion dollar films George Michael and kd lang have been the creative forces behind dozens of hit songs and the TV programs of Ellen DeGeneres Rosie O'Donnell and the cast of *Queer Eye for the Straight Guy* are enjoyed in gay and straight households alike The Encyclopedia of Gay and Lesbian Popular Culture identifies the people films TV shows literature and sports figures that have made significant contributions to both gay and lesbian popular culture and American popular culture

The Advocate, 1998-12-22 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in

the United States **Gay Identity, New Storytelling and The Media** C. Pullen,2015-12-11 This critical introduction to gay and lesbian identity within the media explores the concept of new storytelling The case studies look at film television and online media focussing on the narrative potential of individual storytellers who as producers writers and performers challenge identity concerns and offer new expressions of liberty **Willa Cather's Sexual Aesthetics and the Male Homosexual Literary Tradition** John P. Anders,1999-01-01 In this first full length study of male homosexuality in Cather s short stories and novels John P Anders examines patterns of male friendship ranging on a continuum from the social to the sexual He reveals how Cather s work assumes an unexpected depth and complexity by drawing on both the familiar tradition of friendship literature inspired by classical and Christian texts and a homosexual legacy that is part of yet distinct from established literary traditions Anders argues that Cather s artistic achievement is distinguished by her sexual aesthetics an elusive literary style inextricably associated with homosexuality His analysis demonstrates how a homosexual ethos and eros helped Cather develop a sensitivity to human variation and a style to accommodate it and thus became the objective correlative of her art dramatizing the diversity of human nature as it deepens the mystery of her work *Gay Identity, New Storytelling and The Media* P. Demory,Christopher Pullen,2016-04-30 This critical introduction to gay and lesbian identity within the media explores the concept of new storytelling The case studies look at film television and online media focusing on the narrative potential of individual storytellers who as producers writers and performers challenge identity concerns and offer new expressions of liberty *The Carnivorous Lamb* Augustin Gomez-Arcos,2010-10-19 The latest in the Little Sisters Classics series resurrecting gay and lesbian literary gems a viciously funny shocking yet ultimately moving 1975 novel an allegory of Francos Spain about a young gay man the self described carnivorous lamb co *In Love with a Handsome Sailor* Richard M. Berrong,2003-01-01 Writing at first anonymously and later under the pen name Pierre Loti French author Julien Viaud 1850 1923 produced a series of fictions that sympathetically portrayed male same sex desire and its accompanying societal conflicts Due to the constraints of the time Viaud had to develop various strategies for discussing his subject covertly his success in doing so is demonstrated by the great critical and commercial success he enjoyed during his lifetime which included his election to the French Academy at age forty one Richard Berrong presents a gay reading of the novels and novellas of Julien Viaud chronologically tracing his development of a distinct homosexual identity and the strategies that he employed to discuss it in a way that would not be obvious to the general public In so doing Berrong asserts that Viaud s development of a homosexual identity undermined and realigned dominant constructions of masculinity presented the need for gay community and elaborated the role of literature for gay men The first book length gay reading of Viaud s corpus this work will make an important contribution not only to the study of Viaud but also to the study of gay and lesbian history culture and literature **Precious Perversions** Tison Pugh,2016-03-21 The tragic sentiment of Southern literature and its heteronormative perspective are foundational attributes generally accepted by both popular and scholarly audiences Yet a

pantheon of great authors ranging from like Tennessee Williams Carson McCullers and Truman Capote to present day voices of Alice Walker John Waters and David Sedaris collectively attest to both the vibrancy of queer experience and the prevalence of humor found in this rich regional cannon In *Precious Perversions Humor Homosexuality and the Southern Literary Canon* Tison Pugh challenges the premises that elevate William Faulkner and diminish Florence King that esteem Walker Percy yet marginalize David Sedaris by arguing for the inclusion of gay comic authors as long standing defining voices in the field By redefining the tenets of Southern literature Pugh reveals long overlooked or discounted aspects of gay humor within the South's literary realm Noting for example that Tennessee Williams is revered as a dramatist who probes the heart of the human condition rather than for his submerged camp humor and Truman Capote's comic cinema and literature never eclipsed serious works Pugh establishes a history of mainstream and academic critique that ignored queer humor Likewise Florence King and Rita Mae Brown wrote defining narratives of Southern lesbian experience in respectively *Confessions of a Failed Southern Lady* and *Rubyfruit Jungle* yet according to Pugh they are almost entirely neglected in accounts of the literary South More recently the author shows the critical reception of Dorothy Allison's *Bastard Out of Carolina* testifies to an overarching interest in the traumatic aspects of her poetry and fiction rather than in her humor and its cathartic power Pugh also asserts that David Sedaris as a writer of the post Southern South who appears to fall beyond the parameters of regional literature for many readers creates a new humorous vision of the region that recognizes both its pained history and its grudging accession to modernity Drawing from works of key southern writers Pugh sets forth a new vision of Southern literature emerges one illuminated by the humor of gay voices no longer at the margins

