**Gay and Lesbian Communities the World Over** Rita J. Simon, Alison M. Brooks, 2009-12-30 Gay and Lesbian Communities the World Over examines the treatment and status of gays and lesbians in 21 countries around the world. The countries included are Canada, the United States, Argentina, Brazil, Great Britain, France, Germany, Italy, Sweden, Hungary, Poland, Russia, Israel, Egypt, Iran, Nigeria, South Africa, India, China, Japan, and Australia. The book explores the history of homosexuality dating back to ancient Greece and Rome as well as attitudes toward gays and lesbians within the world's most prominent religions, the arts, literature, and film. This investigation is unique due to its comprehensive and innovative analysis of a wide range of topics concerning gay and lesbian communities across a large number of countries. The authors report on the rights of gay and lesbian citizens in the countries listed above, as for example, the right to marry, adopt, serve in the military, hold certain occupational positions. They also describe the status of gay and lesbian citizens, as for example, the legality of homosexuality and sanctioned punishments. When available, public opinion data are reported on how respondents feel about gays and lesbians in their country, as well as their opinions on what rights should be afforded to this group. Data are reported on respondents' opinions on allowing gay marriage, civil unions, adoption, and allowing gays to openly serve in the military. The representative sample of countries in this study will help scholars get a better sense of the status of gays and lesbians across the globe.

**The New Testament and Homosexuality** Robin Scroggs, Just what is a proper use of the Bible, especially the New Testament, in Christian debates about acceptance of homosexuals? In addition to bringing clarity and honesty to issues of the relevance of the Bible, this work brings a little more light and a little less heat to the discussion, a little more acceptance of all persons on the other side, and maybe even an awareness that in Christ there is really no other side at all.

**The Gay Gospels** Keith Sharpe, 2011-07-29 The place of lesbian, gay, bisexual, and transgendered people in the Christian churches is a highly controversial issue. The stance of all the mainline churches is that homosexuality is sinful and incompatible with Christianity. In seeking to respond to attacks on their lives, identities, and relationships, LGBT Christians have moved over recent decades from a defensive position to a more affirmative position, which asserts that there is evidence in the Bible and the Jesus tradition of validated homoerotic experience. This book presents a systematic overview of both the defensive and affirmative positions. In part one, The Defensive Testament, each of the so-called biblical texts of terror used to demonise LGBT people is considered in turn and found wanting. None of them has anything to say about consensual same-sex love. In part two, The Affirmative Testament, homoerotic elements in various Bible stories, including the healing of the centurion's servant, Jesus and the beloved disciple, David and Jonathan, Ruth and Naomi, are revealed to make visible the place of LGBT lives in the Biblical tradition. Taken together, these two testaments forcefully champion the equality of LGBT people in the Kingdom of God and represent a formidable challenge to ecclesiastical homophobia.

**Homosexuality (DeYoung)** James B. DeYoung, 2000 Did past societies condone homosexuality? This thorough study answers those who revise the

message of Scripture by using the Bible Jewish literature and information from ancient cultures It provides the knowledge necessary to respond with confidence compassion and honesty to demands that Christians accept active homosexuality

Perfectly Human: The Unexpected Autobiography Of A Hick Bayla Dornon,2024-06-09 A book marketer recently asked me what genre my new series is and I had to think for a minute to figure that out Eventually I came up with Autobiographical Supernatural Horror Now I realize that sounds more like fantasy than reality but consider this if your family has monsters in it and you write about that family what do you call it Franz Kafka wrote about a man who transformed for unknown reasons

into a cockroach obviously autobiographical and no one batted an eye My story covers adoption abortion LGBT rights cancer gay marriage science violent crime small farming in California missionary work the arid modern university environment AIDS teaching and the terrible toxicity of an insular family submerged deep within an abusive religious cult And all I did was describe my experience growing up in a normal American family of monsters For the purposes of focus and variety I ve framed the first book around my family s oldest sibling MY SISTER SUZIE a girl who was adopted at birth and had all the cards stacked against her The second book recounts the life of OUR LITTLE SISTER who started her life as a sick and weak little girl but eventually won a college diploma and a man The final book details some pretty horrific transformations and catastrophes since it deals with a disastrous mother son relationship If you have a mother or a son AND THE DRAGONS might keep you up at night PERFECTLY HUMAN is the unforgivable saga of a boy born into one crazy family raised by an even more dysfunctional family and in love with another boy from a third family There s enough sex to keep it spicy and enough analysis to excuse all the sex Offensive Word Count for PERFECTLY HUMAN The Unexpected Autobiography Of A Hick by Bayla Dornon Book I MY SISTER SUZIE Shit 19 Cock 13 Jesus 13 Damn 10 Asshole 9 Fuck 8 Dick 8 Bitch 4 Penis 3 Piss 2 Pussy 2 and one Bastard Book II OUR LITTLE SISTER Shit 13 Christian 12 Dick 7 Christ 6 Asshole 4 Bitch 3 Cock 2 Fuck 2 Piss 2 Bastard 1 Damn 1 Fart 1 Jesus 1 and one Shart Book III AND THE DRAGONS Christian 27 Shit 16 Damn 12 Jesus 8 Fuck 5 Piss 5 Bitch 3 Asshole 2 Pussy 2 Christ 1 Cock 1 Cocksucker 1 Dick 1 Fart 1 and one Penis Gay Rights Or Wrongs Michael Mazzalongo,1995 As homosexual advocacy groups continue to be more and more vocal many questions have been raised concerning homosexual issues in the general public This volume will help ministers and other Christian leaders sort through and understand these issues from a biblical standard Every Christian needs to read this book *The Advocate* ,2003-12-23 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *Forgive Us Our Sins* Richard D Starr,Scott L Barefoot,2014-01-01 What does the Bible say about homosexuality Homosexuality and what the Bible says about it is a predominant subject in the world we live in How do Christians lovingly share what God s Word says about homosexuality with their friends and family members And if you re a Christian who struggles with homosexuality what does God want you to know This book is both a topical discussion on the difficult conversation about what the Bible says about homosexuality and the first person testimony of one man s real life exit from a gay lifestyle back to Jesus Christ In this book you will find very practical advice for overcoming temptation both from someone who has personally lived through the struggle and from a pastor with a deep love for God s Word and people But the authors want you to know that you won t find a quick and easy cure all silver bullet or magic formula to cure homosexuality in this book There is no cure for homosexuality other than the one cure for all sin God given faith in the forgiveness of Jesus Authors Scott Barefoot and Pastor Richard Starr avoid judgment and stereotypes by delicately balancing biblical law and gospel for an encouraging hope filled message to all
