Gay Unions In The Light Of Scripture Tradition And Reason:

Gay Unions Gray Temple, 2004 Gray Temple presents the argument for the sacramental equality of gay and lesbian couples which is to say they are entitled to full participation in the sacraments including Marriage Gray Temple bases his discussion on the Anglican concept of discerning the will of God through Scripture Tradition and Reason In the argument from Scripture Gray Temple's basic premise is that we cannot presume to know what the Bible says to us if we do not understand what the biblical writers thought they were saying He discusses the ways in which the concept of sexuality in the minds of biblical writers was very different than ours He carefully analyzes the most often cited biblical passages assumed to prohibit homosexual activity and shows why they are not saying what we think they are saying In the argument from Tradition Gray analyzes the roots of various traditions coming to the conclusion that traditions generally evolve to maintain privilege Tradition has been used for example to bar women from ordination We are veering dangerously away from the Anglican tradition of the via media In the argument from Reason he presents answers to assumptions about homosexuality both from an impassioned liberal stance and from a stance designed to lead to a dialogue engaging the hopes and fears of the conservative and liberal sides As a liberal charismatic who prayerfully came to the conclusion that his homophobia was not a stance favored by God Temple is in a unique position to take on this topic Gray Temple deeply understands the ethos of conservatism and his understanding of that ethos provokes him to engage conservative arguments with rigor and sympathy

Queer Readings of the Centurion at Capernaum Christopher B. Zeichmann, 2022-10-28 The first ever monograph on the history of queer biblical interpretation of a controversial biblical passage Since the 1950s homoerotic readings of the pericope in which Jesus heals a Roman centurion's slave have been built upon three of the account's features the specific Greek word *pais* which can refer to youth slave or the junior partner in a sexual relationship between two men Luke's characterization of the young man as dear *entimos* to the centurion and commonplace homoeroticism in the Roman army Rather than affirming or denying the historical reality of a sexual relationship between the centurion and the young man Christopher B Zeichmann instead traces the shifting patterns of queer readings of the text and the influences of the sexual political and theological discourses of late twentieth and early twenty first century Europe the United States and Australia Readers will see how distinct political contexts have led interpreters to find very different meanings about the sexual subtexts of this story

The Episcopal Church in Crisis Frank G. Kirkpatrick, 2008-06-30 The current debate in the Episcopal Church in the United States ECUSA over its relationship with the worldwide Anglican Communion has been building for some time Some Episcopalians including priests bishops and dioceses have broken or are considering breaking their historic affiliation with the current authoritative bodies of ECUSA because they believe they have betrayed the historic teachings and morality of the Anglican tradition The author places this emerging crisis in context historical moral theological cultural and ecclesiological He explores how the rift between Episcopalians in the United States originated how it is being

played out now in the rift between the official representatives of ECUSA and the Anglican Communion what the arguments are for and against all sides and what are the prospects for either reconciliation at some level between the opposing parties or deepening schism in the future Kirkpatrick explores the variety of contentious issues rather than focusing just on the one that gets the most media attention homosexuality The crisis in the Church goes much deeper than that however and involves issues of church tradition and biblical authority The author provides necessary background but focuses primarily on the events that have occurred since 2003 when ECUSA approved the election and consecration of an openly gay bishop While the situation continues to evolve and change the book provides readers with an up to date account of the history of the crisis an analysis of the conflicting arguments and a contextual guide for understanding what might come next in this unfolding story

Authorizing Marriage? Mark D. Jordan, 2009-01-10 The opponents of legal recognition for same sex marriage frequently appeal to a Judeo Christian tradition But does it make any sense to speak of that tradition as a single teaching on marriage Are there elements in Jewish and Christian traditions that actually authorize religious and civil recognition of same sex couples And are contemporary heterosexual marriages well supported by those traditions As evidenced by the ten provocative essays assembled and edited by Mark D Jordan the answers are not as simple as many would believe The scholars of Judaism and Christianity gathered here explore the issue through a wide range of biblical historical liturgical and theological evidence From David s love for Jonathan through the singleness of Jesus and Paul to the all male heaven of John s Apocalypse the collection addresses pertinent passages in the Hebrew Bible and the New Testament with scholarly precision It reconsiders whether there are biblical precedents for blessing same sex unions in Jewish and Christian liturgies The book concludes by analyzing typical religious arguments against such unions and provides a comprehensive response to claims that the Judeo Christian tradition prohibits same sex unions from receiving religious recognition The essays most of which are in print here for the first time are by Saul M Olyan Mary Ann Tolbert Daniel Boyarin Laurence Paul Hemming Steven Greenberg Kathryn Tanner Susan Frank Parsons Eugene F Rogers Jr and Mark D Jordan

Peter Akinola: Who Blinks First? Gbenga Gbesan, 2020-03-30 To the astonishment and dismay of Anglican leadership in the Global North Nigeria s Archbishop Peter Akinola led the Global South s revolt against the campaign to normalize homosexuality within the global Anglican communion For this he was twice recognized by Time magazine as one of the 100 Most Influential People on earth As shepherd of an immense Nigerian flock he joined arms with like minded archbishops in Africa Asia and South America to insist that the church be guided by the Bible rather than culture Here is the remarkable story of this conflict from its social beginnings in nineteenth century Germany through the renegade behavior of national churches in Canada the United States and the United Kingdom on to gatherings addressing the issues from Dromantine Northern Ireland to Kuala Lumpur Malaysia At one point Archbishop of Canterbury Rowan Williams who had been enabling the progressives challenged Archbishop Akinola We shall see who blinks first Since that day it is clear that neither Akinola nor his colleagues have

blinked Indeed through the formation of GAFCON Global Anglican Future Conference and union with biblically faithful Anglicans in the Global North they are pressing their cause with an eye toward the next decennial assembly of bishops at Lambeth

Pieces of Ease and Grace Alan Cadwallader, 2013-12-31 The previous volume of essays *Five Uneasy Pieces* was warmly received People of faith and spirituality were looking for liberating understandings of the Bible in engagement with their own sexualities and those of friends family and beyond The book demonstrated clearly that oppressive uses of selected texts from the Bible were invalid But more is needed The obligation upon scriptural scholars is to establish scripture's hospitable inclusion of those whose sexual identities have been subjected to such oppression *Pieces of Ease and Grace* retrieves biblical texts as actively embracing gays and lesbians within the community of faith Their stories profoundly intersect with those of scripture Here is a collection of biblical essays on sexuality and welcome that restores the Bible as a book of grace to those whose sexual identities had previously been lost or condemned in interpretation

Ministry in the Anglican Tradition John L. Kater, 2025-09-04 This book offers a global perspective on how Anglican ministry evolved throughout a century marked by radical upheavals and dramatic changes in theological social and political perspectives That history begins with the end of the Victorian era when Anglicanism had spread around the world but was deeply enmeshed with colonialism and it was assumed that it was shaped and defined by its North Atlantic history Kater explores how the Anglican Way became rooted in widely different contexts and identifies the many pressures and movements that challenged that history including two world wars a global Depression anti colonialism and the struggles against the many forms of oppression and discrimination that marked the century This book is the story of how Anglican ministry has been broadened and deepened by its constantly growing diversity even as that diversity has brought new challenges