Queering Mennonite Literature Daniel Shank Cruz, 2019-01-27 Though the terms queer and Mennonite rarely come into theoretical or cultural contact over the last several decades writers and scholars in the United States and Canada have built a body of queer Mennonite literature that shifts these identities into conversation In this volume Daniel Shank Cruz brings this growing genre into a critical focus bridging the gaps between queer theory literary criticism and Mennonite literature Cruz focuses his analysis on recent Mennonite authored literary texts that espouse queer theoretical principles including Christina Penner's *Widows of Hamilton House* Wes Funk's *Wes Side Story* and Sofia Samatar's *Tender* These works argue for the existence of a queer Mennonite identity on the basis of shared values a commitment to social justice a rejection of binaries the importance of creative approaches to conflict resolution and the practice of mutual aid especially in resisting oppression Through his analysis Cruz encourages those engaging with both Mennonite and queer literary criticism to explore the opportunity for conversation and overlap between the two fields By arguing for engagement between these two identities and highlighting the aspects of Mennonitism that are inherently queer Cruz gives much needed attention to an emerging subfield of Mennonite literature This volume makes a new and important intervention into the fields of queer theory literary studies Mennonite studies and religious studies

Antiquity Now Thomas E. Jenkins, 2015-05-14 Written in a lively and accessible

style Antiquity Now opens our gaze to the myriad uses and abuses of classical antiquity in contemporary fiction film comics drama television and even internet forums With every chapter focusing on a different aspect of classical reception including sexuality politics gender and ethnicity this book explores the ideological motivations behind contemporary American allusions to the classical world Ultimately this kaleidoscope of receptions from calls for marriage equality to examinations of gang violence to passionate pleas for peace or war reveals a classical antiquity that reconfigures itself daily as modernity explains itself to itself through ever expanding technologies and media Antiquity Now thus examines the often surprising redeployment of the art and literature of the ancient world a geography charged with especial value in the contemporary imagination

LGBTQ+ Literature in the West Robert C. Evans, 2023-05-18 A survey within one volume of the history of critical responses to LGBTQ literature from the beginning to the present day this book explores changes in attitudes literature and criticism over a period of two and a half thousand years For various reasons it focuses on literature of the West trying to give readers a clear sense within a relatively short compass not only of the development of queer literature perhaps the most encompassing of all terms but especially of critical responses to that literature notably during the past century and particularly the past fifty years All in all this book offers a roadmap to much of the excellent scholarship concerning LGBTQ literature that has arisen in the last half century an era of unparalleled interest in the topic and an era that has moved the topic from the distant sidelines of literary study to a place ever closer to the center of things

Queer Studies Bruce Henderson, 2019-09-10 Written for entry level survey courses in queer or LGBTQ Studies for students from all majors this engaging text covers a wide range of topics Early chapters consider the meaning of queer and examine identities such as trans bi and intersex Intersections between sexuality gender expression and other identities such as race ethnicity and class are also examined The book then reviews life experiences such as families friendship religion and spirituality health and politics through the lens of queerness

Queer Studies Beyond Binaries Engages undergraduates with a narrative that applies key ideas to their own lives and experiences Questions various binaries either or pairings to help students examine their own sexual identity and gender expression Reviews foundational concepts from queer theory and queer history to create a deeper understanding of the concepts Emphasizes an intersectionality approach that demonstrates how one's identity is the product of multiple characteristics such as sexuality gender race class and disability Uses a multidisciplinary approach drawing from the social and natural sciences humanities and arts to provide a broad overview of perspectives Details an individual or an event in Spotlight on sections to highlight the experiences of queer people Provides questions for class discussion or field activities in Issues for Investigation sections that apply the ideas covered in the chapter Allows instructors to shape the class with different foci using the stand alone chapters in Part III Features an Instructor's resource manual available to adopters with 20 PowerPoint slides for each chapter sample syllabi for a variety of courses teaching tips for using the Spotlight On and Issues for Investigation sections and the suggested readings a test bank with objective and essay questions and student aids

such as keywords chapter outlines and summaries and learning objectives Designed for undergraduate courses in queer or LGBT Studies requiring no prerequisites Queer Studies Beyond Binaries also serves as an excellent supplement in courses on queer theory or history or on sexuality gender and women s studies **The Crimson Letter** Douglass

