Eclectic Views on Gay Male Pornography Todd Morrison, 2013-11-26 A unique multifaceted look at the meaning and the specifics of gay male pornography Open any gay lifestyle magazine even the serious ones or go to any gay bar and you re likely to encounter something related to pornography be it an image of a porn superstar or advertisements for pornographic magazines DVDs calendars etc *Eclectic Views on Gay Male Pornography* Pornucopia examines this phenomenon with a series of provocative essays in which experts in history law media studies and psychology as well as laypeople and gay porn insiders explore the complex world of male pornography and the various ways in which it has permeated gay culture from the 1970s until today This first of its kind book examines the phenomenon of self writing and performance for gay men in the last century specifically looking at the lives of modern day performance artist Tim Miller who has received national recognition for his one man shows portraying his struggles as a gay man Wakefield Poole born 1936 the first producer of gay pornography *Bijou Boys in the Sand* in the era accompanying the emergence of the gay rights movement gay adult film icon Scott Spunk O Hara born 1961 and Aaron Lawrence born 1971 who worked as a gay escort actor and producer director of his own sexually explicit amateur videos In this groundbreaking analysis of gay men s relationship with pornography you ll also learn about gay pornography and the

messages it carries about intimacy body image and hegemonic masculinity representations of ethnicity in gay pornography gay pornography and safer sex gay pornography and censorship viewers perceptions of gay pornography gay pornography and internalized homophobia misogyny and body fascism changes in the way gay pornography is produced and performed from the 1970s through the 1990s the meaning of the recurring settings in American gay pornographic videos prison the military and other all male environments and recurring themes leather S M dissatisfaction with heterosexual life initiation into gay life etc In addition Eclectic Views on Gay Male Pornography presents two fascinating chapters about the case of Little Sisters Book and Art Emporium in Vancouver In this landmark case the Canadian Supreme Court was asked to determine whether gay male pornography violated the sex equality protections guaranteed by the Canadian Charter of Rights and Freedoms The court also examined the way that Canada Customs treats international shipments to gay and lesbian bookstores In addition the book provides a revealing insider's perspective on the gay adult video industry that contrasts the workaday reality of making porn with the glamorous mythology of the skin trade

Current Issues in Lesbian, Gay, Bisexual, and Transgender Health Jay Harcourt, 2013-04-11 Learn what resources are needed for lesser recognized LGBT health issues Most literature that explores LGBT health issues concentrates on HIV AIDS while leaving research studies on other vital issues lacking Current Issues in Lesbian Gay Bisexual and Transgender Health addresses this inadequacy by presenting a broad range of LGBT health issues from an interdisciplinary and mixed method perspective Leading experts present both quantitative and qualitative descriptions of health issues among various population groups focusing on those topics poorly represented in present day literature This book is a strong start to fill in the blanks about unrealized health issues of LGBT individuals and offers insights into the resources needed to address them Methods to assess sexual orientation and gender identity are not normally found in most population based research Because of the diversity within the relatively small LGBT population research has been forced to generalize making it less likely to effectively contribute to quality health issue data for these individuals The research presented in Current Issues in Lesbian Gay Bisexual and Transgender Health takes particular care to specify how the orientation and sexual identity of study participants was measured This book carefully mines previously unrevealed health disparities among LGBT populations across a broad spectrum of diseases beyond the standard focus on HIV AIDS The most current and important studies are presented including rare research on transgender health issues The chapters are extensively referenced and several include figures and tables to clarify and enhance understanding of the information The wide range of topics in Current Issues in Lesbian Gay Bisexual and Transgender Health include the inclusion of sexual orientation questions in research studies comparison of mental health issues between women of different sexual orientations mental health issues among men of different sexual orientations and HIV status in Australia the impact of sexual identity distress and social support in GLBT youth issues transgender youth health issues female to male FTM transexuals experiences accessing health care research on LBT

domestic violence survivors health needs of male to female MTF transgenders of color Current Issues in Lesbian Gay Bisexual and Transgender Health is crucial thought provoking reading for researchers working in LGBT health public health professionals working in community health and LGBT health policymakers advocates public health and community health faculty and students interested in LGBT health issues

