Milner, 2015-06-30 Incorporating the most recent research by scholars in Italy the UK Ireland and North America this collection of essays foregrounds Boccaccio's significance as a pre eminent scholar and mediator of the classical and vernacular traditions whose innovative textual practices confirm him as a figure of equal standing to Petrarch and Dante Situating Boccaccio and his works in their cultural contexts the Companion introduces a wide range of his texts paying close attention to his formal innovations elaborate voicing strategies and the tensions deriving from his position as a medieval author who places women at the centre of his work Four chapters are dedicated to different aspects of his masterpiece the Decameron while particular attention is paid to the material forms of his works from his own textual strategies as the shaper of his own and others literary legacies to his subsequent editorial history and translation into other languages and media Out There Zoe Strachan, 2014-10-24 In the year that Scotland votes on independence from the rest of the UK Freight Books brings a new and definitive anthology of poetry and prose writing from Scotland's leading and emerging LGBT writers including the likes of Ali Smith Louise Welsh Kerry Hudson Jackie Kay Ronald Frame Toni Davidson Val McDermid Damian Barr and many others The writing will be as provocative thoughtful moving and as fully charged with energy as one would expect from the country's celebrated community of LGBT artists Edited by award winning novelist Zoe Strachan Pasolini, Chaucer and Boccaccio Agnès Blandeau, 2014-12-09 Pier Pasolini s trilogy of life is a series of film adaptations of major texts of the past The Decameron The Canterbury Tales and One Thousand and One Nights The movies demonstrate a film author's acute aesthetic sensibility through a highly original cinematic rendering of the sources The first two films closely examined in this book offer a personal purposefully stylized vision of the Middle Ages as though Pasolini were dreaming Boccaccio's and Chaucer's texts through the filter of his heretic consciousness The unusual poetic visualization of the source works which could be described as irreverent cinematic homage has the potential to renew the traditional reading of such literature This book shows how cinema becomes an alternative form of storytelling It first studies the two films in detail putting them in perspective within the trilogy Next it interprets them recounting misinterpretations and expounding upon Pasolini's ideological perception and defends the oft criticized adaptations Finally it discusses how the films represent innovation over strict adaptation Appendices offer charts with information on the narrative structures of the films and the correspondences between them **Community in Modern** Scottish Literature, 2016-04-18 Community in Modern Scottish Literature is the first book to examine representations and theories of community in Scottish writing of the twentieth and twenty first centuries across a broad range of authors and from various conceptual perspectives.