Shand-Tucci,2004-06-01 In a book deeply impressive in its reach while also deeply embedded in its storied setting bestselling historian Douglass Shand Tucci explores the nature and expression of sexual identity at America s oldest university during the years of its greatest influence The Crimson Letter follows the gay experience at Harvard in the nineteenth and twentieth centuries focusing upon students faculty alumni and hangers on who struggled to find their place within the confines of Harvard Yard and in the society outside Walt Whitman and Oscar Wilde were the two dominant archetypes for gay undergraduates of the later nineteenth century One was the robust praise singer of American democracy embraced at the start of his career by Ralph Waldo Emerson the other was the Oxbridge aesthete whose visit to Harvard in 1882 became part of the university s legend and lore and whose eventual martyrdom was a cautionary tale Shand Tucci explores the dramatic and creative oppositions and tensions between the Whitmanic and the Wildean the warrior poet and the salon dazzler and demonstrates how they framed the gay experience at Harvard and in the country as a whole The core of this book however is a portrait of a great university and its community struggling with the full implications of free inquiry Harvard took very seriously its mission to shape the minds and bodies of its charges who came from and were expected to perpetuate the nation s elite yet struggled with the open expression of their sexual identities which it alternately accepted and anathematized Harvard believed it could live up to the Oxbridge model offering a sanctuary worthy of the classical Greek ideals of male association yet somehow remain true to its legacy of respectable austerity and Puritan self denial The Crimson Letter therefore tells stories of great unhappiness and manacled minds as well as stories of triumphant activism and fulfilled promise Shand Tucci brilliantly exposes the secrecy and codes that attended the gay experience showing how their effects could simultaneously thwart and spark creativity He explores in particular the question of gay sensibility and its effect upon everything from symphonic music to football set design to statecraft poetic theory to skyscrapers The Crimson Letter combines the learned and the lurid tragedy and farce scandal and vindication and figures of world renown as well as those whose influence extended little farther than Harvard Square Here is an engrossing account of a university transforming and transformed by those passing through its gates and of their enduring impact upon American culture Queer Theory and

Translation Studies Brian James Baer,2020-07-21 This groundbreaking book explores the relevance of queer theory to Translation Studies and of translation to Global Sexuality Studies Beginning with a comprehensive overview of the origins and evolution of queer theory this book places queer theory and Translation Studies in a productive and mutually interrogating relationship After framing the discussion of actual and potential interfaces between queer sexuality and queer textuality the chapters trace the transnational circulation of queer texts focusing on the place of translation in gay

anthologies the packaging of queer life writing for global audiences and the translation of lyric poetry as a distinct site of queer performativity Baer analyzes fictional translators in literature and film the treatment of translation in historical and ethnographic studies of sexual and linguistic others the work of queer translators and the reception of queer texts in translation Including a range of case studies to exemplify key ethical issues relevant to all scholars of global sexuality and postcolonial studies this book is essential reading for advanced students scholars and researchers in Translation Studies gender and sexuality studies and related areas

Hear Us Out Richard Canning, 2004-01-13 The author of the acclaimed *Gay Fiction Speaks* brings us new interviews with twelve prominent gay writers who have emerged in the last decade *Hear Us Out* demonstrates how in recent decades the canon of gay fiction has developed diversified and expanded its audience into the mainstream Readers will recognize names like Michael Cunningham whose Pulitzer Prize winning novel *The Hours* inspired the hit movie and others like Christopher Bram Bernard Cooper Stephen McCauley and Matthew Stadler These accounts explore the vicissitudes of writing on gay male themes in fiction over the last thirty years prejudices of the literary marketplace social and political questions the impact of AIDS commonalities between gay male and lesbian fiction and even some delectable bits of gossip

Social Constructionist Identity Politics and Literary Studies S. Gupta, 2007-01-10 This study presents a critique of social constructionist identity politics which is distinguished from specific identity based political positions from within and with social constructionist commitments Gupta examines the institutionalization of social constructionist identity politics in literary studies considering the notions of canonicity

The Advocate , 1999-07

Being Poland Tamara Trojanowska, Joanna Ni?y?ska, Przemys?aw Czapli?ski, 2018-01-01 *Being Poland* offers a unique analysis of the cultural developments that took place in Poland after World War One a period marked by Poland's return to independence Conceived to address the lack of critical scholarship on Poland's cultural restoration *Being Poland* illuminates the continuities paradoxes and contradictions of Poland's modern and contemporary cultural practices and challenges the narrative typically prescribed to Polish literature and film Reflecting the radical changes rifts and restorations that swept through Poland in this period Polish literature and film reveal a multitude of perspectives Addressing romantic perceptions of the Polish immigrant the politics of post war cinema poetry and mass media *Being Poland* is a comprehensive reference work written with the intention of exposing an international audience to the explosion of Polish literature and film that emerged in the twentieth century

Gay Canon Greats Every Gay Man Should Read Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Gay Canon Greats Every Gay Man Should Read PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Gay Canon Greats Every Gay Man Should Read PDF books and

manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Gay Canon Greats Every Gay Man Should Read free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