LGBT Studies and Queer Theory Karen Lovaas, 2013-05-13 Find out how the tension between LGBT studies and queer theory exists in the classroom politics communities and relationships LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain examines the similarities and differences between LGBT studies and queer theory and the uneasy relationship between the two in the academic world This unique book meets the challenge that queer theory presents to the study and politics of gay and lesbian studies with a collection of essays from leading academics who represent a variety of disciplines These original pieces place queer theory in social and historical contexts exploring the implications for social psychology religious studies communications sociology philosophy film studies and women s studies The book s contributors address queer theory s connections to a wide range of issues including the development of capitalism the evolution of the gay and lesbian movement and the study of bisexuality and gender Many scholars working in gay and lesbian studies still question the intellectual and political value of queer theory As a result queer theory has often been concentrated in the humanities while gay and lesbian studies are concentrated in the social sciences and history But this has begun to change in the past 10 15 years as documented by the 12 essays presented in LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain includes historical notes on LGBT studies and queer theory some continuing tensions between LGBT studies and queer theory doubts about whether queer theory can lead to social change an analysis of the current state of proto fields of LGBT studies and queer studies in religion concerns that queer theory s erasure of identity feeds into late capitalism an analysis of variability in social psychologists studies of anti homosexual prejudice an exploration of the commodification of queer identities in independent cinema how and why the category of bisexuality has been marginalized a historical review and assessment of recent bisexual theory a case study of Provincetown Massachusetts an investigation of the interarticulation of race ethnicity and gender a case study of the struggle to introduce LGBT studies in the curriculum at West Chester University and much more LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain is an essential read for researchers academics and practitioners involved in exploring multifaceted aspects of LGBT Studies and Queer Theory and their points of convergence and divergence

Gay and Lesbian Asia Gerard Sullivan, PETER A JACKSON, 2013-09-13 How do Asian cultures construct queer genders sexualities and eroticism Gay and Lesbian Asia demonstrates the astonishing diversity of gay lesbian bisexual and transgendered identities in countries including Korea Thailand Malaysia China India Indonesia Singapore and the Philippines Although many Asian cultures borrow the language of the West when discussing queerness the attitudes relationships and roles described are quite

different Gay and Lesbian Asia discusses cultural issues as well as the unique political position of gays in Asian societies For example the Thai concept of phet eroticized gender is quite different from the Western view that classifies people by the sex of the partners they desire not by their level of masculine or feminine traits Similarly some gay and lesbian Chinese people come home rather than come out By bringing their partners into the extended family they can maintain the filial relationships that define them while being able to love whom they choose The essays in Gay and Lesbian Asia cover a broad range of approaches and subjects globalization theory exploring the political and cultural ramifications of the Western gay identity movement Foucauldian discourse on sexuality and sharply distinct erotic cultures political and cultural analyses of gay and lesbian comradeship and filial relationships in Chinese societies research on the T and po lesbians similar to butch and femme in Malaysian bars the formation of gay cybercommunities in Asia the effects of class distinctions on Jakarta lesbians studies of local historical forms of homoeroticism and transgenderism Gay and Lesbian Asia continues Haworth s landmark series of books on gay and lesbian issues in Asia and Australia Along with Tongzhi Politics of Same Sex Eroticism in Chinese Societies Queer Asian Cinema Multicultural Queer Australian Narratives Gays and Lesbians in Asia and the Pacific and Lady Boys Tom Boys Rent Boys Male and Female Homosexualities in Contemporary Thailand this book presents some of the most original powerful current thought available on cultural political sexual and gender issues for queer subcultures within Asian cultures *Handbook of Research with Lesbian, Gay, Bisexual, and Transgender Populations* William Meezan,James I.

The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
