Broadway Bodies Ryan Donovan, 2023 Broadway has body issues What is a Broadway Body Broadway has long preserved the ideology of the Broadway Body the hyper fit exceptionally able triple threat performer who represents how Broadway musicals favor certain kinds of bodies Casting is always a political act situated within a power structure that gives preference to the Broadway Body In Broadway Bodies author Ryan Donovan explores how ability

sexuality and size intersect with gender race and ethnicity in casting and performance To understand these intersectional relationships he poses a series of questions Why did A Chorus Line a show that sought to individuate dancers inevitably make dancers indistinguishable How does the use of fat suits in musicals like Dreamgirls and Hairspray stigmatize fatness What were the political implications of casting two straight actors as the gay couple in La Cage aux Folles in 1983 How did deaf actors change the sound of musicals in Deaf West s Broadway revivals Whose bodies does Broadway cast and whose does it cast aside In answering these questions Broadway Bodies tells a history of Broadway s inclusion of various forms of embodied difference while revealing its simultaneous ambivalence toward non conforming bodies The Cambridge Companion to the Literature of New York Cyrus R. Playing Underground Stephen J. Scott-Bottoms, 2009-11-10
Scrupulously researched critically acute and written with care *Playing Underground* will become a classic account of an era of hard won free expression William Coco At last a book documenting the beginnings of Off Off Broadway theater *Playing Underground* is an insightful illuminating and honest appraisal of this important period in American theater Rosalyn Drexler author of *Art Does Not Exist* and *Occupational Hazard* An epic movie of an epic movement *Playing Underground* is a book the world has waited for without knowing it How precisely it captures the evolution of our revolution I am amazed by the book s scope and scale and I bless its author especially for giving two greats Paul Foster and H M Koutoukas their proper polar places and for memorializing such unjustly forgotten masterpieces as Irene Fornes s *Molly s Dream* and Jeff Weiss s *A Funny Walk Home* Stephen Bottoms s vivid evocation of the grand adventure of Off Off Broadway has woken and broken my heart It is difficult to believe that he was not there alongside me to breathe the caffeine nicotine alkaloid steeped air Robert Patrick author of *Kennedy s Children* and *Temple Slave* Few books address the legendary age of 1960s off off Broadway theater Fortunately Stephen Bottoms fills that gap with *Playing Underground* the first comprehensive history of the roots of off off Broadway This is a theater whose legacy is still felt today it was the launching pad for many leading contemporary theater artists including Sam Shepard Maria Irene Fornes and others and it was a pivotal influence on improv comedy and shows like *Saturday Night Live* Off off Broadway groups such as the Living Theatre La Mama and Caffe Cino captured the spirit of nontraditional theater with their edgy unscripted boundary crossing subjects Yet as Bottoms discovers there is no one set of truths about off off Broadway to uncover the entire scene was always more a matter of competing perceptions than a singular concrete reality No other author has managed to illuminate this shifting tableau as Bottoms does Through interviews with dozens of the era s leading playwrights performers directors and critics he unearths a countercultural theater movement that was both influential and

transforming yet ephemeral and quintessentially of its moment *Playing Underground* will be a definitive work on the subject offering a complete picture of an important but little studied period in American theater **More Man Than You'll Ever Be!** Joseph P. Goodwin, 1989-03-22 Goodwin examines the jokes language and behavior that allow gay men to identify and communicate with one another He identifies how these behaviors help gay men maintain group cohesion in the subculture and cope with conflicts and stresses including AIDS Annotation copyrighted by Book News Inc Portland OR LGBTQ America Today John Charles Hawley, 2008-11-30 Lesbian gay bisexual transgender and queer culture is a vibrant and rapidly evolving segment of the American mosaic This book gives students and general readers a current guide to the people and issues at the forefront of contemporary LGBTQ America Included are more than 600 alphabetically arranged entries on literature and the arts associations and organizations individuals law and public policy concerns health and relationships sexual issues and numerous other topics Entries are written by distinguished authorities and cite works for further reading and the encyclopedia closes with a selected general bibliography Students in social studies history and literature classes will welcome this book s illumination of American cultural diversity LGBTQ Americans have endured many struggles and during the last decade in particular they have made tremendous contributions to our multicultural society Drawing on the expertise of numerous expert contributors this book gives students and general readers a current overview of contemporary LGBTQ American culture Sweeping in scope the encyclopedia looks at literature and the arts associations and organizations individuals law and public policy concerns health and relationships sexual practices and various other areas Entries cite works for further reading and the encyclopedia closes with a selected general bibliography While extensive biographical entries give readers a sense of the lives of prominent lesbian gay bisexual transgender and queer Americans the many topical entries provide full coverage of the challenges and contributions for which these people are known The encyclopedia supports the social studies curriculum by helping students learn about cultural diversity and it supports the literature curriculum by helping students learn about LGBTQ writers and their works *For the Gay Stage* Drew Wayne Gunn, 2017-05-21 Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London s West End This comprehensive guide goes well beyond these earlier studies by introducing productions from Off Broadway from regional theaters in the U S and U K and from Ireland Canada Australia New Zealand and South Africa Also included are Puerto Rican Indian and Filipino plays written in English as well as translations from other languages Well over half of the works discussed here appear for the first time in such a study
